Whereas under sections 7 and 8 of the Act and the specific power in section 141, the City may establish city boards for those purposes; and

Whereas the City of Toronto Municipal Code Chapter 19, Business Improvement Areas ("Chapter 19") sets out the procedures for the adoption by Council of a designating by-law and the establishment and operation of a business improvement area board of management; and

Whereas subsections 19-5H and I of Chapter 19 provide that Council shall not pass a by-law to establish a new business improvement area if, within 60 days after the date the notice is mailed, the number of ballots received by the Clerk fails to exceed the lesser of a minimum of 30% of the number mailed, or 100 ballots, or if 50% or more of the ballots accepted by the Clerk respond in the negative; and
