

Authority: Toronto East York Community Council Report No. 6, Clause No. 21,
as adopted by City of Toronto Council on July 24, 25 and 26, 2001
Enacted by Council: February 15, 2002

CITY OF TORONTO

BY-LAW No. 12-2002

To repeal City of Toronto By-law No. 511-2000, being a by-law “To stop up and close for vehicular traffic portions of the public lane system in the block bounded by Gerrard Street East, George Street, Dundas Street East and Sherbourne Street and to authorize the erection of barricades to enforce the due observance thereof”.

WHEREAS it is recommended that City of Toronto By-law No. 511-2000, being a by-law “To stop up and close for vehicular traffic portions of the public lane system in the block bounded by Gerrard Street East, George Street, Dundas Street East and Sherbourne Street and to authorize the erection of barricades to enforce the due observance thereof”, be repealed;

The Council of the City of Toronto HEREBY ENACTS as follows:

1. City of Toronto By-law No. 511-2000, being a by-law “To stop up and close for vehicular traffic portions of the public lane system in the block bounded by Gerrard Street East, George Street, Dundas Street East and Sherbourne Street and to authorize the erection of barricades to enforce the due observance thereof”, be repealed.

ENACTED AND PASSED this 15th day of February, A.D. 2002.

CASE OOTES,
Deputy Mayor

ULLI S. WATKISS
City Clerk

(Corporate Seal)
