

Authority: Debenture Committee Item DB8.1, as adopted by the Debenture Committee on April 6, 2017 under the delegated authority of Section 30-12 of City of Toronto Municipal Code Chapter 30, Debenture and Other Borrowing

## CITY OF TORONTO

### BY-LAW 407-2017

**To authorize the borrowing upon additional sinking fund debentures in the principal amount of \$300,000,000.00 for capital works of the City of Toronto.  
(Second re-opening of the 3.25 percent \$100,000,000.00 sinking fund debentures due June 24, 2046, issued on June 23, 2016 and initially re-opened in the amount of \$100,000,000.00 on September 23, 2016).**

Whereas the *City of Toronto Act, 2006* (the "Act") and the regulations made thereunder provide that the City of Toronto may for its purposes borrow money to obtain or provide long-term financing for any capital work by issuing debentures, issuing revenue bonds and entering bank loan agreements and that the City of Toronto shall adopt and maintain policies with respect to the financing of capital works, including the limits on the annual costs associated with the financing; and

Whereas prior to the effective date of the Act, the Council of the City of Toronto authorized one of the capital works of the City of Toronto set out in Column 1 of Schedule "A" (the "Old Capital Work"). Before doing so, the Council of the City of Toronto had its Treasurer calculate an updated limit in respect of its most recent annual debt and financial obligation limit received from the Ministry of Municipal Affairs in accordance with the *Municipal Act, 2001*, as it then was and the applicable regulation made thereunder (the "Municipal Act"). Prior to such authorization the Treasurer determined that the estimated annual amount payable in respect of the Old Capital Work would not cause the City of Toronto to exceed the updated limit and that the authorization of the Old Capital Work by the Ontario Municipal Board pursuant to such regulation was not required; and

Whereas the Council of the City of Toronto, in accordance with section 212 of the Act, adopted by By-law 261-2007 a policy with respect to the financing of capital works which policy was subsequently amended (the "City Policy"), and which amended policy includes requirements pertaining to limits on the amount of new long-term debt obligations to be issued annually for capital works and on the annual costs associated with the debt financing (the "City Debt Limits"); and

Whereas the Council of the City of Toronto authorized additional cost amounts and additional debenture authorities in respect of the Old Capital Work and authorized the balance of the capital works of the City of Toronto set out in Column 1 of Schedule "A" (individually a "New Capital Work", collectively the "New Capital Works") together with additional cost amounts and additional debenture authorities in respect of the New Capital Works after the effective date of the Act. All of the additional authorizations in respect of the Old Capital Work and all of the authorizations in respect of the New Capital Works have been granted in accordance with the City Policy, the City Debt Limits, the Act and the applicable regulations; and

Whereas the City of Toronto desires to issue debentures for the Old Capital Work and the New Capital Works (collectively the "Capital Works"), all of which capital works constitute capital works that the City of Toronto considers necessary or desirable for the public, as included in its

Ten Year Capital Plan, in the principal amount specified in Column 2 of Schedule "A" and the proposed issue of additional sinking fund debentures in the principal amount of \$300,000,000.00 in respect thereof is in accordance with the City Policy and, in this regard will not cause the City to exceed the City Debt Limits; and

Whereas in accordance with the City Policy and City of Toronto Municipal Code Chapter 30, Debenture and Other Borrowing, as amended (the "City of Toronto Municipal Code"), the Mayor or the Mayor's Alternate and the Deputy City Manager and Chief Financial Officer ("Chief Financial Officer") were authorized to enter into an agreement or agreements with a purchaser or purchasers, during the year 2017 for the issue, or the sale and issue, of debentures and revenue bonds, and for entering into bank loan agreements, upon such terms and conditions including price or prices as they deem expedient to provide an amount not exceeding \$900,000,000.00 for the City of Toronto's purposes, including purposes of the former municipality called The Municipality of Metropolitan Toronto. For clarification and confirmation the debentures, revenue bonds and bank loan agreements can be issued or entered into at any time in the year the agreement is entered into or thereafter without affecting the \$900,000,000.00 limit because the limit shall be reduced during the year the agreement is entered into by the amount of debentures, revenue bonds and bank loans specified in any such agreement regardless of the year in which the debentures, and revenue bonds are issued and the bank loans are made; and

Whereas the Mayor and the Chief Financial Officer have, as authorized by the City of Toronto Municipal Code, entered into a written agreement dated June 10, 2016 with Scotia Capital Inc., CIBC World Markets Inc. and RBC Capital Markets as principals of the underwriting group described in such agreement, for the issue and sale of sinking fund debentures in the principal amount of \$100,000,000.00 (the "Original Debentures") on the terms and conditions set out therein (the "June 10, 2016 Agreement"); and

Whereas pursuant to the June 10, 2016 Agreement, and as authorized by Debenture By-law 667-2016 under which the City of Toronto issued the Original Debentures, the City of Toronto has reserved the right to issue additional sinking fund debentures of the same maturity, interest rate and terms and conditions; and

Whereas the Mayor and the Chief Financial Officer have, as authorized by the City of Toronto Municipal Code, entered into a written agreement dated September 13, 2016 with CIBC World Markets Inc., RBC Dominion Securities Inc. and Scotia Capital Inc., as principals of the underwriting group described in such agreement, for the issue and sale of additional sinking fund debentures in the principal amount of \$100,000,000.00 (the "September 13, 2016 Additional Debentures") on the terms and conditions set out therein (the "September 13, 2016 Agreement"), as a re-opening of the Original Debentures contemplated by the June 10, 2016 Agreement; and

Whereas pursuant to the September 13, 2016 Agreement, and as authorized by Debenture By-law 886-2016 under which the City of Toronto issued the September 13, 2016 Additional Debentures, the City of Toronto has reserved the right to issue additional sinking fund debentures of the same maturity, interest rate and terms and conditions; and

Whereas the Mayor and the Chief Financial Officer have, as authorized by the City of Toronto Municipal Code, entered into a written agreement dated March 28, 2017 with RBC Dominion Securities Inc., Scotia Capital Inc. and CIBC World Markets Inc., as principals of the

underwriting group described in such agreement, for the issue and sale of additional sinking fund debentures in the principal amount of \$300,000,000.00 (the "Agreement") on the terms and conditions set out therein, as a second additional re-opening of the Original Debentures contemplated by the June 10, 2016 Agreement (initially re-opened pursuant to the June 10, 2016 Agreement); and

Whereas the Chief Financial Officer has reported the terms of the Agreement to the Debenture Committee for approval, pursuant to the City of Toronto Municipal Code; and

Whereas the total of the principal amount of additional sinking fund debentures to be issued by the City of Toronto in accordance with the Agreement, together with the principal amount of any other debentures authorized by any agreements entered into by the City of Toronto with any purchasers during the year 2017 pursuant to the City of Toronto Municipal Code, does not exceed the debenture authority for the year 2017 under the City of Toronto Municipal Code; and

Whereas the City of Toronto has complied with all of the applicable provisions of the City Policy, the City Debt Limits, the City of Toronto Municipal Code, the Municipal Act, the Act and the applicable regulations, relating to the borrowing of money for the Capital Works and the issue of additional sinking fund debentures to obtain or provide long-term financing in the principal amount set out in Column 2 of Schedule "A"; and

Whereas to obtain long-term financing for the Capital Works it is now deemed to be expedient to borrow money by issuing additional sinking fund debentures of the City of Toronto in the principal amount of \$300,000,000.00, such additional sinking fund debentures forming part of one aggregate series of thirty year sinking fund debentures with the Original Debentures and with the September 13, 2016 Additional Debentures in the aggregate principal amount of \$500,000,000.00, and such additional sinking fund debentures are to be payable at the time and bearing interest at the rate hereinafter set forth;

The Debenture Committee of the City of Toronto enacts:

