

Authority: Debenture Committee Item 7.1, as adopted by the Debenture Committee on August 19, 2010 under the delegated authority of Section 30-5 of Chapter 30, Debenture Committee, of the City of Toronto Municipal Code
Enacted by Debenture Committee: August 19, 2010

CITY OF TORONTO

BY-LAW No. 968-2010

To authorize the borrowing upon sinking fund debentures in the principal amount of \$200,000,000.00 for purposes of the City of Toronto Reopening of 5.20% \$400,000,000 Sinking Fund Debentures due June 1, 2040.

WHEREAS the *City of Toronto Act, 2006* (the "Act") and the regulations made thereunder provide that the City of Toronto may for its purposes borrow money to obtain or provide long-term financing for any capital work by issuing debentures, issuing revenue bonds and entering bank loan agreements and that the City of Toronto shall adopt and maintain policies with respect to the financing of capital works, including the limits on the annual costs associated with the financing; and

WHEREAS the Council of the City of Toronto, in accordance with section 212 of the Act, adopted by By-law No. 261-2007 a policy with respect to the financing of capital works (the "City Policy"), including requirements pertaining to limits on the amount of debt to be issued annually and on the annual costs associated with debt financing (the "City Debt Limits"); and

WHEREAS prior to the effective date of the Act the Council of the City of Toronto authorized the undertaking of some of the purposes (now referred to as capital works) of the City of Toronto (individually an "Old Project", collectively the "Old Projects") set out in Column 1 of Schedule "A" attached hereto and forming part of this By-law ("Schedule "A") and authorized additional cost amounts and additional debenture authorities in respect of some the Old Projects, and before doing so, the Council of the City of Toronto had its Treasurer calculate an updated limit in respect of its most recent annual debt and financial obligation limit received from the Ministry of Municipal Affairs and Housing in accordance with the applicable regulation made under the *Municipal Act, 2001* or its predecessor. Prior to such authorizations the Treasurer determined that the estimated annual amount payable in respect of each Old Project, each such additional cost amount and each such additional debenture authority would not cause the City of Toronto to exceed the updated limit and that the approval of each Old Project, each such additional cost amount and each such additional debenture authority by the Ontario Municipal Board pursuant to such regulation was not required; and

WHEREAS after the effective date of the Act the Council of the City of Toronto authorized the balance of the capital works of the City of Toronto (individually a "New Project", collectively the "New Projects") set out in Column 1 of Schedule "A" and authorized additional cost amounts and additional debenture authorities in respect of some of the Old Projects and some of the New Projects. All of the authorizations in respect of the New Projects, such additional cost amounts and such additional debenture authorities have been authorized in accordance with the City Policy; and

WHEREAS the City of Toronto desires to issue debentures for the Old Projects and the New Projects (collectively the "Capital Works") all of which constitute capital works that the City of Toronto considers necessary or desirable for the public, in the respective principal amounts specified in Column 2 of Schedule "A" and the proposed issue of debentures in the aggregate principal amount of \$200,000,000.00 in respect thereof is in accordance with the City Policy and, in this regard will not cause the City to exceed the City Debt Limits; and

WHEREAS in accordance with the City Policy and By-law No. 1264-2009 the Mayor and the Deputy City Manager and Chief Financial Officer (the "DCM/CFO") were authorized during the year 2010 to enter into an agreement or agreements with a purchaser or purchasers for the sale and issue of debentures upon such terms and conditions including price or prices that they deem expedient to provide an amount not exceeding \$700,000,000.00 for the City of Toronto's purposes; and

WHEREAS By-law No. 1326-2008 and of By-law No. 1264-2009 may subsequently be amended to clarify and confirm that the delegated power set out therein relates to the power to enter into an agreement, or agreements, with a purchaser or purchasers during the year 2009 and the year 2010 respectively for the issue and sale of debentures, to make it clear that the City's debentures can be issued under such by-laws at any time in the year 2009 or thereafter and in the year 2010 or thereafter respectively; and

WHEREAS the Mayor and the DCM/CFO have, as authorized by By-law No. 1264-2009, entered into a written agreement dated April 21, 2010 with CIBC World Markets Inc., Scotia Capital Inc. and RBC Dominion Securities Inc. for the issue and sale of sinking fund debentures in the aggregate principal amount of \$400,000,000.00 (the "April 21, 2010 Agreement") on the terms and conditions set out therein; and

