**DECLARATIONS OF INTEREST PURSUANT TO
THE MUNICIPAL CONFLICT OF INTEREST ACT.**

COMMUNICATIONS/REPORTS.

**1. PEDESTRIAN CROSSING PROTECTION - DIXON ROAD BETWEEN
KIPLING AVENUE AND CHETTA PLACE/WINCOTT DRIVE
(Ward 2 – Etobicoke North; Ward 4 – Etobicoke Centre).**

Director, Transportation Services, District 2
(May 27, 2002)

Respecting the need for additional pedestrian crossing protection on Dixon Road between the signalized intersections of Kipling Avenue and Chetta Place/Wincott Drive; advising that a study initiated by staff of the Transportation Services Division indicated that a pedestrian crossover is not a physically suitable pedestrian crossing device for this location; that the installation of pedestrian actuated traffic control signals will provide safe and convenient access for pedestrians and will not compromise the integrity of the arterial road network; that the TTC will relocate the existing bus stops to be in close proximity to the new pedestrian signals; and recommending that:

- (1) pedestrian signals be installed on Dixon Road, 260.0 metres west of Chetta Place/Wincott Drive; and
- (2) the appropriate City officials be authorized and directed to take the necessary action to give effect thereto, including the introduction in Council of any bills that may be required.

**2. INSTALLATION OF A STOP CONTROL - VALETTA COURT
AT STRATHAVON DRIVE (Ward 1 – Etobicoke North).**

Director, Transportation Services, District 2
(May 28, 2002)

Respecting the replacement of a missing stop sign on Valetta Court at Strathavon Drive; advising that the need for a stop sign at this intersection was investigated following a review which revealed that the intersection was not included in the Etobicoke Municipal Code as containing a stop control; and recommending that:

- (1) a stop control be erected on the north approach to the intersection of Strathavon Drive and Valetta Court; and
- (2) the appropriate City officials be authorized and directed to take the necessary action to give effect thereto, including the introduction in Council of any bills that may be required.

**3. INSTALLATION OF TRAFFIC CONTROL SIGNALS -
DIXON ROAD, WEST OF MCARTHUR STREET
(LOBLAWS/WESTOWN PLAZA DRIVEWAY)
(Ward 2 – Etobicoke North, Ward 4 – Etobicoke-Centre).**

Director, Transportation Services, District 2
(June 3, 2002)

Advising that the former Metropolitan Toronto Transportation Department had recommended the installation of traffic control signals on Dixon Road, in the area of McArthur Street, as a result of the signal warrant being satisfied in 1995; that since that date, numerous discussions have taken place between Transportation Services staff, the area Councillors, and representatives of Westown Plaza and Loblaws in an attempt to establish the most appropriate location for traffic control signals at the subject location; that as a result of these discussions, it was agreed that the best arrangement which would benefit both the traffic entering and exiting the area plazas and the pedestrians crossing Dixon Road, would be to close the existing west plaza driveway, as well as the Loblaws driveway, and combine them into one signalized driveway to the west of McArthur Street; and recommending that:

- (1) traffic control signals be installed on Dixon Road, approximately 65.0 metres west of McArthur Street at a new driveway to Loblaws/Westown Plaza; and
- (2) the appropriate City officials be authorized and directed to take the necessary action to give effect thereto, including the introduction in Council of any bills that may be required.

4. REQUEST FOR ENDORSEMENT OF “THE TASTE OF THE KINGSWAY” FESTIVAL FOR LIQUOR LICENSING PURPOSES (Ward 5 – Etobicoke-Lakeshore).

Henny Varga, President
Kingsway Business Improvement Area
(June 14, 2002)

Requesting endorsement of the street festival sponsored by the Kingsway Business Improvement Area, “The Taste of the Kingsway”, on September 6 and 7, 2002, as a Community Festival for liquor licensing purposes.

5. CONSTRUCTION AND MAINTENANCE OF FIRE ROUTES (Ward 2 – Etobicoke North).

District Chief, Fire Prevention, West Command
(June 13, 2002)

Respecting the enactment of a by-law to allow the construction and maintenance of a fire route; and recommending that:

- (1) Chapter 134-20 of the Etobicoke Municipal Code be amended by adding 26 Monogram Place to Schedule ‘B’, “Lands upon which Fire Routes are to be Constructed and Maintained”; and
- (2) the appropriate by-law be enacted by City Council.
