Speakers/Presentations - A complete list will be distributed at the meeting

#### **Communications/Reports:**

#### **1.** Jarvis Street Streetscape Improvement Environmental Assessment Study

Penelope Palmer, Senior Engineer, Infrastructure Planning, Transportation Services Division will make a presentation on the Environmental Assessment Study.

#### 2. Response to Design Guidelines for 'Greening' Surface Parking Lots

Communication (June 1, 2008) from Stephanie Tencer, submitting on behalf of the Urban Design and Pedestrian Environment Working Group a response to Design Guidelines for 'Greening' Surface Parking Lots.

#### Summary of Recommendations from the Working Group:

That City Council be requested to:

- a. adopt the recommended changes to the Design Guidelines for Greening Surface Parking Lots document, as outlined in this report;
- b. endorse the Design Guidelines for Greening Surface Parking Lots document.

c. seek out ways to actively encourage the implementation of the Design Guidelines for Greening Surface Parking Lots document.

#### 2a Motion for consideration by the Toronto Pedestrian Committee

Communication (June 1, 2008) from Dylan Reid, Co-Chair, Toronto Pedestrian Committee submitting the following motion for consideration by the Toronto Pedestrian Committee:

In order to encourage the retrofitting of existing surface parking lots to the new "Green" standards, which would greatly enhance pedestrian safety and the walking environment, the Toronto Pedestrian Committee recommends to the Planning and Growth Management Committee that the City of Toronto investigate the feasibility of using fiscal mechanisms, such as property tax rebates, to encourage property owners to retrofit existing surface parking lots to the standards specified in the "Design Guidelines for 'Greening' Surface Parking Lots."

### 3. Roncesvalles Avenue – Streetscape Improvements – Class Environmental Assessment Study – Schedule 'B' Notice of Study Commencement.

Communication (May 16, 2008 from John P. Kelly, Manager, Infrastructure Planning, advising that the City of Toronto has initiated a Class Environmental Assessment Study to examine potential streetscape improvements on Roncesvalles Avenue between Queen Street West and Dundas Street West, and providing information on how to provide comments and remain informed on the progress of the study.

### 4. Don Valley Parkway Stormwater Management Project – Municipal Class Environmental Assessment – Notice of Commencement and Public Open House.

Leaflet advising that the City has initiated a Municipal Class Environmental Assessment Study for proposed stormwater management measures along the Don Valley Parkway, and advising that an opportunity exists for input at key stages of the study, and an open house will be held on Thursday, June 17, 2008.

#### FOR INFORMATION:

### 5. Public Works and Infrastructure Committee Item 14.9 – Increased Penalties for Red-Light Running Offences.

Communication (May 2, 2008) from the City Clerk, forwarding, for information, the action taken by City Council on April 28 and 29, 2008.

## 6. Collision Summary Leaflets

**6a** Fatal Collision Summary Leaflet January 1 to December 31, 2007, from Transportation Services, Traffic Management Centre, Traffic Safety Unit.