WHEREAS pursuant to the April 21, 2010 Agreement, and as authorized by debenture By-law No. 440-2010, the City of Toronto has reserved the right to issue additional sinking fund debentures of the same maturity, interest rate and terms and conditions; and

WHEREAS the Mayor and the DCM/CFO have, as authorized by By-law No. 1264-2009, entered into a written agreement dated August 12, 2010 with RBC Dominion Securities Inc., CIBC World Markets Inc. and Scotia Capital Inc. for the issue and sale of additional sinking fund debentures in the aggregate principal amount of \$200,000,000.00 (the "Agreement"); and

WHEREAS the Mayor and the DCM/CFO have reported the terms of the Agreement to the Debenture Committee for approval and will report the terms of the Agreement approved by the Debenture Committee to the Council of the City of Toronto before the end of 2010, pursuant to By-law No. 1264-2009; and

WHEREAS the total of the principal amount of the additional sinking fund debentures to be issued by the City of Toronto in accordance with the Agreement, together with the principal amount of the sinking fund debentures issued pursuant to debenture By-law No. 440-2010 (in the principal amount of \$400,000,000.00), and with the principal amount of any other debentures authorized by any agreements entered into by the City of Toronto with any purchasers during the year 2010 pursuant to By-law No. 1264-2009, does not exceed the debenture authority under

By-law No. 1264-2009; and

WHEREAS the City of Toronto has complied with all of the applicable provisions of the City Policy, the City Debt Limits, the Act, the predecessor Act and the regulations, relating to the borrowing of money for the Capital Works and the issue of sinking fund debentures to obtain or provide the respective principal amounts set out in Column 2 of Schedule "A"; and

WHEREAS to obtain long-term financing for the Capital Works it is now deemed to be expedient to borrow money by issuing additional sinking fund debentures of the City of Toronto in the principal amount of \$200,000,000.00 payable at the time and bearing interest at the rate hereinafter set forth;

The Debenture Committee of the City of Toronto HEREBY ENACTS as follows:

1. The Debenture Committee hereby approves the obtaining or provision of long-term financing of the Capital Works through the issue of additional sinking fund debentures in the principal amount of \$200,000,000.00 in accordance with the terms and conditions of the Agreement and in this connection, specifically authorizes the borrowing upon the credit of the City of Toronto at large of the principal amount of \$200,000,000.00 to provide long-term financing for the Capital Works by issuing therefor additional sinking fund debentures of the same maturity, interest rate and terms and conditions as the sinking fund debentures described in the April 21, 2010 Agreement (issued pursuant to debenture By-law No. 440-2010) within the term of years set out in Column 3 of Schedule "A", in minimum denominations of \$1,000.00, as hereinafter set forth.
2. The Mayor and the DCM/CFO of the City of Toronto are hereby authorized to cause any number of sinking fund debentures in the principal amount of \$200,000,000.00, as described in section 1 above (the "Debentures") payable on June 1, 2040 to be issued for such amounts of money as may be required for the Capital Works in global and definitive forms, not exceeding in total the said principal amount of \$200,000,000.00. The Debentures shall bear the seal of the City of Toronto and the signatures of the Mayor and the DCM/CFO of the City of Toronto. The seal of the City of Toronto and the signatures referred to in this section may be printed, lithographed, engraved or otherwise mechanically reproduced. The Debentures are sufficiently signed if they bear the required signatures and each person signing has the authority to do so on the date he or she signs. The Debentures shall initially be issued in global fully registered form as one certificate in the principal amount of \$200,000,000.00, in the name of CDS & CO. as nominee of CDS Clearing and Depository Services Inc. ("CDS"), substantially in the form of Schedule "B" attached hereto and forming part of this By-law (the "Global Debenture"), with provision for payment of interest in each year of the currency of the Global Debenture and of principal at maturity, electronically in final and irrevocable same-day funds in accordance with the applicable requirements of CDS, so long as the Global Debenture is held by CDS.
3. (1) The Debentures shall all be dated the 20th day of August, 2010, and as to both principal and interest shall be expressed and be payable in lawful money of Canada. The Debentures shall be issued for a term of approximately thirty years bearing interest at the rate of 5.20% per annum and shall be payable as to

