**Confirmation of Minutes – February 7, 2007**

**Communications/Reports:**

1.    **Request for Proposal (RFP) 9117-06-7275 – Professional Engineering Services for Rehabilitation of Dundas Street Bridge over the Humber River (Wards 4, 5 and 13)**

Action taken by the Committee:

**The Bid Committee adopted the staff recommendation in the Recommendation Section of the report (February 1, 2007) from the Executive Director, Technical Services and the Director, Purchasing and Materials Management.**

Report (February 1, 2007) from the Executive Director, Technical Services and the Director, Purchasing and Materials Management, advising on the results of Request for Proposal (RFP) 9117-06-7275 for the provision of contracted professional services related to the rehabilitation of the Dundas Street Bridge over the Humber River in the Etobicoke-York District, and requesting authority to enter into agreements with the recommended proponent.

Recommendations:

The Executive Director of Technical Services and the Director of Purchasing & Materials Management recommend that:

Authority be granted to award a contract to UMA Engineering Limited, being the highest ranked proposal received and having met all the requirements of the RFP, to provide engineering services for preliminary design, detailed design, construction contract administration and post construction services to rehabilitate the Dundas Street Bridge over the Humber River, subject to the agreement containing clauses satisfactory to the Executive Director, Technical Services, and the City Solicitor, at a cost of \$662,580.96 (net of GST) including all disbursements and contingencies as follows:

- (a) for the design phase engineering services consisting of the investigation, preliminary design, detailed design and preparation of tender documents, in an amount not to exceed \$128,808.22 (net of GST) including disbursements, plus a contingency allowance of \$12,880.82 (net of GST), for additional services, if necessary and authorized by the Executive Director of Technical Services;
  - (b) for the construction phase engineering services consisting of construction administration, project management and resident site inspection in an amount not to exceed \$450,340.80 (net of GST) including disbursements, plus a contingency allowance of \$67,551.12 (net of GST), for additional services, if necessary and authorized by the Executive Director of Technical Services; and
  - (c) for post construction services, covering warranty inspection and reporting during the two years of the guaranteed maintenance period in an amount not to exceed \$3,000.00 (net of GST) including disbursements.
2. **Contract 06NY-08RD, Tender Call 201-2006 - Road Reconstruction, Watermain Replacement and Road Resurfacing on Sheppard Avenue West (Ward 9 – York Centre)**

Action taken by the Committee:

**The Bid Committee adopted the staff recommendation in the Recommendation Section of the report (January 29, 2007) from the Executive Director, Technical Services and the Director, Purchasing and Materials Management.**

Report (January 29, 2007) from the Executive Director, Technical Services and the Director of Purchasing and Materials Management, advising on the results of the Tender Call issued for Road Resurfacing on Sheppard Avenue West from Keele Street to Jane Street and Replacement Watermain and Road Reconstruction on Sheppard Avenue West from Seeley Drive to Downsview Dell Park Driveway, in North York District, in accordance with specifications as required by Technical Services and requesting authority to award a contract to the recommended bidder.

Recommendation:

The Director of Purchasing and Materials Management and the Executive Director of Technical Services recommend that authority be granted to award the contract for Tender Call 201-2006, for Road Resurfacing on Sheppard Avenue West from Keele Street to Jane Street and Replacement Watermain and Road Reconstruction on Sheppard Avenue West from Seeley Drive to Downsview Dell Park Driveway, to Lafarge Paving & Construction Limited, in the amount of \$3,313,272.25 net of GST, having submitted the lowest bid.

**3. Request for Proposal (RFP) 9117-07-7032 - Professional Engineering Services for Highland Creek Treatment Plant Effluent Water Upgrade (Ward 44 – Scarborough East)**

Action taken by the Committee:

**The Bid Committee adopted the staff recommendation in the Recommendation Section of the report (February 8, 2007) from the General Manager, Toronto Water and the Director, Purchasing and Materials Management.**

Report (February 8, 2007) from the General Manager, Toronto Water and the Director, Purchasing and Materials Management, advising on the results of Request for Proposal (RFP) 9117-07-7032 for the provision of contracted professional services related to Highland Creek Treatment Plant Effluent Water Upgrade in the Scarborough East District, and requesting authority to enter into agreements with the recommended proponent.

Recommendations:

The General Manager of Toronto Water and the Director of Purchasing & Materials Management recommend that:

Authority be granted to enter into agreements with Associated Engineering (Ont.) Ltd., being the highest ranked proposal received and having met all the requirements of the RFP, to provide engineering services for preliminary design, detailed design, construction contract administration and post construction services related to Highland Creek Treatment Plant Effluent Water Upgrade, subject to the agreement containing clauses satisfactory to the General Manager, Toronto Water, and the City Solicitor, at a cost of \$531,426.00 (net of GST) including all disbursements and contingencies as follows:

- (a) for the design phase engineering services consisting of the investigation, preliminary design, detailed design and preparation of tender documents in an amount not to exceed \$225,357.00 (net of GST) including disbursements;

- (b) for the construction phase engineering services consisting of construction administration, project management and resident site inspection in an amount not to exceed \$180,684.00 (net of GST) including disbursements; and
- (c) for post construction services, covering warranty inspection and reporting during the two years of the guaranteed maintenance period in an amount not to exceed \$5,385.00 (net of GST) including disbursements; and
- (d) Contingency allowance of \$120,000.00 (net of GST), for additional services, if necessary and authorized by the General Manager of Toronto Water.
