56. Liquor Licence Application – 1644 Weston Road (Ward 11 – York South-Weston)

Report 7, Clause 40

The Etobicoke York Community Council recommends that City Council adopt the following motion by Councillor Nunziata:

WHEREAS 2076582 Ontario Inc. (“Corporation”) occupies the premises at 1644 Weston Road, Toronto, Ontario; and

WHEREAS the Councillor for the ward in which the premises are located has been advised that the Corporation proposes to operate a restaurant which will sell and serve food and alcoholic beverages in both indoor and outdoor areas; and

WHEREAS the Corporation has applied to the Alcohol and Gaming Commission of Ontario (“AGCO”) for a liquor sales licence to serve and sell alcohol in indoor and outdoor areas; and

WHEREAS the Corporation has applied to the City of Toronto, Municipal Licensing and Standards (“MLS”) for a business licence to serve and sell alcohol; and

WHEREAS the Toronto Police Service has advised the Ward Councillor of criminal activities and arrests emanating from this location and the surrounding area,

including during an inspection of the premises in August, 2005 when police officers noted evidence of the consumption of narcotics; and

WHEREAS the Toronto Police Service have also expressed concerns about generally high crime rate of the area which can be attributed to the sale and service of alcohol in the area businesses; and

WHEREAS the Toronto Police Service has advised the Ward Councillor that in addition to the above issues, that it has concerns that the proposed manager, Elvis Umeugo, does not have experience with the operating a licensed establishment, showed little concern for the apparent drug use on the premises and the additional stress that a licensed patio would place on the area which already has limited vehicular and pedestrian access; and

WHEREAS the Ward Councillor has received complaints from residents regarding the misconduct of patrons of other licensed establishments located close to 1644 Weston Road; and

WHEREAS the Ward Councillor has received several comments from residents opposing a licensed establishment at these premises at this time, including but not limited to, receiving a copy of a letter and nine page petition from the residents whose contact name is Shelly Mylko (a copy of which has been filed with the Clerk's office); and

WHEREAS City staff has advised that the zoning for the premises does not currently permit the size and nature of the restaurant operation as proposed, and would require a successful application to the Committee of Adjustment to permit, among other things, the capacity and indoor / outdoor areas as proposed, and such application would not be supported by the Councillor for the area; and

WHEREAS for all of the above reasons, the past and present conduct of patrons of nearby licensed establishments, plus the past and present conduct of the proposed management, affords reasonable grounds in a belief that a liquor licence at 1644 Weston Road, may result in the behaviour of a certain and significant number of patrons not being in accordance with the law, integrity or honesty, demonstrating that the operation of a licensed establishment at these premises (among other complaints), is not in the public interest, having regard to the needs and wishes of the municipality in which the premises is located;

NOW THEREFORE BE IT RESOLVED that City Council authorize the City Solicitor to advise the AGCO that it opposes any application for the expansion of the existing liquor license that allows the applicant to sell and serve alcohol, on any adjacent or related addresses, and provide a copy of the Council resolution;

AND BE IT FURTHER RESOLVED that the AGCO be requested to provide the City with an opportunity to participate in any proceedings involving these premises to oppose any expansion of the existing liquor license operations, and the City Solicitor and any necessary staff be authorized to participate and attend any proceedings involving 1644 Weston Road; and

AND BE IT FURTHER RESOLVED that City Council authorize the City Solicitor to advise MLS, that Council opposes any application for a business licence by the Corporation, for the purposes of operating a restaurant and/or place of amusement at these premises, in view of the above reasons and to provide a copy of the Council resolution to MLS and the Corporation.
