The Scarborough Community Council considered a report (August 22, 2006) from the Director, Community Planning, Scarborough District, requesting a City Council planning position and direction for the City Solicitor in regard to an appeal of this application to the Ontario Municipal Board.

Recommendations:

It is recommended that City Council:

- (1) direct the City Solicitor to oppose the application in its current form at the Ontario Municipal Board; and
- (2) direct and authorize the City Solicitor, in consultation with appropriate City staff to:
 - (a) continue negotiations with the owner toward achieving a reduced development density more consistent with the form of development contemplated by the Scarborough Official Plan, Toronto Official Plan and the Infill Townhouse Guidelines;
 - (b) continue negotiations toward achieving the improvements to Moreau Trail Park proposed by the owner;
 - (c) support the position of the Toronto and Region Conservation Authority as submitted to the Ontario Municipal Board regarding the protection and enhancement of the 'open space' and 'buffer' blocks; and
 - (d) request that the Ontario Municipal Board withhold any Order approving redevelopment of this site until the City has had the opportunity to receive and fully assess complete applications for Site Plan Control approval and Plan of Subdivision or Condominium approval, supported by applications under the Ravine and Private Tree By-laws.

The following persons addressed the Scarborough Community Council:

- Tom Cundill, President, Warden Woods West Residents Association; and
- Cynthia MacDougall, McCarthy, Tetrault, on behalf of the applicant.

On motion by Councillor Barron, the Scarborough Community Council recommended that City Council adopt the staff recommendations in the Recommendations Section of the report (August 22, 2006) from the Director, Community Planning, Scarborough District, subject to:

The Scarborough Community Council considered a report (August 29, 2006) from the Director, Community Planning, Scarborough District, seeking Council’s direction for an upcoming Ontario Municipal Board (OMB) hearing on applications to amend the Toronto Official Plan, Scarborough Official Plan (Tapscott Employment District) and the Employment Districts Zoning By-law 24982 (Tapscott) to permit a commercial development of retail commercial and service uses.

Recommendations:

It is recommended that City Council:

- (1) request the applicant to submit a revised application for the site which incorporates, among other things, the revised location for the Walmart building, a gateway feature at the Markham Road and Steeles Avenue East corner, public art, and significant landscaping, the location of the gas station/car wash and includes appropriate contributions for community benefits pursuant to Section 37 of the Planning Act.

- (2) upon submission of a revised application as set out in recommendation (1) above to the satisfaction of the Director of Community Planning, Scarborough District, the City Solicitor and appropriate staff be directed to attend the Ontario Municipal Board hearing in support of the revised application and the comprehensive development of the site including the following:
- (a) modifications to the Toronto Official Plan, to remove the Site and Area Specific Policy 227 for a “significant multi-storey building presence” at the gateway location, or alternatively amendments to the former City of Scarborough Official Plan as may be necessary to enable the development of these lands for Special District Commercial purposes;
 - (b) amendments to either the Official Plan for the former City of Scarborough or the Toronto Official Plan, to allow for implementation of Section 37 policies;
 - (c) amendments to the Employment Districts Zoning By-law 24982 (Tapscott) to rezone the lands to Special District Commercial Zone (SDC). Such Zoning By-law would limit the gross floor area of the retail/office/services to 0.4 times the lot area; establish a minimum parking requirement of 4.5 spaces per 100 sq. m. of gross floor area and a maximum parking requirement of 5.0 spaces per 100 sq. m. of gross floor area for Special District Commercial uses; include a 20 metre setback from Steeles Avenue East and 10 metres from Markham Road for any parking spaces; permit 10 stacking spaces for mechanical or automatic car wash uses, require that open storage to be set back 20 metres from Markham Road; permit Vehicle Service Stations located more than 150 metres from the Markham Road and Steeles Avenue East corner; permit Vehicle Service Garage uses ancillary to a retail store; permit mechanical or automatic car wash uses; require a significant landscaped strip adjacent to Markham Road; the phasing of development, and any other matters which arise as a result of the detailed review of the revised application;
 - (d) amendments to the Zoning By-law respecting use of Section 37 provisions to secure community benefits such as a significant gateway feature and public art, and that such Section 37 benefits be secured in a Section 37 Agreement;
 - (e) provisions in the Zoning By-law to ensure orderly development with respect to the construction of services and transportation improvements prior to the development of the lands, which may include the use of a Holding (H) designation; and

- (3) request the applicant to submit a comprehensive Site Plan Application pursuant to Section 41 of the Planning Act, to the satisfaction of the Director of Community Planning, Scarborough District.