principal on the 1st day of June, 2040. In each year during such period interest shall be payable as follows: the first interest payment in the amount of \$5,200,000.00 will be made on December 1, 2010 (for the interest period commencing on June 1, 2010) and thereafter semi-annual interest in the amount of \$5,200,000.00 will be payable on each of June 1 and December 1. The amount of \$3,566,020.00 shall be deposited annually by the DCM/CFO of the City of Toronto, or an authorized official of the City of Toronto, into the sinking fund that was established under debenture By-law No. 440-2010 (the "Sinking Fund"), commencing on June 1, 2011, which amount, with interest compounded annually, will be sufficient to pay the principal of the Debentures at maturity (the 1st day of June, 2040) as required by the provisions of the Act, the regulations made thereunder, the City Policy and this By-law.

- (2) Payments in respect of principal of and interest on the Debentures shall be made only on a day on which banking institutions in Toronto, Ontario are not authorized or obligated by law or executive order to be closed (a "Business Day") and if any date for payment is not a Business Day, payment shall be made on the next following Business Day and no further interest shall be paid in respect of the delay in such payment.
4. Interest shall be payable to the date of maturity of the Debentures and on default shall be payable both before and after default and judgment. Any amounts payable by the City of Toronto as interest on overdue principal or interest in respect of the Debentures shall be paid out of current revenue. Whenever it is necessary to compute any amount of interest in respect of the Debentures for a period of less than one full year, other than with respect to regular semi-annual interest payments, such interest shall be calculated on the basis of the actual number of days in the period and a year of 365 days or 366 days, if applicable.
5. In limited circumstances, as agreed to by both the City of Toronto and CDS, the Global Debenture shall be exchangeable for certificated Debentures in definitive fully registered form in authorized denominations upon surrender of the Global Debenture to the DCM/CFO of the City of Toronto. Any of the Debentures issued as definitive Debentures may, with the approval of the Debenture Committee, be countersigned in writing by officials so designated by the Debenture Committee. The definitive Debentures shall aggregate the same principal amount as the principal outstanding balance of the Global Debenture as of the record date for such exchange in accordance with the provisions of the Global Debenture, shall bear the same interest rate and maturity date, shall bear all unmatured interest obligations and shall have the same benefits and be subject to the same terms and conditions as the Global Debenture (except insofar as they specifically relate to the Global Debenture). In issuing definitive Debentures no change shall be made in the amount which would otherwise be payable in each year under the Global Debenture. The definitive Debentures shall be in fully registered form, payable as to principal and outstanding interest in lawful money of Canada at maturity upon presentation and surrender thereof at any specified branch in Canada of the City of Toronto's bank designated in the definitive Debentures. Prior to maturity the definitive Debentures shall be payable as to interest by cheque sent by mail to the registered addresses of the registered holders or, if authorized in writing, by

electronic transfer.

6. In respect of the Debentures there shall be raised in each year during their currency as part of the general levy, an amount payable for interest on the Debentures as follows: the first interest payment in the amount of \$5,200,000.00 will be made on December 1, 2010 and thereafter semi-annual interest in the amount of \$5,200,000.00 will be payable on each of June 1 and December 1. There shall also be raised in each year during the said period as part of the general levy, an amount of \$3,566,020.00 for deposit into the Sinking Fund, commencing on June 1, 2011, for the payment of the principal of the Debentures at maturity. In each such year, for the Capital Works, the said two amounts (the amount for interest and the amount for the sinking fund contribution) shall be raised as part of the general levy to the extent that such amounts have not been provided for by any other available source including other taxes or fees or charges levied or imposed on persons or property by a by-law of any municipality.
7. The Debentures may contain any provision for their registration thereof authorized by any statute relating to municipal debentures in force at the time of the issue thereof.
8. The City of Toronto shall maintain a registry in respect of the Debentures in which shall be recorded the names and the addresses of the registered holders and particulars of the Debentures held by them respectively and in which particulars of the cancellations, exchanges, substitutions and transfers of Debentures may be recorded and the City of Toronto is authorized to use electronic, magnetic or other media for records of or related to the Debentures or for copies of them.
9. The City of Toronto shall not be bound to see to the execution of any trust affecting the ownership of any Debenture or be affected by notice of any equity that may be subsisting in respect thereof. The City of Toronto shall deem and treat registered holders of the Debentures, including the Global Debenture, as the absolute owners thereof for all purposes whatsoever notwithstanding any notice to the contrary and all payments to or to the order of registered holders shall be valid and effectual to discharge the liability of the City of Toronto on the Debentures to the extent of the amount or amounts so paid. Where a Debenture is registered in more than one name, the principal of and interest from time to time payable on such Debenture shall be paid to or to the order of all the joint registered holders thereof, failing written instructions to the contrary from all such joint registered holders, and such payment shall constitute a valid discharge to the City of Toronto. In the case of the death of one or more joint registered holders, despite the foregoing provisions of this section, the principal of and interest on any Debentures registered in their names may be paid to the survivor or survivors of such holders and such payment shall constitute a valid discharge to the City of Toronto.

