SCHEDULE “C”

APPENDIX B

FAÇADE IMPROVEMENT GRANT DETAILS, APPLICATION PROCEDURES AND DESIGN GUIDELINES

Section 3.1.3 of this Plan sets out the Façade Improvement Grant Program for King-Parliament and refers to this Appendix for further details.

(a) **Project Term**

The term of the King-Parliament Façade Improvement Grant Program is to be three years from the date the Ministry of Municipal Affairs and Housing approves the Community Improvement Plan, with consideration then given to a further term.

(b) **Grant Details and Payment of Grant**

- (i) **Amount:** Eligible applicants for building façade improvements can receive grants of up to 50% of eligible costs up to a maximum of \$10,000.00 per property. Corner sites would be entitled to a grant up to a maximum of \$12,500.00. Improvement projects costing less than \$5,000.00 will not be eligible for a grant.

Façade improvements required through agreements pursuant to Section 37 of the *Planning Act* would not be eligible.

- (ii) **Payment:** The grant will be paid out as a cheque following: (i) receipt of paid invoices for the completed work; and (ii) inspection of the completed improvements by City officials. Grant approval will lapse if the City is not notified that the work has been completed by the project completion date indicated in a “Letter of Understanding” provided by the City to the applicant confirming that a grant has been agreed to subject to conditions. Extensions may be granted by the Commissioner of Economic Development, Culture and Tourism and his/her designate, the Managing Director of Economic Development, following receipt of a written request by the applicant indicating the reasons for the extension and the new date for completing the work.

(c) **Approval Process**

An application review committee comprised of members of the local businesses and local residents will review applications and advise the Commissioner of Economic Development, Culture and Tourism or his/her designate as to their recommendation. Applications for buildings which are listed or designated historical will also be reviewed

by Heritage Preservation Services of the Department of Economic Development, Culture and Tourism.

(d) **Application Procedure**

A copy of the completed application form is to be sent to the Commissioner of Economic Development, Culture and Tourism, Attention: Small Business and Local Partnerships Office. Accompanying the application should be:

- (i) the correct street address;
- (ii) the Plan Number and Lot No(s);
- (iii) the width of the building façade;
- (iv) the Assessment Roll Number;
- (v) a photograph of the existing façade;
- (vi) detailed explanation and drawing illustrating the proposed improvements;
- (vii) two independent estimates of the cost of undertaking the proposed work;
- (viii) a signed copy of the “Declaration of Non-Discrimination” policy form;
- (ix) confirmation of ownership; and
- (x) any other submissions as may be deemed necessary.

(e) **Delegation of Authority to Approve Grants**

The approval process is streamlined by Council’s delegation of authority of approval to the Commissioner of Economic Development, Culture and Tourism and his/her designate, the Managing Director of Economic Development, thereby not requiring each application to be approved by City Council.

The delegation of the authority to approve individual grant applications on the basis of the grant details outlined in this Appendix B is consistent with the City’s current practices for other loan and grant programs such as the Downtown Yonge Street Commercial Façade Improvement Grant and Loan Program. This eliminates the staff time required to prepare and process individual reports on each grant application and shortens the approval process by approximately six weeks.

Grant recipients will be required to sign a letter of understanding which includes the terms and conditions of the grant with the City of Toronto.

(g) **Terms and Conditions of the Grants**
