

**WORKS COMMITTEE
AGENDA
MEETING 3**

1. Co-ordinated Street Furniture Program – Design and Policy Guidelines and Directions Report (All Wards)
 - 1(a). Report (April 19, 2006) from the General Manager, Economic Development, Culture and Tourism advising of a request from the Ontario Ministry of Tourism to have an InfoTOgo information pillar placed outside the Ontario Travel Information Centre on Dundas Street West, at the Atrium on Bay.
 - 1(b). Communications received from the following with respect to the Toronto Co-ordinated Street Furniture Program:
2. Supplementary Information on the Eucan Recycling/Litter Bin Test
 - 2(a). Communications received from the following with respect to the Eucan Megabins:
3. Pedestrian Crossover Review
4. Request to Replace the Existing Pedestrian Crossover with Traffic Control Signals – Intersection of Greenwood Avenue and Felstead Avenue (Ward 30, Toronto-Danforth)
 - 4(a). Report (April 20, 2006) from the General Manager, Transportation Services responding to the request from Toronto and East York Community Council to report on the cost and design for traffic control signals to be installed to replace the pedestrian crossover at the intersection of Greenwood Avenue and Felstead Avenue; concluding that the prevailing road and traffic conditions indicate that the existing pedestrian crossover on Greenwood Avenue at Felstead Avenue is serving the pedestrian crossing demands safety, and that the technical requirements for the installation of traffic control signals are not satisfied.
5. Pedestrian Signals at Signalized Intersection – Numbered Countdown
6. Review of Policy Relating to Long-Term Parking Within the Scarborough District (All Scarborough District Wards 35-44)