On motion by Councillor Ainslie, the Scarborough Community Council recommended that City Council adopt the staff recommendations in the Recommendations Section of the report (August 29, 2006) from the Director, Community Planning, Scarborough District.

The Scarborough Community Council considered a report (August 29, 2006) from the Director, Community Planning, Scarborough District, seeking Council's direction for an upcoming Ontario Municipal Board (OMB) hearing on applications to amend the Scarborough Official Plan (Tapscott Employment District) and the Employment Districts Zoning By-law 24982 (Tapscott) to permit a commercial and industrial plan of subdivision and associated site plan for approximately 63,510 m² (700,000 ft²) of retail commercial uses with 19,484 m² (209,735 ft²) proposed for prestige industrial uses.

Recommendations:

It is recommended that City Council:

- (1) request the applicant to submit a revised application consistent with the current concept plan for the proposed development, and a formal revision to the current applications to incorporate the properties at 5933, 5945 and 5951 Steeles Avenue East into the lands subject to the applications and the details of the proposed heritage restoration;
- (2) upon submission of a revised plan as set out in recommendation (1) above, to the satisfaction of the Director of Community Planning, Scarborough District, the City Solicitor and appropriate staff be directed to attend the Ontario Municipal Board hearing in support of the revised application and the comprehensive development of the site including the following:

Scarborough Community Council Minutes
Wednesday, September 13, 2006

- (a) amendments to the former City of Scarborough Official Plan as may be necessary to enable the development of these lands for Special District Commercial purposes;
- (b) amendments to either the Scarborough Official Plan or the Toronto Official Plan, to allow for the implementation of Section 37 policies;
- (c) amendments to the Employment Districts Zoning By-law 24982 (Tapscott), to rezone the lands from Agricultural Zone (A) to Special District Commercial Zone (SDC) and Industrial Zone (M). Such zoning by-law would restrict the use of Block 3 of the proposed draft plan of subdivision for industrial uses only; would limit the gross floor area of the retail/office uses to 0.4 times the area of the lot; and the industrial to 0.6 times the area of the lot; require individual industrial units to have a minimum gross floor area of 929 sq. m. (10,000 sq. ft.); establish a minimum parking standard of 4.7 spaces per 100 sq. m. of gross floor area and a maximum parking standard of 5.0 spaces per 100 sq. m. of gross floor area for the Special District Commercial uses; maintain the minimum 1.07 parking spaces per 100 sq. m. for industrial uses within the Industrial zone; include a 20 metre setback from Steeles Avenue for any parking spaces; prohibit Places of Worship; permit Community Facility uses; the phasing of development, and any other matters which arise as a result of the detailed review of the revised application;
- (d) amendments to the Zoning By-law respecting use of Section 37 provisions to secure the following:
 - (i) the relocation, restoration and reuse of the designated heritage buildings located at 5933 Steeles Avenue East and 5951 Steeles Avenue East;
 - (ii) a financial contribution to the City of Toronto for public art of \$250,000.00 prior to the issuance of the first building permit; and
 - (iii) the permanent use of 464.5 m² (5,000 ft²) of floor space within the proposed development for community uses;and that such Section 37 benefits be secured in a Section 37 Agreement;
and
- (e) provisions in the Zoning By-law to ensure orderly development with respect to the construction of services and transportation improvements prior to the development of the lands, which may include the use of a Holding (H) designation;

- (3) direct staff to continue to finalize the conditions of subdivision approval to the satisfaction of the Director of Community Planning, Scarborough District; and
- (4) direct staff to continue to finalize details of the site plan approval for Phase 1 of the proposal, based on the receipt of a revised site plan which includes a high level of design to create a strong urban edge, extensive landscaping, tree replacement and/or retention and pedestrian amenities among other matters to the satisfaction of the Director of Community Planning, Scarborough District.

On motion by Councillor Ainslie, the Scarborough Community Council recommended that City Council adopt the staff recommendations in the Recommendations Section of the report (August 29, 2006) from the Director, Community Planning, Scarborough District.
