**3.2 Review of Policy Relating to Long-Term Parking
Within the Scarborough District
(All Scarborough District Wards 35-44)**

The Scarborough Community Council considered a communication (March 7, 2006) from the Works Committee advising that the Committee on March 7, 2006:

- (1) referred the report (February 17, 2006) from the General Manager, Transportation Services to the Scarborough Community Council for consideration, and with a request that appropriate Notice be given;
- (2) requested the General Manager, Transportation Services to review permit parking within the Toronto and East York Community Council District for under-subscribed streets in permit parking areas, in accordance with the three options outlined in the report, and report thereon to the Toronto and East York Community Council; and
- (3) requested the Scarborough and Toronto and East York Community Councils to report back to the Works Committee on the outcome of these issues.

The Scarborough Community Council considered a report (February 17, 2006) from the General Manager, Transportation Services, to Works Committee on current and past practices utilized in the Scarborough District relating to the provision of long-term (12 hour) parking.

Recommendations:

It is recommended that the Works Committee adopt one of the following options:

- (a) On-street permit parking be the only allowable form of long term/overnight parking to be considered for new requests in the Scarborough District and that the existing 12-hour parking areas in the Scarborough District be retained; or
- (b) The existing 18 streets within the Scarborough District should be converted to on-street permit parking and all future requests for long term/overnight parking be considered as on-street permit parking requests; or
- (c) The practice of allowing 12-hour parking (not on-street permit parking) should be allowed to continue on streets where it is currently permitted in the Scarborough District as well as for any future requests for long-term/overnight parking.
