

Authority: Works Committee Report No. 4, Clause No. 1, adopted as amended, by City of Toronto Council on April 23, 24, 25, 26, 27, 30 and May 1 and 2, 2001
Enacted by Council: April 27, 2001

CITY OF TORONTO

BY-LAW No. 235-2001

**To adopt a new City of Toronto Municipal Code Chapter 844,
Waste Collection, Residential Properties.**

WHEREAS section 208.2 of the *Municipal Act* authorizes a municipality to pass by-laws to establish, maintain and operate a waste management system; and

WHEREAS section 208.6 of the *Municipal Act* authorizes a municipality to pass by-laws to prohibit or regulate the use of any part of a waste management system; and

WHEREAS the handling and collection of Garbage and other Waste from Residential Properties within the City of Toronto has, to date, been regulated by by-laws enacted by the councils of the former municipalities known as the Corporation of the City of Toronto, the Corporation of the City of North York, the Corporation of the City of Etobicoke, the Corporation of the City of York, the Corporation of the City of Scarborough and the Borough of East York; and

WHEREAS it is desirable to consolidate and harmonize the waste collection by-laws of the former municipalities with respect to residential properties;

The Council of the City of Toronto HEREBY ENACTS as follows:

1. The City of Toronto Municipal Code is amended by adding the following as Chapter 844, Waste Collection, Residential Properties:

Chapter 844

§ 844-2. Interpretation.

- A. The necessary grammatical changes required to make the provisions hereof apply to corporations, partnerships, trusts, and individuals, male or female, and to include the singular or plural meaning where the context so requires, shall in all cases be assumed as though fully expressed.
- B. The insertion of headings and the division of this chapter into sections and subsections are for convenience of reference only and shall not affect the interpretation thereof.

ARTICLE II
Collection Services

§ 844-3. Eligibility for services.

- A. Subject to the terms and conditions contained in this chapter and any directives issued by City Council from time to time, the City shall collect garbage, recyclable materials, yard waste and items eligible for special collection services from residential properties.
- B. No owner shall be eligible to receive services unless the owner complies with all relevant requirements contained in this chapter and in the City publication entitled “Requirements for garbage and recycling collection services at Developments and Redevelopments” as same may be amended from time to time.

- C. Every owner of a multiple household residence shall ensure that specific recycling instructions for residents are posted in locations at the multiple household residence as designated by the Commissioner.
- D. The Commissioner may determine that owners who do not participate fully in the City's collection of recyclable materials or who sell or otherwise transfer recyclable materials to persons other than the City are not eligible to receive any services.

§ 844-4. Frequency of garbage collection services.

- A. The City shall collect garbage no more than once per week from household residences and multiple household residences who receive curbside collection.
- B. Despite subsection A, City Council may direct the Commissioner to provide garbage collection services twice per week to household residences and multiple household residences who receive curbside collection subject to such terms and conditions as City Council deems appropriate.
- C. The City shall collect garbage no more than twice per week from multiple household residences who receive mechanical collection.

§ 844-5. Frequency of recycling collection services.

- A. The City shall collect recyclable materials once every two weeks from household residences and multiple household residences that receive curbside collection of garbage.
- B. The City shall collect recyclable materials no more than once per week from multiple household residences that receive mechanical collection.

§ 844-6. Frequency of yard waste collection services.

- A. The City shall collect yard waste from household residences and multiple household residences approved by the Commissioner during the months of April, May, June, July, August, September, October and November on days specified by the Commissioner.
- B. Despite subsection A, if, in the opinion of the Commissioner, a multiple household residence has a suitable location for on-site composting or if a private contractor is employed for the purposes of lawn and garden maintenance at the multiple household residence, the Commissioner may elect not to provide yard waste collection services to the multiple household residence.

§ 844-7. Special collection services.

- A. The City shall provide special collection services to an owner with respect to the items referred to in Schedule A of this chapter provided that:
 - (1) The owner contacts the department prior to setting out the item requiring special collection services; and

- (2) The owner complies with all directions of the department with respect to the preparation of the affected item for setting out and collection.
- B. An owner shall ensure that the doors are removed from any appliance eligible to be collected under this section before setting out the appliance for collection.
- C. Special collection services shall be provided by the City on a “first requested, first served” basis.
- D. The Commissioner may refuse or limit the amount of special collection services provided to an owner.

§ 844-8. Collection of prohibited waste.

- A. The City shall not collect prohibited waste.
- B. No owner shall set out prohibited waste for collection by the City, either on its own or mixed with any waste with respect to which the City provides services.

§ 844-9. Collection limits.

- A. No owner who receives curbside collection shall set out for collection any combination of garbage containers and/or bulky items which exceeds six in number.
- B. There shall be no limit on the amount of recyclable materials or yard waste, which may be set out by an owner of a household residence provided that the owner of the household residence complies with all relevant provisions of this chapter.

