- (2) commencing the first day of construction (expected to be April 6, 2002) and terminating on the last day of construction (expected to be November 15, 2002), the speed limit on the Don Valley Parkway be designated as 60 kilometres per hour at the following locations:
 - northbound Don Valley Parkway from a point approximately 240 metres south of St. Dennis Drive to a point approximately 240 metres north of Eglinton Avenue; and
 - southbound Don Valley Parkway from a point approximately 400 metres north of Eglinton Avenue to a point approximately 210 metres south of St. Dennis Drive; and
- (3) appropriate City officials be directed to take the necessary action to implement the foregoing, including the introduction of any necessary Bills in Council to give effect thereto.

5. WASTE MANAGEMENT FEES FOR AGENCIES, BOARDS, COMMISSIONS, DEPARTMENTS AND SCHOOLS – WASTE DIVERSION TASK FORCE 2010.

Commissioner of Works and Emergency Services
(February 4, 2002)

Recommending that:

- (1) effective January 1, 2002, the Solid Waste Management Services Division charge schools and Agencies, Boards, Commissions and Departments solid waste management fees, as contained in Schedule 4 of this report and subject to an annual review, for the collection, transfer and disposal of solid waste;
- (2) effective January 1, 2002, Registered Charities, being organizations that often divert large amounts of waste through their day to day operations, be exempted from these fees, with the requirement that they must apply for the free exemption on an annual basis, including the submission of a three-year waste reduction plan;
- (3) each Agency, Board, Commission and Department and school be provided with the collection of Blue and Grey Box recyclables and yard waste at “no charge” for at least five years, effective January 1, 2002, as long as they continue to receive waste collection and disposal from the Solid Waste Management Services Division and not a private contractor;
- (4) each Agency, Board, Commission and Department’s Operating Budget be increased by the amounts shown in Schedules 1 and 2 of this report so that funds are available to provide for payment of the new solid waste management fees;
- (5) the January 1, 2002, due date for the submission of waste diversion plans by Agencies, Boards, Commissions, Departments and charities, as adopted by City Council at its October 1, 2 and 3 meeting, be extended to May 1, 2002, and that, as with Agencies, Boards, Commissions and Departments, charities be required to meet, as a minimum, the City’s waste diversion targets;
- (6) as with Agencies, Boards, Commissions and Departments and charities, schools also be required to submit a waste diversion plan by May 1, 2002, to the Commissioner of Works and Emergency Services, with the goal of meeting, as a minimum, the City’s waste diversion targets of 30 percent by 2003, 60 percent by 2006 and 100 percent by 2010, as a requirement for receiving solid waste management services from the Solid Waste Management Services Division;
- (7) the gross expenditure of the Solid Waste Management Services Division’s 2002 Operating Budget be increased by \$80,000 to cover the cost of producing bag tags and the hiring of three casual students to assist with waste audits and the implementation of the waste diversion plans; and

- (8) 2002 be used as a “base” year, and the estimated weight of waste stated in this report be substituted with the actual weight of waste managed in 2002 for calculating the total solid waste management fee expenditures for each Agency, Board, Commission and Department in the 2003 budget year.

**6. REQUEST FOR PROPOSALS No. 0401-01-0282 -
