

Chapter 900 Site Specific Amendments

900.1 General

(1) Site Specific Regulations in Conflict with Other Provisions

Chapter 900 Site Specific Amendments contain exceptions listed by number according to the zone designated for a property. The exception number is the "x" number referred to in the zone label found on the Zoning By-law Map. The numbered exceptions in Chapter 900 may consist of one or more of the following:

- (A) a site specific amendment pertaining to the property with the "x";
- (B) a reference to Ch. 950 Prevailing By-laws indicating that the property with the "x" has a prevailing by-law associated with it which is found by property address in Chapter 950 under the by-law of the former municipality; or
- (C) a reference to Ch. 955 Prevailing Sections indicating that the property with the "x" has a prevailing section associated with it which is found by property address in Chapter 955.

(2) Site Specific Regulations in Conflict with Other Provisions

- (A) If there is a conflict between the regulations of a site specific amendment in Chapter 900 Site Specific Amendments and the applicable regulations in the rest of this By-law, other than Chapter 550 Holding Provision By-laws - Section 36, Chapter 700 Non-conformity/Non-compliance, Chapter 950 Prevailing By-laws and Chapter 955 Prevailing Sections, the regulations of the site specific amendment govern.
- (B) If there is a conflict between the regulations of a site specific amendment in Chapter 900 Site Specific Amendments and the applicable regulations in Chapter 950 Prevailing By-laws or Chapter 955 Prevailing Sections, as they existed on the date of enactment of this By-law, the conflict shall be resolved by retaining the order of priority that existed on the date of enactment of this By-law.

(363) Exception R 363

The lands subject to this exception must comply with the following:

- (A) A commercial use that was permitted on the **lot** as of February 25, 1975 shall continue to be a permitted use, so long as:

- (i) the commercial use, either in whole or in part, lawfully existed on the **lot** as of January 31, 1976; and
 - (ii) the **gross floor area** of the commercial use is no greater than the amount that existed on January 31, 1976.
- (B) On a **lot**, **public parking** as a principal use in a **building** or **structure** is not permitted.
- (C) On a **lot**, a **building** or **structure** that contains assisted housing has a parking rate of 0.3 spaces per **dwelling unit**.
- (D) In addition to the uses permitted in the R zone, the following uses containing shared accommodation are also permitted if they comply with the specific conditions set out for each use in (E), below:
- Nursing Home (1)**
 - Retirement Home (1)**
 - Religious Residence (2)**

(#) The number after the listed use is the condition number reference in (E), below.

(E) In addition to the requirements of the R zone, the uses described in (D), above, must comply with the following specific conditions set out for each use:

(1) **Nursing Home** or **Retirement Home** Condition

A **nursing home**, **retirement home** or a combination of these two uses, must occupy the whole of the principal **building** and not be combined with any other principal use, and must:

- (i) be located in a **building** originally constructed and used as a **detached house**, a **semi-detached house**, or a **townhouse**; or
- (ii) be located on a **lot** which:
 - (a) has a **front lot line** or **side lot line** abutting a **street** identified as a major **street** on the Policy Areas Overlay Map; or
 - (b) has a **front lot line** or **side lot line** abutting a **street** which intersects a road described in (a) above, and the **lot** is located, in whole or in part, within a distance of 80 metres from that intersection.

(2) **Religious Residence** Condition

A **religious residence**, unless it is in the same **building** as a **place of worship**, must occupy the whole of the principal **building** and not be combined with any other principal use, and must:

- (i) be located in a **building** originally constructed and used as a **detached house**, a **semi-detached house**, or a **townhouse**; or
- (ii) be located on a **lot** which:
 - (a) has a **front lot line** or **side lot line** abutting a **street** identified as a major **street** on the Policy Areas Overlay Map; or
 - (b) has a **front lot line** or **side lot line** abutting a **street** which intersects a road described in (a) above, and the **lot** is located, in whole or in part, within a distance of 80 metres from that intersection.

(F) If a **lot** is located in a residential zone category:

- (i) Despite 10.5.40.70(1), 10.10.40.70(1), and 40.10.40.70, the minimum **front yard setback** is 6.0 metres; and
- (ii) the portion of the **lot** located within the **front yard setback** area is to comply with the requirements of 10.5.50.10;

(G) If a **lot** is located in a commercial-residential zone category:

- (i) Despite 40.10.40.70, the minimum setback from a **front lot line** is 6.0 metres;
- ii) any portion of the **lot** located within the setback area in (G)(i), above, not covered by permitted **parking spaces**, **loading spaces**, and **driveways**, must only be used for **landscaping**; and
- (iii) a minimum of 75% of the **landscaped** area required by (G)(ii), above, must be used for **soft landscaping**.

(364) Exception R 364

The lands subject to this exception must comply with the following:

(A) A commercial use that was permitted on the **lot** as of February 25, 1975 shall continue to be a permitted use, so long as:
