

Authority: North York Community Council Item NY34.4,
as adopted by City of Toronto Council on July 19 and 20,
2022

CITY OF TORONTO

Bill 860

BY-LAW -2022

To amend the former City of North York Zoning By-law No. 7625, as amended, with respect with lands municipally known in the year 2021 as 71 Talara Drive.

Whereas authority is given to Council by Section 34 of the Planning Act, R.S.O. 1990, c. P.13, as amended, to pass this By-law; and

Whereas Council of the City of Toronto has provided adequate information to the public and has held at least one public meeting in accordance with the Planning Act; and

Whereas authority is given to Council by Section 34 and Section 36 of the Planning Act, R.S.O. 1990, c.P. 13, as amended, to impose the holding symbol (H) and to remove the holding symbol (H) when Council is satisfied that the conditions relating to the holding symbol have been satisfied; and

Whereas the Official Plan for the City of Toronto contains provisions relating to the use of Holding (H) symbol with conditions in the zoning by-law; and

Whereas pursuant to Section 39 of the Planning Act, as amended, the council of a municipality may, in a by-law passed under Section 34 of the Planning Act, authorize the temporary use of land, buildings or structures for any purpose set out therein that is otherwise prohibited in the by-law; and

Whereas the Official Plan for the City of Toronto contains provisions relating to the authorization of increases in height and density of development; and

Whereas pursuant to Section 37 of the Planning Act, as it read on the day before section 1 of Schedule 17 to the COVID-19 Economic Recovery Act, 2020, S.O. 2020., c. 18 (“COVID-19 Economic Recovery Act, 2020”) came into force, a by-law under Section 34 of the Planning Act, may authorize increases in the height and density of development beyond those otherwise permitted by the by-law and that will be permitted in return for the provision of such facilities, services or matters as are set out in the by-law; and

Whereas subsection 37(3) of the Planning Act, as it read on the day before section 1 of Schedule 17 to the COVID-19 Economic Recovery Act, 2020 came into force, provides that where an owner of land elects to provide facilities, services and matters in return for an increase in the height or density of development, the municipality may require the owner to enter into one or more agreements with the municipality dealing with the facilities, services and matters; and

Where Schedule A of this By-law requires the owner to provide certain facilities, services or matters and to enter into an agreement prior to the issuance of a building permit, the issuance of such permit shall be dependent on satisfaction of same; and

Whereas the owner of the aforesaid lands has elected to provide the facilities, services and matters hereinafter set out; and

Whereas the increase in height and density permitted beyond that otherwise permitted on the aforesaid lands by By-law No. 7625 as amended, is permitted in return for the provision of the facilities, services and matters set out in this By-law which is secured by one or more agreements between the owner of the land and the City of Toronto;

The Council of the City of Toronto enacts:

1. Schedules “B” and “C” of By-law No. 7625 of the former City of North York are hereby amended in accordance with Schedule 1 attached to this By-law.
2. Section 64.19 of By-law No. 7625 of the former City of North York is amended by adding the following subsection:

HOLDING SYMBOL

- (s) The lands identified on Schedule RM4 (35) shall be subject to an (H) Holding Symbol, and shall not be used for any purpose other than those uses and buildings that currently exist on the site, until such time as the (H) Holding Symbol has been removed subject to the following conditions:
 - i. The City has reviewed and accepted a Site Servicing Review (comprised of Functional Servicing Report, Stormwater Management Report and

Hydrogeological Report) demonstrating that the City requirements can be met and sufficient capacity exists to accommodate the existing and proposed development, all to the satisfaction of the Chief Engineer and Executive Director, Engineering and Construction Services. Should the Site Servicing Review identify upgrades and/or new services are required, those upgrades and/or services will be secured by appropriate agreements, and constructed prior to the issuance of any building permits for any development on the lands, satisfactory to the Chief Engineer and Executive Director, Engineering and Construction Services.

- ii. The municipal sanitary sewer upgrades (being the upgrade of the last three 300mmø sanitary sewer legs upstream of the sanitary trunk sewer to 675mmø, located at the north west corner of Sheppard Avenue East and Leslie Street intersection), which works are being undertaken by the City of Toronto, Design & Construction, Major Infrastructure Unit, Don & Central Waterfront Projects in the Engineering & Construction Services Division (Project #SAP2020-GL-EASTDON-001), are fully constructed and operational to the satisfaction of the Chief Engineer of Engineering and Construction Services and the General Manager, Toronto Water.
3. Section 64.19 of By-law No. 7625 of the former City of North York is amended by adding Schedule RM4 (35) attached to this By-law.
4. None of the provisions of By-law No. 7625 of the former City of North York shall apply to prevent the erection and use of a temporary sales or leasing office on the lot for a period of not more than 3 years from the date this By-law comes into full force and effect.
5. Despite any future severance, partition or division of the lot as shown on Schedule 1, the provisions of this By-law shall apply as if no severance, partition or division occurred.
6. Pursuant to Section 37 of the Planning Act, and subject to compliance with this exception, the increase in height and density of the development beyond that otherwise permitted on the Lands shown on Schedule RM4(35) in return for the provision by the owner, at the owner's expense, of the facilities, services and matters set out in Schedule A and which are secured by one or more agreements pursuant to Section 37(3) of the Planning Act, that are in a form and registered on title to the Lands, to the satisfaction of the City Solicitor.
7. Where Schedule A requires the owner to provide certain facilities, services or matters prior to the issuance of a building permit, the issuance of such permit shall be dependent on satisfaction of the same.
8. The owner shall not use, or permit the use of, a building or structure erected with an increase in height and density pursuant to this exception unless all provisions of Schedule A are satisfied.