10. The Debentures are transferable or exchangeable at the office of the DCM/CFO of the City of Toronto upon presentation for such purpose accompanied by an instrument of transfer or exchange in a form approved by the City of Toronto and which form is in accordance with the prevailing Canadian transfer legislation and practices, executed by the registered holder thereof or such holder's duly authorized attorney or legal personal representative, whereupon and upon registration of such transfer or exchange and cancellation of the Debenture or Debentures presented, the Mayor and the DCM/CFO shall issue and deliver a new Debenture or Debentures of an equal aggregate principal amount in any authorized denomination or denominations as directed by the transferee, in the case of a transfer or as directed by the registered holder in the case of an exchange.
11. The Mayor and the DCM/CFO shall issue and deliver new Debentures in exchange or substitution for Debentures outstanding on the registry with the same maturity date and of like form which have become defaced, lost, subject to a mysterious or unexplainable disappearance, stolen, destroyed or dematerialized, provided that the applicant therefor shall have: (a) paid such costs as may have been incurred in connection therewith; (b) (in the case a Debenture is defaced, lost, mysteriously or unexplainably missing, stolen, destroyed or dematerialized) furnished the City of Toronto with such evidence (including evidence as to the certificate number of the Debenture in question) and indemnity in respect thereof satisfactory to the City of Toronto in its discretion; and (c) surrendered to the City of Toronto any defaced Debenture in respect of which new Debentures are to be issued in substitution. In the case of the Global Debenture, a bond of indemnity as a condition of the issue of a replacement debenture certificate is hereby waived.
12. The Debentures issued upon any registration of transfer or exchange or in substitution for any Debentures or part thereof shall carry all the rights to interest if any, accrued and unpaid which were carried by such Debentures or part thereof and shall be so dated and shall bear the same maturity date and, subject to the provisions of this By-law, shall be subject to the same terms and conditions as the Debentures in respect of which the transfer, exchange or substitution is effected.
13. The cost of all transfers and exchanges, including the printing of authorized denominations of the new Debentures, shall be borne by the City of Toronto. When any of the Debentures are surrendered for transfer or exchange the DCM/CFO of the City of Toronto shall: (a) in the case of an exchange, cancel and destroy the Debentures surrendered for exchange; (b) in the case of an exchange, certify the cancellation and destruction in the registry; and (c) enter in the registry particulars of the new Debenture or Debentures issued in exchange.
14. Subject to an agreement that the City of Toronto may enter into to the contrary, reasonable fees may be imposed by the City of Toronto for the substitution of a new Debenture or new Debentures for any of the Debentures that are defaced, lost, mysteriously or unexplainably missing, stolen, destroyed or dematerialized and for the replacement of any of the interest cheques that are defaced, lost, mysteriously or unexplainably missing, stolen, destroyed or dematerialized. Where new Debentures are issued in substitution in these circumstances the City of Toronto shall: (a) treat as cancelled and destroyed the Debentures in respect of which new Debentures will be

issued in substitution; (b) certify the deemed cancellation and destruction in the registry; (c) enter in the registry particulars of the new Debentures issued in substitution; and (d) make a notation of any indemnities provided on the basis that, the City of Toronto has waived a bond of indemnity as a condition of issuing a replacement debenture certificate in respect of the Global Debenture.

