

Authority: Item TE12.83, adopted as amended, by Toronto and East York Community Council on November 10, 2015 under the delegated authority of Sections 27-149B and 27-152 of City of Toronto Municipal Code Chapter 27, Council Procedures

CITY OF TORONTO

BY-LAW No. 53-2016

To authorize the alteration of Westover Hill Road between Dewbourne Avenue and Eglinton Avenue West by the installation of speed humps.

Whereas a traffic calming poll of households on Westover Hill Road between Dewbourne Avenue and Eglinton Avenue West was conducted and, although the poll did not satisfy the polling criteria for the installation of a speed hump pursuant to the City's Traffic Calming Policy, Toronto and East York Community Council deems it appropriate to undertake the installation of an additional speed hump on Westover Hill Road;

The Toronto and East York Community Council enacts:

1. The alteration of Westover Hill Road between Dewbourne Avenue and Eglinton Avenue West by the installation of one additional speed hump as shown on Drawing No. 421G-1777 dated May 2015 attached to this By-law is authorized.

Enacted and passed on January 19, 2016.
