

Authority: Notice of Motion J(12) moved by Councillor Duguid, Seconded by Councillor Ootes,
as adopted by City of Toronto Council on September 28 and 29, 1999

Enacted by Council: September 29, 1999

CITY OF TORONTO

BY-LAW No. 648-1999

To authorize the issue of an instalment debenture in the amount of \$95,722.00 for the purpose of City of Toronto.

WHEREAS City of Toronto Act, 1997 (No. 2) (the "Act") provides that City of Toronto may borrow money and issue debentures for its purposes in accordance with the provisions of the Act and Part X of the Municipal Act; and

WHEREAS the Municipal Act provides that a municipality may borrow money or incur a debt for municipal purposes and may issue debentures for the money borrowed or for the debt, subject to the limitation in that or any other Act, without the approval of the Ontario Municipal Board ("the OMB") under section 65 of the Ontario Municipal Board Act if the municipality does not thereby exceed its updated debt and financial obligation limit; and

WHEREAS effective January 1, 1999 City of Toronto received from the Ministry of Municipal Affairs and Housing its annual debt and financial obligation limit and the Treasurer of City of Toronto updated such limit in accordance with the applicable regulation prior to the authorization of the purpose described in Column 1 of Schedule "A" which was authorized after January 1, 1999. Such Treasurer determined that the estimated annual amount payable in respect of such purpose did not cause City of Toronto to exceed its updated limit with the result that the Council of City of Toronto, in accordance with the applicable legislation, authorized such purpose, without the approval of the OMB under section 65 of the Ontario Municipal Board Act; and

WHEREAS City of Toronto has complied with all of the provisions of the aforesaid Acts relating to the borrowing of money for the purpose described in Column 1 of Schedule "A", and the issue of a debenture to provide the amount set out in Column 2 of Schedule "A"; and

WHEREAS it is deemed necessary to issue a debenture on the credit of City of Toronto in the principal amount of \$95,722.00 in order to provide the amount set out in Column 2 of Schedule "A" after providing for the discount, if any, and expenses incidental to the negotiation and sale of the debenture, such debenture to be payable within the term of years set out in Column 3 of Schedule "A" which term of years does not exceed the lifetime of the purpose described in Column 1 of Schedule "A"; and