- 15.** Except as otherwise expressly provided herein, any notice required to be given to a registered holder of one or more of the Debentures will be sufficiently given if a copy of such notice is mailed or otherwise delivered to the registered address of such registered holder.
- 16.** (1) In accordance with the Agreement, the Mayor and the DCM/CFO are hereby authorized to cause the Debentures to be issued, the DCM/CFO and the City of Toronto Clerk are hereby individually or jointly authorized to generally do all things and to execute all other documents and papers in the name of the City of Toronto in order to carry out the sale of the Debentures through CDS' book entry only system and the DCM/CFO is authorized to affix the seal of the City of Toronto to any of such documents and papers.
- (2) The money received by the City of Toronto from the sale of the Debentures, including any premium, and any earnings derived from the investment of that money, shall be apportioned and applied for the Capital Works, and to no other purpose except as permitted by the Act, the regulations made thereunder and the City Policy.
- 17.** The City of Toronto reserves the right to issue additional sinking fund debentures of the same maturity, interest rate and terms and conditions.
- 18.** Subject to the City of Toronto's investment policies and goals and the applicable legislation, the City of Toronto may, if not in default under the Debentures, at any time purchase any of the Debentures in the open market or by tender or by private contract at any price and on such terms and conditions (including, without limitation, the manner by which any tender offer may be communicated or accepted and the persons to whom it may be addressed) as the City of Toronto may in its discretion determine.
- 19.** This By-law comes into force on the day it is passed.

ENACTED AND PASSED this 19th day of August, A.D. 2010.

3. This Debenture is a Global Debenture registered in the name of the nominee of CDS and held by CDS. 15. Payments in respect of principal of and interest on the Debentures shall be made only on a day on which banking institutions in Toronto, Ontario, are not authorized or obligated by law or executive order to be closed (a "Business Day"), and if any date for payment is not a Business Day, payment shall be made on the next following Business Day and no further interest shall be paid in respect of the delay in such payment.

16. Where a Debenture is registered in more than one name, the principal of and interest from time to time payable on such Debenture shall be paid to or to the order of all the joint registered holders thereof, failing written instructions to the contrary from all such joint registered holders, and such payment shall constitute a valid discharge to the Issuer.

Transfers, Exchanges and Substitutions

18. 19. Subject to an agreement that the Issuer may enter into to the contrary, the Issuer shall issue and deliver Debentures in exchange for or in substitution for Debentures outstanding on the registry with the same maturity date and of like form in the event of a defacement, loss, mysterious or unexplainable disappearance, theft, destruction or dematerialization, provided that the applicant therefor shall have (i) paid such costs as may have been incurred in connection therewith; (ii) (in the case of a lost, mysteriously or unexplainably missing, stolen, destroyed or dematerialized Debenture) furnished the Issuer with such evidence (including evidence as to the certificate number of the Debenture in question) and indemnity in respect thereof satisfactory to the Issuer in its discretion; and (iii) surrendered to the Issuer any defaced Debenture in respect of which new Debentures are to be issued in substitution. In the case of the Global Debenture, the Issuer has waived the requirement of a bond of indemnity as a condition of issuing a replacement debenture certificate in the event of a defacement, loss, mysterious or unexplainable disappearance, theft, destruction or dematerialization.
20. Each Debenture executed and delivered upon any registration of transfer or exchange for or in substitution for any Debenture or part thereof shall carry all the rights to interest, if any, accrued and unpaid which were carried by such Debenture or part thereof and shall be so dated.
21. The Issuer shall not impose any fees in respect of the Debentures, in the normal course of business, other than reasonable fees for the issue of new Debentures or for the issue of new cheques in substitution for Debentures that are defaced, lost, mysteriously or unexplainably missing, stolen, destroyed or dematerialized, or interest cheques in such events.

Purchases

22. Subject to the investment policies and goals of the Issuer and the applicable legislation, the Issuer may, if not in default under the Debentures, at any time purchase Debentures in the open market or by tender or by private contract at any price and on such terms and conditions (including without limitation, the manner by which any tender offer may be communicated or accepted and the persons to whom it may be addressed) as the Issuer may in its discretion determine.

Additional Debentures

23. The Issuer has reserved the right to issue additional sinking fund debentures of the same maturity, interest rate and terms and conditions.

Notices

24. Except as otherwise expressly provided herein, any notice required to be given to a registered holder of one or more of the Debentures will be sufficiently given if a copy of such notice is mailed or otherwise delivered to the registered address of such registered holder. If the Issuer or any registered holder is required to give any notice in connection with the Debentures on or before any day and that day is not a Business Day then such notice may be given on the next following Business Day.

Time

25. Unless otherwise expressly provided herein, any reference herein to a time shall be considered to be a reference to Toronto time.

Governing Law

26. The Debentures are governed by and shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable in Ontario.