ARTICLE III

Requirements for regulation containers

§ 844-10. Garbage containers.

- A. Owners of household residences and multiple household residences who receive curbside collection shall use a container described below for setting out garbage:
 - (1) A rigid container, in good working order with
 - (a) A capacity greater than 30 litres and less than 125 litres;
 - (b) An external height no greater than 95 centimetres;
 - (c) An internal width or diameter no greater than 60 centimetres;
 - (d) A lid which may be easily and completely removed to facilitate collection;

- (e) Any device used to tie down the lid must be completely removed prior to collection; and
 - (f) Handles set above the midpoint of the container; or
 - (2) A plastic bag measuring approximately 66 centimetres by 90 centimetres and capable of supporting 20 kilograms when lifted.
- B. Owners of multiple household residences who receive mechanical collection shall use a container described below for setting out garbage:
- (1) A properly covered watertight metal container, in sound and good working order, with a capacity greater than of 1.76 cubic metres and less than 4.6 cubic metres which has a maximum weight of 1500 kilograms when full and is compatible with the equipment used by the City for the provision of garbage collection services; or
 - (2) Any other container, in good working order designated by the Commissioner as acceptable for setting out garbage.

§ 844-11. Recycling containers.

- A. Unless otherwise required under this Chapter, owners of household residences and multiple household residences who receive curbside collection shall use a container described below for setting out recyclable materials:
- (1) A blue box or grey box which is provided by the City or which meets the requirements of the City; or
 - (2) Such other container provided by the City or designated by the Commissioner as acceptable for setting out recyclable materials.
- B. Owners of multiple household residences who receive mechanical collection shall use a container described below for setting out recyclable materials:
- (1) A 340 litre plastic bin equipped with wheels which is compatible with the equipment used by the City for the provision of recycling collection services;
 - (2) A fully covered, water-tight metal container with a capacity greater than 2.3 cubic metres and less than 4.6 cubic metres which is compatible with the equipment used by the City for the provision of recycling collection services; or
 - (3) Such other container, in good working order, provided by the City or designated by the Commissioner as acceptable for setting out recyclable materials

§ 844-12. Yard Waste Containers.

- A. Unless otherwise required under this chapter, owners of household residences and multiple household residences approved by the Commissioner shall use a container described below for setting out yard waste:

- (1) A rigid open container in good working order with:
 - (a) A capacity of not less than 20 litres nor more than 125 litres;
 - (b) An external height no greater than 95 centimetres;
 - (c) An internal width or diameter no greater than 60 centimetres;
 - (d) Capable of supporting 20 kilograms when lifted; and
 - (e) Handles set above the midpoint of the container; or
 - (2) A kraft paper bag constructed of wet strength kraft paper specifically designed for leaf and yardwaste material and:
 - (a) With a height no greater than 90 centimetres and no less than 85 centimetres;
 - (b) With a width of no greater than 41 centimetres and no less than 37 centimetres;
 - (c) A depth of no greater than 31 centimetres and no less than 27 centimetres;
 - (d) Have the capability to be securely closed when filled; and
 - (e) Be capable of supporting 20 kilograms when lifted; or
 - (3) A clear plastic bag capable of supporting 20 kilograms when lifted.
- B. Despite subsection A(3), after March 1, 2001, no person shall set out yard waste in a clear plastic bag.

§ 844-13. Multiple household residences.

Owners of multiple household residences shall provide, for the use by residents, sufficient separate regulation containers for garbage, recyclable materials and yard waste, if the multiple household residence receives yard waste collection services.

Article IV
Setting out garbage and recyclable materials

§ 844-14. General Requirements.

- A. No owner shall set out garbage, recyclable materials or yard waste for collection unless the garbage, recyclable materials or yard waste is:

- (1) Generated on the public or private portion of the property abutting the approved collection point;
 - (2) Placed as close as possible to the edge of the roadway without obstructing the roadway or sidewalk;
 - (3) Free from contamination; and
 - (4) In appropriate regulation containers which are clean, well maintained, in good working order and filled to a height no greater than their sides.
- B. Subject to subsection C, no owner shall set out, nor shall the City be obliged to collect, any item, other than a bulky item, which weighs in excess of 20 kg, whether such item be a bundle, in a regulation container or loose.
- C. Subsection B does not apply to a regulation container described in §§ 844-10(B) and 844-11(B).
- D. Owners shall ensure that the space on a sidewalk or street occupied by garbage, recyclable materials or yard waste set out for collection does not exceed the frontage of the property.

§ 844-15. Times for setting out garbage and recyclable materials.

