29. OMB Direction Report – Rezoning Application – 05 128488 NNY 24 OZ – Daniels HR Corporation – Kirkor Architects & Planners – 603-615 Sheppard Avenue East & 9-17 Rean Drive & 6-10 Dervock Crescent (Ward 24 – Willowdale)

(Report 6, Clause 25)

The North York Community Council recommends that City Council:

- (1) authorize the City Solicitor to retain an outside planning consultant to potentially give evidence at the Ontario Municipal Board on behalf of the City in the event that this matter is not resolved at the City Council meeting on July 25, 26 and 27, 2006, such evidence to include heights and the distribution of density on the site; and
- (2) require the applicant to provide the purchaser of each residential unit in Buildings “A”, “C” and “D”, with a one year transit pass, in recognition of the reduced parking standard and proximity to the Sheppard Subway.

Action Taken by the Committee:

The North York Community Council requested that:

- (1) the Director of Urban Design prepare design options for the development which would:
 - (a) maintain the 3.0 Floor Space Index on the site; and
 - (b) more closely comply with the intent of the height and public realm provisions of the Southeast Bayview Node Context Plan and the Secondary Plan by:
 - (i) eliminating the 7th floor from Building “A” and redistributing that floor area to Building “D”;
 - (ii) reducing the height of Building “C” to 4 storeys and redistributing that floor area to Building “D” ;
 - (iii) providing a greater area of public realm along the eastern boundary of the site; and
 - (iv) altering the footprints of the buildings if necessary to accommodate the redistributed floor area and expanded area of public realm;

- (2) **City staff be directed to work with the applicant, local Councillor and resident representatives on a revised submission between the Community Council meeting on July 11, 2006 and the City Council meeting of July 25, 26 and 27, 2006, and failing a resolution of the matter by the July City Council meeting, the Director of Urban Design report on the design options to the September 13, 2006 meeting of North York Community Council, and the reports of the Director of Community Planning and the Executive Director of Technical Services referred to below, be brought forward to the same Community Council meeting;**
- (3) **if a revised submission is made by the July 2006 City Council meeting, the Director of Community Planning, North York District, report directly to the July 25, 26 and 27, 2006 City Council meeting on the revised proposal and the specific performance standards which would be incorporated into the zoning by-law to reflect the revised submission;**
- (4) **if a revised submission is made by the July 2006 City Council meeting, the Executive Director of Technical Services, report directly to the July 25, 26 and 27, 2006 City Council meeting on any resolution of its concerns with respect to the design of the southerly access driveway from Rean Drive;**
- (5) **the Director, Community Planning, North York District, meet with the developer prior to the July City Council meeting and report to City Council for its meeting on July 25, 26 and 27, 2006, on a Cash-in-Lieu affordable housing settlement in keeping with the anticipated Affordable Housing Policy and the permissions and variances required for the proposed development, if a resolution is reached; or to the North York Community Council for its meeting on September 13, 2006, if a resolution is not reached; and**
- (6) **the Director, Transportation Services, North York District, report directly to City Council for its meeting on July 25, 26 and 27, 2006 if a resolution is reached; or to the North York Community Council for its meeting on September 13, 2006 if a resolution is not reached, with recommendations on ways to restrict the flow of traffic from Rean Drive to Hawksbury Drive across Sheppard Avenue during the peak hours in the a.m. and p.m. to protect the stable residential community to the north from transient traffic;**

Report (June 27, 2006) from the Director, Community Planning, North York District, reporting on an appeal by the owner on an application to amend the Zoning By-law to permit four apartment buildings ranging in height from 3 to 10 storeys on the above-noted properties. As this matter has been appealed to the Ontario Municipal Board, this report recommends that the City Solicitor and appropriate staff attend the hearing in support of the position outlined in this report.

Recommendations:

It is recommended that the application be approved subject to the following:

- (1) That City staff be authorized to attend the Ontario Municipal Board Hearing in support of the proposed development pursuant to the recommendations below and authorize the City Solicitor and any other appropriate City staff to take such actions as necessary to give effect to the recommendations of this report.
- (2) Request that the Ontario Municipal Board to withhold its Order until the following matters are settled:
 - (i) that the proposal be amended to address the concerns of Technical Services regarding the design of the southerly access driveway from Rean Drive as outlined in their memorandum dated June 26, 2006;
 - (ii) that the Zoning By-law incorporate performance standards to reflect the revised submission including details such as parking standards, maximum building heights, maximum gross floor area, minimum building setbacks, maximum number of units, minimum unit sizes, provision of locker space, and appropriate Section 37 benefits;
 - (iii) the City Solicitor and City staff be authorized to continue discussions with the applicant concerning a revised proposal that addresses the concerns of Transportation Services regarding the design of the southerly access driveway from Rean Drive;
 - (iv) prior to the implementing Zoning By-law coming into full force and effect, the owner be required to:
 - (a) enter into an Agreement under Section 37 of the Planning Act for:
 - the exemption of indoor private recreational amenity area from the calculation of gross floor area to a maximum of 1,122.5m²; and
 - depositing a letter of credit or certified cheque in the amount of \$10,000.00 to the satisfaction of the Chief Financial Officer and Treasurer, for future traffic monitoring to be undertaken;
 - (b) enter into a Site Plan Control Agreement under Section 41 of the *Planning Act*; and
 - (c) satisfy the requirements of the Technical Services Division as outlined in their memorandum dated June 26, 2006.

