**Report 2, Clause 5**

**The Toronto and East York Community Council recommends that City Council:**

- (1) adopt the staff recommendations in the Recommendations Section of the report (January 23, 2006) from the Director, Community Planning, Toronto and East York District subject to adding the following additional Recommendation (1)(c)(11):**

**“(1)(c)(11) That the owner be requested to work with appropriate City staff, local residents and the Ward Councillor to consider eliminating on street parking on Sunnyside Avenue from Queensway to Pearson Avenue and, if eliminated, request the owner to provide up to 20 parking spaces within their parking facilities to residents on Sunnyside Avenue between Queensway and Parkdale Avenue, Marion Avenue and Pearson Avenue who would be eligible for permit parking with first priority being given to those residents with no on site parking. The owner would be able to charge, as a maximum, the same amount for parking in the aforesaid 20 spots that the residents would pay for on-street permit parking.”;**

- (2) request the owner to continue to consult with the residents in the surrounding communities and the Ward Councillor to resolve any issues:**

**(a) that may arise during the construction phase; and**

**(b) relating to traffic, noise or other hospital-related neighbourhood issues that may arise at any time;**

- (3) request the Director, Transportation Services, Toronto and East York District, in consultation with the Ward Councillor, the Toronto Transit Commission, local residents and the owner to enable left turns to be made by eastbound Queensway traffic to northbound Roncesvalles as soon as possible and report to the Toronto and East York Community Council no later than June, 2006;**

- (4) request the owner to consult with appropriate City staff, the Ward Councillor and the residents in the surrounding community to consider widening the driveway for service and delivery vehicles to provide appropriate turning radius for vehicles entering and leaving this driveway.**

Report (January 23, 2006) from the Director, Community Planning, Toronto and East York District.

Recommendations:

It is recommended that Council:

- (1) approve the proposed Site Plan application for the new Our Lady of Mercy Wing (OLM) at St. Joseph's Health Centre as indicated on Drawings Nos. A0-00, A0-01, A0-02, A0-03, A1-01 to A1-06, A1-08 to A1-14, prepared by B + H Architects, date stamped December 15, 2005 and Drawings Nos. L-1 to L-4, prepared by Quinn Design Associates Inc., date stamped as November 16, 2005 subject to the following conditions:

- (a) Revisions and additional information required to Site Plans, Studies and Drawings

The owner is required to revise the drawings submitted in support of the site plan application, and provide additional information, as follows, prior to the granting of site plan approval by the City under Section 41 of the Planning Act.

Additional comments and/or conditions may be made as a result of the review of the required plans or additional information.

#### Fire Services

Revise the drawings to:

- (1) Show on the plans the required fire access route(s) in accordance with the requirements of the Ontario Building Code, which requires among other things, the widening of the Sunnyside Avenue driveway inbound lane to 6 m with proper turning radii to allow sufficient clearance for fire trucks; and
    - (2) Show the sidewalk extending across the outbound driveway on Sunnyside Avenue.

- (b) (Preliminary) Notice of Approval Conditions

The following (preliminary) conditions are to be satisfied prior to the granting of site plan approval by the City under Section 41 of the Planning Act. Further conditions may be added as a result of the review of the required plans/or additional information requested above.

- (1) Submit an application to the Executive Director, Technical Services, prior to filing an application for a building permit, for revised municipal numbering, which must include a site plan showing the entrances to the buildings.

- (c) (Preliminary) Site Plan Agreement Conditions

The following conditions are to be included in the site plan agreement. Further conditions may be added as a result of the review of the required plans/or additional information requested above:

- (1) Pay all costs associated with the implementation of the outbound left-turn prohibitions at all of the existing and proposed Sunnyside Avenue vehicular access points, save and except the access point to the loading area, the payment for which must be made prior to the issuance of any construction or occupancy permits for any associated work within the public right-of-way;
- (2) Maintain the delineation of the patient drop-off area, located on the east side of the Our Lady of Mercy addition, with appropriate pavement markings and/or decorative pavers, and designate this area, by means of clearly visible signs, for “Patient Drop-off Activities Only”;
- (3) Maintain a heating system to prevent ice and snow build-up on any exposed portion of the Our Lady of Mercy underground parking garage ramp that has a slope exceeding 10%;
- (4) Install and maintain convex mirrors at all right-angled turns within the Our Lady of Mercy underground parking garage to be negotiated by 2-way traffic, such that motorists are provided with clear views of oncoming traffic;
- (5) Install and maintain:
  - (i) clearly visible “No Parking” signs adjacent to the loading area; and
  - (ii) appropriate “Do Not Enter” signage, adjacent to the outbound only Parkdale Road vehicular access ramp;
- (6) Construct the new 2-way entrance/exit to the existing above-grade parking facility coincident with the completion of the Our Lady of Mercy addition;
- (7) Implement the Transportation Demand Management (TDM) measures outlined in the documentation submitted by Poulos and Chung Limited, dated July 14, 2003;
- (8) Eliminate any existing vehicular access ramps on Sunnyside Avenue, Parkdale Road, Glendale Avenue, and The Queensway that are no longer required, and restore the curb and public boulevard to City of Toronto standards;

- (9) Provide and maintain private refuse collection services for this development with the exception of the co-mingled recycling materials that are collected by the City; and
  - (10) Integrate the disposal of all refuse generated by the proposed development with the existing hospital facilities.
- (d) Other City Approvals and Requirements

That the owner be advised of the following:

- (1) To contact Mr. Stephen Benjamin of Transportation Services Division at (416) 392-7773, at least 6 months prior to the occupancy of the OLM addition, for the implementation of the left-turn prohibitions at all of the existing and proposed Sunnyside Avenue vehicular access points, save and except the access point to the loading area;
  - (2) To obtain approval from the General Manager of Transportation Services and any necessary construction permits to carryout any works involving construction in, or occupancy of public rights-of-way, at which time payment must be made in connection with the implementation of the outbound left-turn prohibitions. For further information in this regard, contact Right of Way Management, Construction Activities, Toronto and East York District at (416) 392-7877, to discuss the application requirements;
  - (3) That the City collection of co-mingled recycling materials may be discontinued in future in which case these recyclable materials must be collected by a private collection firm; and
  - (4) To make an application to the Executive Director, Technical Services, for the installation of any proposed services within the public rights-of-way. For further information in this regard, the Owner should contact Toronto Water at (416) 392-7676.