1. The Debenture Committee approves the obtaining or provision of long-term financing for the Capital Works through the issue of additional sinking fund debentures in the principal amount of \$300,000,000.00 in accordance with the terms and conditions of the Agreement and in this connection, specifically authorizes the borrowing upon the credit of the City of Toronto at large of the principal amount of \$300,000,000.00 to provide long-term financing for the Capital Works by issuing therefor additional sinking fund debentures (of the same maturity, interest rate and terms and conditions as the Original Debentures) within the term of approximately thirty years which is less than the maximum authorized term of years for the Capital Works set out in Column 6 of Schedule "A", in minimum denominations of \$1,000.00, as hereinafter set forth, on the basis that the additional sinking fund debentures shall, when combined with the Original Debentures and the September 13, 2016 Additional Debentures, constitute one series of thirty year sinking fund debentures in the aggregate principal amount of \$500,000,000.00.

2. The Mayor and the Chief Financial Officer of the City of Toronto are authorized to cause any number of additional sinking fund debentures in the principal amount of \$300,000,000.00, as described in section 1 above (the "Debentures") payable on June 24, 2046 to be issued for such amounts of money as may be required for the Capital Works in global and definitive forms, not exceeding in total the said principal amount of \$300,000,000.00. The Debentures shall bear the seal of the City of Toronto and the signatures of the Mayor and the Chief Financial Officer of the City of Toronto. The seal of the City of Toronto and the signatures referred to in this section may be printed, lithographed, engraved or otherwise mechanically reproduced. The Debentures are sufficiently signed if they bear the required signatures and each person signing has the authority to do so on the date he or she signs. The Debentures shall initially be issued in global fully registered form as one certificate in the principal amount of \$300,000,000.00, in the name of CDS & CO. as nominee of CDS Clearing and Depository Services Inc. ("CDS"), substantially in the form of Schedule "B" attached hereto and forming part of this By-law (the "Global Debenture"), with provision for payment of interest in each year of the currency of the Global Debenture and of principal at maturity, electronically in final and irrevocable same-day funds in accordance with the applicable requirements of CDS, so long as the Global Debenture is held by CDS.
3.
  - (1) The Debentures shall all be dated the 12th day of April, 2017, and as to both principal and interest shall be expressed and be payable in lawful money of Canada. The Debentures shall be issued for a term of approximately thirty years bearing interest at the rate of 3.25 percent per annum and shall be payable as to principal on the 24th day of June, 2046. The additional amount of \$6,833,292.00 shall be deposited annually by the Chief Financial Officer of the City of Toronto, or an authorized official of the City of Toronto, into the sinking fund established under Debenture By-law 667-2016 (the "Sinking Fund"), commencing on June 23, 2017, which amount, with interest compounded annually, will be sufficient to pay the principal of the Debentures at maturity (the 24th day of June, 2046) and, with the annual contribution described in By-law 667-2016, will be sufficient to also pay the principal of the Original Debentures at maturity (the 24th day of June, 2046) and with the annual contribution described in By-law 886-2016 will be sufficient to also pay the principal of the September 13, 2016 Additional Debentures at maturity (the 24th day of June, 2046), as required by the relevant authorities including the provisions of the Act, the regulations made thereunder, the City Policy and this By-law.
  - (2) Payments in respect of principal of and interest on the Debentures (and deposits into the Sinking Fund) shall be made only on a day on which banking institutions in Toronto, Ontario are not authorized or obligated by law or executive order to be closed (a "Business Day") and if any date for payment is not a Business Day, payment shall be made on the next following Business Day and no further interest shall be paid in respect of the delay in such payment.
4. Interest shall be payable to the date of maturity of the Debentures and on default shall be payable both before and after default and judgment. Any amounts payable by the City of Toronto as interest on overdue principal or interest in respect of the Debentures shall be paid out of current revenue. Whenever it is necessary to compute any amount of

interest in respect of the Debentures for a period of less than one full year, other than with respect to regular interest payments, such interest shall be calculated on the basis of the actual number of days in the period and a year of 365 days or 366 days, if applicable.

