

Authority: Executive Committee Item 40.14, adopted as amended,
by City of Toronto Council on February 22 and 23, 2010
Enacted by Council: February 23, 2010

CITY OF TORONTO

BY-LAW No. 227-2010

To amend the purposes of the Green Energy Reserve Fund and the Energy Conservation Reserve Fund, and to amend City of Toronto Municipal Code Chapter 227, Reserves and Reserve Funds accordingly.

The Council of the City of Toronto HEREBY ENACTS as follows:

1. (1) The purpose of the Green Energy Reserve Fund is hereby amended to be for the purpose of providing a revolving loan fund to provide support for renewal energy installations in City facilities and buildings in the Municipal, Academic, Social Services and Health entities (MASH sector) and not-for-profit sector in Toronto, and to provide support for energy conservation initiatives and to accommodate expansion of eligibility criteria to include privately owned multi-family residential buildings (4 stories of greater and a minimum footprint of 600 square metres) and are undertaking comprehensive retrofit projects.
- (2) City of Toronto Municipal Code Chapter 227, Reserves and Reserve Funds, be amended by:
 - (a) deleting the following from Schedule No. 7 – Corporate Discretionary Reserve Funds, within the Climate Change Reserve Fund Group:

Green Energy	Chief Corporate Officer	Provides a revolving loan fund to provide support for renewal energy installations in City facilities and buildings in the Municipal, Academic, Social Services and Health entities (MASH sector) and not-for-profit sector in Toronto.
--------------	-------------------------	---
 - (b) adding the following to Schedule No. 7 – Corporate Discretionary Reserve Funds, within the Climate Change Reserve Fund Group:

Green Energy	Chief Corporate Officer	Provides a revolving loan fund to provide support for renewal energy installations in City facilities and buildings in the Municipal, Academic, Social Services and Health entities (MASH sector) and not-for-profit sector in Toronto, and provides support for energy conservation initiatives and to accommodate expansion of eligibility criteria to include privately owned multi-family residential buildings (4 stories of greater and a minimum footprint of 600 square metres) and are undertaking comprehensive retrofit projects.
--------------	-------------------------	--

2. (1) The purpose of the Energy Conservation Reserve Fund is hereby amended to be for the purpose of providing a revolving loan fund to provide support for energy conservation initiatives in City facilities and buildings in the Municipal, Academic, Social Services and Health entities (MASH sector) and not-for-profit sector in Toronto, and to provide support for energy conservation initiatives and to accommodate expansion of eligibility criteria to include privately owned multi-family residential buildings (4 stories or greater and a minimum footprint of 600 square metres) that are undertaking comprehensive retrofit projects.
- (2) City of Toronto Municipal Code Chapter 227, Reserves and Reserve Funds, be amended by
- (a) deleting the following from Schedule No. 7 – Corporate Discretionary Reserve Funds, within the Climate Change Reserve Fund Group:
- | | | |