- A. An owner who receives services during a daytime collection period shall ensure that:
- (1) Garbage, recyclable materials and yard waste are set out at the collection point no earlier than 8:00 p.m. on the day before collection and no later than 7:00 a.m. on the day of collection; and
 - (2) Empty regulation containers and uncollected garbage, recyclable materials and yard waste are removed from the collection point no later than 10:00 p.m. on the day of collection.
- B. An owner who receives services during a nighttime collection period shall ensure that:
- (1) Garbage, recyclable materials and yard waste are set out at the collection point no earlier than 8:00 p.m., and no later than 11:00 p.m. on the first day of the Nighttime collection period; and
 - (2) Empty regulation containers and uncollected garbage, recyclable materials and yard waste are removed from the collection point no later than 10:00 a.m. on the second day of the nighttime collection period.
- C. During the period November 1 to April 31, any reference in subsections A(1) and B(1) to “8:00 p.m.” shall be deemed to be a reference to “6:00 p.m.”.

- D. At any time other than a time described in subsections A and B, owners shall ensure that garbage, recyclable materials and yard waster are stored on their premises and contained in a manner that protects same from rodents, vermin, pests and other disturbances.
- E. Every owner shall make his or her best efforts to set out garbage, recyclable materials and yard waste on each day that the City provides garbage collection services, recycling collection services and yard waste collection services, as the case may be, and in no case shall an owner fail to set out an item eligible for collection under in this chapter for more than one collection period.

§ 844-16. Preparation of recyclable materials for collection

- A. Owners of household residences and multiple household residences who receive curbside collection of recyclable materials shall sort and set out recyclable materials as follows:
 - (1) The following items shall be placed inside a recycling container loose and free of plastic bags or any other wrapping:
 - (a) Glass bottles and jars;
 - (b) Metal food and beverage cans;
 - (c) Plastic bottles and jugs made of high density polyethylene (HDPE #2) or polyethyleneteraphthalate (PET #1);
 - (d) Aluminum foil trays;
 - (e) Polycoat milk and juice cartons;
 - (f) Aseptic drink boxes;
 - (g) Empty paint cans; and
 - (h) Empty aerosol cans.
 - (2) The following materials shall be placed loose in a recycling container, separate from the items referred to in subsection A(1):
 - (a) Household paper;
 - (b) Paper egg cartons, rolls and bags;
 - (c) Gift wrap and cards; and
 - (d) Boxboard.
 - (3) The following items shall not be placed in a recycling container, but shall be set out for collection in bags or bundles tied with string, not exceeding 20 kilograms in weight, and free of any wrapping:

- (a) Newspapers;
 - (b) Telephone directories;
 - (c) Magazines and catalogues; and
 - (d) Flattened clean, unwaxed corrugated cardboard, in bundles no larger than 75 cm x 75 cm x 30 cm.
- B. Owners of multiple household residences who receive mechanical collection of recyclable materials shall place the following items loose in said containers, free of plastic bags or any other wrapping and separate from any other items:
- (1) Household paper;
 - (2) Paper egg cartons, rolls and bags;
 - (3) Gift wrap and cards;
 - (4) Boxboard;
 - (5) Newspapers;
 - (6) Telephone directories;
 - (7) Magazines and catalogues; and
 - (8) Flattened clean, unwaxed corrugated cardboard, in bundles no larger than 75 cm x 75 cm x 30 cm.
- C. Owners of multiple household residences who receive mechanical collection of recyclable materials shall place the following items loose in the appropriate containers, free of plastic bags or any other wrapping and separate from any other items including the items referred to in subsection B:
- (1) Glass bottles and jars;
 - (2) Metal food and beverage cans;
 - (3) Plastic bottles and jugs made of high density polyethylene (HDPE #2) or polyethyleneterephthalate (PET #1);

 - (5) Polycoat milk and juice cartons;
 - (6) Aseptic drink boxes;

- (7) Empty paint cans; and
- (8) Empty aerosol cans.

§ 844-17. Preparation of yard waste for collection.

Owners of household residences and multiple household residences who receive yard waste collection services shall sort and set out yard waste as follows:

- A. Plant cuttings, roots, weeds and leaves shall be set out in a yard waste container;
- B. Hedge and shrub trimmings, brush cuttings, twigs and branches under 7.5 centimetres in diameter shall be tied in bundles no greater than 1.2 metres in length and 0.6 metres in diameter; and
- C. Christmas trees shall be set out free of all tinsel, nails, ornaments and plastic bags.

§ 844-18. Specially equipped buildings.

- A. Owners of specially equipped buildings shall ensure that garbage is packed by means of a stationary compactor unit.
- B. The Commissioner may require the owner of a specially equipped building to provide appropriate access, storage facilities, compactor equipment, collection locations and facilities for the implementation and/or continued receipt of services.
- C. Garbage containers shall be collected from specially equipped buildings as often as may be considered necessary by the Commissioner and in the event that the Commissioner determines that collection is required more than twice per week, the owner shall arrange and pay for the extra collections.

