Presentation by Mitch Stambler, Manager – Service Planning Department, Toronto Transit Commission, on the Transit City Plan, including the schedule of projects and environmental assessments.

4. Transportation Services – Staff Update

(a) WalkingWebsite

Presentation by Pauline Craig, City Planning.
(Deferred from March 18, 2008 meeting)

5. Working Groups

(a) Urban Design and Pedestrian Environment Working Group

Stephanie Tencer, new Chair, submitting a verbal update.

6. Toronto Pedestrian Committee’s Response to City of Toronto Pedestrian Collision Study

Communication (April 1, 2008) from Dylan Reid, Co-Chair, submitting, on behalf of the Pedestrian Collision Study Working Group, a response to the City of Toronto Pedestrian Collision Study and recommending that:

The Toronto Pedestrian Committee

1. endorse the attached report of the Pedestrian Collision Study working group and submit it to the Public Works and Infrastructure Committee.
2. recommend to the Public Works and Infrastructure Committee that the following recommendations contained in the report from the Pedestrian Collision Study working group be adopted:
 - a. that the City investigate the potential for programs that may address specific findings in the study, as proposed in the attached report;
 - b. that the City once again fund targeted pedestrian safety publicity campaigns, which will focus on problems identified in the Pedestrian Collisions Study itself and by deeper analysis of the statistics in the study;
 - c. that the City find ways to pursue further analysis of certain aspects of the statistics that may point to important insights into pedestrian collisions, as detailed in the attached report; and
 - d. that the Toronto Pedestrian Committee’s response be associated with the Pedestrian Collision Report for future reference.

7. Collision Summary Leaflets

Transportation Services, Traffic Management Centre, Traffic Safety Unit, submitting the following:

- (a) Leaflet providing an analysis of pedestrian collisions from January 1 to September 30, 2007.
- (b) Leaflets providing an analysis of persons injured in collisions and fatal collisions from January 1 to December 31, 2007.
- (c) Leaflets providing an analysis of persons injured in collisions and fatal collisions to February 29, 2008.
