

WORKS COMMITTEE

AGENDA

Date of Meeting:	Tuesday, April 25, 2000	Enquiry: Trudy Perrin
Time:	1:00 p.m.	Committee Administrator
Location:	Council Chamber City Hall 100 Queen Street West	392-8027

DECLARATIONS OF INTEREST PURSUANT TO THE MUNICIPAL CONFLICT OF INTEREST ACT.

COMMUNICATIONS/REPORTS:

**1. TORONTO INTEGRATED SOLID WASTE RESOURCE
MANAGEMENT (“TIRM”) PROCESS –
PROVEN DISPOSAL CAPACITY -
ENVELOPE 1 INFORMAL SUBMISSIONS.**

Commissioner of Works and Emergency Services
and City Solicitor
(April 18, 2000)

Recommending that the TIRM Proven Diversion Capacity RFP submissions from All Treat Farms Limited; HUWS Corporation; Stone and Webster Canada Limited and Canada Composting Inc.; and SUBBOR be declared informal (for the reasons set out in this report) and that they not be considered further in the current RFP Process.

2. ANALYSIS OF THE CUPE WASTE MANAGEMENT PLAN (WET-DRY SYSTEM)

Commissioner of Works and Emergency Services
(April 14, 2000)

Providing an evaluation of the CUPE Waste Management Plan (the "CUPE Plan") and identify options for proceeding with a comparative analysis in relation to the waste diversion systems arising from the Toronto Integrated Resource Management (TIRM) Diversion Request for Proposals (RFP) process, and recommending that authority be granted to amend the TIRM Diversion consulting contract with MacViro Consultants Inc. to develop a modified wet-dry system design, at a cost of \$25,000.00 plus GST.