§ 844-19. Exemptions.

Notwithstanding anything in this chapter, the Commissioner may exempt a person with disability who occupies a dwelling unit with an independent exterior entrance and who does not reside with an able-bodied person from the requirement to set out garbage, recyclable materials and yard waste at the designated collection point provided that the person with disability completes all forms required by the Commissioner.

ARTICLE V
Prohibited acts; charging expenses against property; penalties

§ 844-20. Prohibited acts.

No person shall:

- A. Place, permit to be placed or permit to remain on or in any street abutting the property which they own or occupy any waste, except as expressly authorized by this chapter;
- B. Throw, cast or otherwise deposit or permit any contractor, agent or employee to throw, cast or otherwise deposit any waste whatsoever on or in any street or other public property, except as expressly authorized by this chapter;
- C. Pick over, interfere with, disturb, remove or scatter any waste set out for collection unless authorized to do so by the Commissioner;
- D. Permit any animal owned by him or under his care or control to pick over, interfere with, disturb, remove or scatter any waste set out for collection;
- E. Place waste on public property for collection by a private agency, unless otherwise approved by the Commissioner;
- F. Deposit waste generated on private property in public street receptacles;
- G. Set out any waste for collection unless it is in an appropriate regulation container as specified in this chapter; or
- H. Set out any waste in a regulation container that is not in good working order.

§ 844-21. Charging expenses against property.

In this chapter, where any person is directed or required to do any matter or thing within a specified period of time from the delivery of a written notice of non-compliance, in default of its being done by the person directed or required to do it, such matter or thing shall be done at his expense and such expense may be recovered in like manner as municipal taxes.

§ 844-22. Penalties.

- A. Any person who commits an act prohibited under § 844-20 or contravenes any other provision of this chapter is guilty of an offence and upon conviction therefore:
 - (1) Is liable to a fine of not more than \$10,000.00 for a first offence and \$25,000.00 for any subsequent offence, except that where a corporation is convicted of an offence the maximum penalties shall be \$50,000.00 for the first offence and \$100,000.00 for any subsequent offence; and
 - (2) Is subject to the discontinuance of any or all services provided for in this chapter until the person demonstrates to the Commissioner that he or she is in compliance with this chapter,
- B. In the event the Commissioner discontinues services in accordance with subsection A(2), the affected owner shall obtain private collection services during the period in which the services are discontinued, at the same or greater frequency at which the services were provided prior to their discontinuance.

ARTICLE VI
Restrictions on City collection; powers and duties of the Commissioner

§ 844-23. Restrictions on City Collection.

- A. The City shall not make collections from, nor return regulation containers to any location which the Commissioner deems unreasonable, inefficient or dangerous to City employees.
- B. No City employee shall enter any building, property or part of any building or property for the purpose of removing or returning any regulation container unless otherwise approved by the Commissioner.
- C. Before any City employee enters a building, property or part of a building or property which the Commissioner has approved under subsection B, the owner shall enter into an agreement with the City to:
 - (1) Indemnify and keep indemnified the City against all actions, suits, claims and demands which may be brought against or made upon the City and its officers, employees and agents and against all loss, costs, charges, damages or expenses whatsoever which may be incurred, sustained or paid by the City in consequence of any employee of the City entering the building or part of it;
 - (2) Grant to the City full power and authority to settle any such actions, suits, claims and demands on such terms as the City may consider advisable; and
 - (3) Covenant and agree with the City to pay to the City on demand all monies paid by the City pursuant to any such settlement and also such sum as shall represent the reasonable costs of the City or its solicitor in defending or settling any such actions, suits, claims or demands.

§ 844-24. Powers and duties of the Commissioner.

The Commissioner shall:

- A. Determine the frequency and scheduling of the services to be provided under this chapter;
- B. Designate collection points for waste which is eligible for collection;
- C. Discontinue or refuse services to an owner whose property is, in the opinion of the Commissioner, unsafe for entry or egress by persons providing services with respect to the physical layout, loading facilities and the method of handling garbage and other waste on the property;
- D. Where appropriate, require that the owner of a multiple-household residence distribute information relating to the services to all individual dwelling units within the property;

- E. Provide information to the public with respect to the handling and disposal of prohibited waste;
- F. Provide information and services with respect to the diversion of recyclable materials from garbage;
- G. Designate items to be included in garbage, recyclable materials or yard waste materials, as the case may be, and determine how same shall be collected;
- H. In the event of inclement weather or other condition which renders the provision of the services unsafe, suspend collection services in all or part of the City for a specified period of time; and
- I. Establish such other things as are necessary for the proper administration of this chapter.
