### **3. Request for Toronto Cycling Committee Members to Join Promotions Sub-committee (8:00 p.m. – 8:15 p.m.)**

**(Postponed from May 15, 2006 meeting.)**

Promotions Sub-committee minutes dated April 19, 2006 and providing the following recommendation for consideration:

- (i) Promotions Chair request for TCC members to join TCC Promotions Sub-committee. Chair will ask for commitments from TCC for new Promotions Sub-committee members at May meeting.

Currently Nancy Grieveson is the only TCC member on the Promotions Committee. Promotions and Communications are a vital part of the Toronto Bike Plan. The TCC needs to help develop and support this area of the Bike Plan. Promotions can increase the number of cyclists which in turn will increase demand for infrastructure in the political arena and will raise driver awareness of cyclists, therefore improving safety. Social marketing, the art of changing peoples' behavior for societal good, is challenging and rewarding as is developing strategies for selling cycling culture. Nancy Grieveson will be on maternity leave starting August, and will be unable to chair the Promotions Committee. Please volunteer to serve on this sub committee.

#### **3(a). Sign-up Sheet for Volunteers for Sub-committees**

To be circulated at meeting.
