Moved by: **Councillor Adams**

Seconded by: **Councillor Bossons**

“**WHEREAS** the City’s Committee of Adjustment, in its Decision of February 8, 2000, regarding 23 Howland Avenue, refused an application to construct a rear one storey addition; and

WHEREAS the refusal Decision has been appealed to the Ontario Municipal Board, with a Hearing scheduled for May 4, 2000; and

WHEREAS the Urban Development Services Department, in their letter dated February 7, 2000, recommended to the Committee of Adjustment that the application for 23 Howland Avenue be refused; and

WHEREAS in their letter, the Urban Development Services Department indicated that the rear addition had been largely completed without the required permits; that the gross floor area exceeds the Official Plan and the proposed building depth (27 metres instead of the maximum 14 metres), and the lack of side-yard set back may reduce the residential amenity of the adjacent rear yards; and

WHEREAS the Chief Building Official saw fit to issue a Stop-Work Order as a result of the construction taking place without the required permit;

NOW THEREFORE BE IT RESOLVED THAT the City Solicitor be directed to appear before the Ontario Municipal Board to defend the City of Toronto Committee of Adjustment Decision of February 8, 2000, regarding 23 Howland Avenue.”

S6.9 Councillor Moscoe gave Notice of the following Motion to permit consideration at the next regular meeting of City Council to be held on May 9, 10 and 11, 2000:

Moved by: **Councillor Moscoe**

Seconded by: **Councillor Soknacki**

“**WHEREAS** on October 28, 1998, on the strength of a single anonymous complaint about the availability to Councillors of TEELA data and ‘on line access’ to assessment data, the Assistant Privacy Commissioner of the Province of Ontario ruled that Councillors ought not to have access to information that they have been receiving for many years, (copy attached); and

WHEREAS this ruling was based on the assertion by the complainant that the use of this information ‘could create an unfair electoral advantage for incumbent politicians’; and

WHEREAS this ruling has resulted in a series of rulings from the City's Director of Corporate Access and Privacy that have severely impacted on the ability of Councillors to do their legitimate jobs as Councillors; and

WHEREAS much of this data is provided freely by the Ontario government, (TEELA), to the real estate industry, and the City itself subscribes to this service and it is available to anyone for a price; and

WHEREAS the directors of this corporation are being denied access to data that is freely available to hundreds of City employees in the daily conduct of their work; and

WHEREAS the same data is freely made available to Councillors in other Ontario municipalities; and

WHEREAS Councillors no longer have access to the City-generated sign-in sheets at Community meetings; and

WHEREAS these and further restrictions on information are making it increasingly difficult for Councillors to contact their constituents;

NOW THEREFORE BE IT RESOLVED THAT the City Solicitor use whatever action may be necessary to overturn the rulings in investigation MC-980018-1 by the Ontario Assistant Privacy Commissioner, including court action and the use of an outside solicitor, if necessary;

AND BE IT FURTHER RESOLVED THAT the necessary funds be taken from the Corporate Contingency Account;

AND BE IT FURTHER RESOLVED THAT Council direct the Chair of the Administration Committee to seek a meeting with the Minister of Municipal Affairs and Housing to request an amending regulation that would ensure the Council Members have sufficient access to data to properly do their jobs;

AND BE IT FURTHER RESOLVED THAT, until such time as this appeal has reached its final conclusion, Councillors continue to be provided access to data which Councillors deem necessary to provide service to residents."

(A copy of the ruling of the Assistant Privacy Commissioner of the Province of Ontario, dated October 28, 1998, referred to in the foregoing Motion, is on file in the office of the City Clerk.)
