Whereas authority is given to Council to pass this by-law pursuant to subsections 8 (1) and (2) and section 259 of the *City of Toronto Act, 2006*(2) and section 259 of the *City of Toronto Act, 2006*; and

Whereas section 259 of the *City of Toronto Act, 2006* provides that the City may pass by-laws imposing fees or charges on persons for services or activities provided or done by or on behalf of it; and

Whereas at its meeting of December 9 and 10, 2015 City Council approved the water and wastewater consumption rates to be charged to metered and flat rate consumers effective January 1, 2016, increased various water and wastewater service fees and charges effective January 1, 2016 and April 1, 2016, public notice having been given, and approved the water rebate for eligible low-income seniors and disabled persons effective January 1, 2016; and

Whereas at its meeting of December 9 and 10, 2015 City Council authorized that effective January 1, 2016 the Block 2 process use rate for eligible properties in the industrial property tax class be applicable to volume of water consumed over 5,000 cubic metres per year (m³/year), and as such, that the eligibility criteria for the Block 2 Rate be changed to require that an eligible customer must have an annual consumption of over 5,000 m³/year instead of over 6,000 m³/year; and

Whereas Chapter 441 of the City of Toronto Municipal Code is the codified consolidated user fee by-law for the City of Toronto ("Municipal Code Chapter 441"); and

Whereas Chapter 849 of the City of Toronto Municipal Code is the Water and Sewage Services and Utility Bill by-law for the City of Toronto ("Municipal Code Chapter 849"); and
