Whereas in anticipation of the transfer of all benefit liabilities and corresponding assets from that Pension Plan to the OMERS Primary Pension Plan, it is desired to amend the by-law to add the Ontario Municipal Employees Retirement System (OMERS) Plan provision for annual unconditional Consumer Price Index-linked inflation adjustments, and to authorize the transfer of assets from the Toronto Civic Employees' Pension Plan to the OMERS Plan;

The Council of the City of Toronto enacts:

1. Schedule A attached to By-law 100-2018 is amended by:

 - (b) as of July 31, 2019 (the "Effective Date"), see to the transfer (the "Transfer") from the Fund to the OMERS Plan on such date as the City specifies to the Committee in writing (the "Closing Date") of such amount, not in excess of the amount of the wind-up liabilities of the Plan determined as of the Effective Date, as has been calculated to the satisfaction of the City and OAC as being correct for the purposes of the Transfer, including any adjustments calculated as of the Closing Date, all as confirmed to the Committee by the City in writing;
- (2) If there is on the day immediately preceding the Closing Date a shortage in the assets of the Fund with respect to the Transfer amount, the City shall pay into the Fund on that day an amount equal to such shortage.