29(a). Communication (June 29, 2006) from Perry So;

- 29(b).** Communication (undated) from Vishal Sharma; and

- 34. Request to Conduct Poll for the Speed Hump Plan, under the City of Toronto Traffic Calming Policy – Hillmount Avenue, from Dufferin Street to Capital Avenue (Ward 15 – Eglinton-Lawrence)**

(Report 6, Clause 29)

The North York Community Council recommends that City Council adopt the Resolution submitted by Councillor Moscoe, Ward 15 – Eglinton-Lawrence:

Resolution submitted by Councillor Moscoe, Ward 15 – Eglinton-Lawrence, for consideration by the North York Community Council:

“WHEREAS residents of Hillmount Avenue, from Dufferin Street to Capital Avenue, have expressed concern with regards to vehicle speeds on the roadway ; and

WHEREAS residents of Hillmount Avenue, from Dufferin Street to Capital Avenue, have expressed concern with regards to the volume of traffic on the roadway;

THEREFORE BE IT RESOLVED THAT the appropriate staff be authorized to conduct a poll of eligible residents of Hillmount Avenue, from Dufferin Street to Capital Avenue, for the speed hump plan, in accordance with the City of Toronto Traffic Calming Policy and public notice be given pursuant to the Municipal Class Environmental Assessment Act including Notice of Study Commencement to the Ministry of Environment, Fire Services, Emergency Services and Toronto Police Services; and

BE IT FURTHER RESOLVED THAT the appropriate staff convey the results of the survey to the respondents; and

BE IT FURTHER RESOLVED THAT the appropriate city officials be authorized and directed to take whatever action is necessary to implement the foregoing, including the introduction in Council of any Bills that are required.”

35. Ontario Municipal Board Hearing – Committee of Adjustment Application – 57 Roslin Avenue (Ward 25 – Don Valley West)

(Report 6, Clause 30)

The North York Community Council recommends that:

- (1) City Council receive the Resolution submitted by Councillor Jenkins; and**
- (2) in accordance with the Municipal Act, any discussions on the confidential report from the City Solicitor, regarding representation at the upcoming Ontario Municipal Board, be held in-camera, because the subject matter relates to litigation or potential litigation, including matters before administrative tribunals, affecting the municipality or local board.**

Action Taken by the Committee:

The North York Community Council requested the City Solicitor to submit a confidential report to City Council for its meeting on July 25, 26 and 27, 2006 regarding representation at the upcoming Ontario Municipal Board Hearing.

Resolution submitted by Councillor Jenkins, Ward 25 – Don Valley West, for consideration by the North York Community Council:

“WHEREAS on May 4, 2006 the Committee of Adjustment, North York Panel, heard a Minor Variance application to permit a GFA of 0.75 times lot area and a proposed at-grade garage as a parking space for a lot having a frontage of 7.6m; and

WHEREAS several local residents expressed their opposition to this application through letters and their presence at the committee meeting; and

WHEREAS by first obtaining a building permit for a house that complied with zoning to the maximum built-form, and subsequently requesting an increasing in GFA for third floor use, the applicant has deprived the neighbours of the opportunity to work out a compromise to permit third floor use; and

WHEREAS the Committee of Adjustment gave approval to a modified GFA of 0.67 times lot area and allowed the at-grade garage; and

WHEREAS the residents have appealed the Committee’s decision to the Ontario Municipal Board on the basis that the variances on the basis that the variances do not meet the four tests set out in the *Planning Act*:

- The variances do not maintain the general intent and purpose of the Official Plan:

The building is 3.5 storeys and is clearly incompatible with the neighbourhood and not in keeping with the existing physical character.
- The variances do not maintain the general intent and purpose of the Zoning By-law:

To ensure compatibility, height, depth, setback and density are intended to work together to define the maximum permissible standards, not just GFA on its own.
- The variances are not desirable for the appropriate development of the subject property:

The applicant has not demonstrated that the variances are desirable for the appropriate development or use of the lands.
- The variances are not minor:

The length of the building causes significant negative impact on the neighbours’ enjoyment of their homes.

THEREFORE BE IT RESOLVED that the City Solicitor and Planning staff, be requested to attend the Ontario Municipal Board hearing to oppose the Committee of Adjustment’s decision to modify the application for 57 Roslin Avenue (A0253/06NY), and in the event that Planning staff is unable to oppose the Committee of Adjustment decision, the City

Solicitor be authorized to retain outside planning consultants to defend the Committee of Adjustment decision.”

36. Request for Driveway Entrance Side Yard Variance – 58 Langholm Drive (Ward 9 – York Centre)

(Report 6, Clause 31)

The North York Community Council recommends that City Council adopt the staff recommendation in the Recommendation Section of the report (June 29, 2006) from the Director, Transportation Services, North York District.