5. In limited circumstances, as agreed to by both the City of Toronto and CDS, the Global Debenture shall be exchangeable for certificated Debentures in definitive fully registered form in authorized denominations upon surrender of the Global Debenture to the Chief Financial Officer of the City of Toronto. Any of the Debentures issued as definitive Debentures may, with the approval of the Debenture Committee, be countersigned in writing by officials so designated by the Debenture Committee. The definitive Debentures shall aggregate the same principal amount as the principal outstanding balance of the Global Debenture as of the record date for such exchange in accordance with the provisions of the Global Debenture, shall bear the same interest rate and maturity date, shall bear all unmatured interest obligations and shall have the same benefits and be subject to the same terms and conditions as the Global Debenture (except insofar as they specifically relate to the Global Debenture). In issuing definitive Debentures no change shall be made in the amount which would otherwise be payable in each year under the Global Debenture. The definitive Debentures shall be in fully registered form, payable as to principal and outstanding interest in lawful money of Canada at maturity upon presentation and surrender thereof at any specified branch in Canada of the City of Toronto's bank designated in the definitive Debentures. Prior to maturity the definitive Debentures shall be payable as to interest by cheque sent by mail to the registered addresses of the registered holders or, if authorized in writing, by electronic transfer.
6. In respect of the Debentures there shall be raised in each year during their currency as part of the general levy, an amount payable for interest on the Debentures as follows: the first interest payment in the amount of \$2,911,643.84 will be made on June 24, 2017 (which payment includes accrued interest from December 24, 2016) and thereafter semi-annual interest payments in the amount of \$4,785,000.00 will be made on June 24 and December 24, commencing on December 24, 2017. There shall also be raised in each year during the said period as part of the general levy, the additional amount of \$6,833,292.00 for deposit into the Sinking Fund, commencing on June 23, 2017, for the payment of the principal of the Debentures at maturity. In each such year, for the Capital Works, the said two amounts (the amount for interest and the amount for the sinking fund contribution) shall be raised as part of the general levy to the extent that the amounts have not been provided for by any other available source including other taxes or fees or charges levied or imposed on persons or property by a by-law of any municipality.
7. The Debentures may contain any provision for their registration thereof authorized by any statute relating to municipal debentures in force at the time of the issue thereof.
8. The City of Toronto shall maintain a registry in respect of the Debentures in which shall be recorded the names and the addresses of the registered holders and particulars of the Debentures held by them respectively and in which particulars of the cancellations, exchanges, substitutions and transfers of Debentures may be recorded and the City of Toronto is authorized to use electronic, magnetic or other media for records of or related to the Debentures or for copies of them.

9. The City of Toronto shall not be bound to see to the execution of any trust affecting the ownership of any Debenture or be affected by notice of any equity that may be subsisting in respect thereof. The City of Toronto shall deem and treat registered holders of the Debentures, including the Global Debenture, as the absolute owners thereof for all purposes whatsoever notwithstanding any notice to the contrary and all payments to or to the order of registered holders shall be valid and effectual to discharge the liability of the City of Toronto on the Debentures to the extent of the amount or amounts so paid. Where a Debenture is registered in more than one name, the principal of and interest from time to time payable on such Debenture shall be paid to or to the order of all the joint registered holders thereof, failing written instructions to the contrary from all such joint registered holders, and such payment shall constitute a valid discharge to the City of Toronto. In the case of the death of one or more joint registered holders, despite the foregoing provisions of this section, the principal of and interest on any Debentures registered in their names may be paid to the survivor or survivors of such holders and such payment shall constitute a valid discharge to the City of Toronto.
10. The Debentures are transferable or exchangeable at the office of the Chief Financial Officer of the City of Toronto upon presentation for such purpose accompanied by an instrument of transfer or exchange in a form approved by the City of Toronto and which form is in accordance with the prevailing Canadian transfer legislation and practices, executed by the registered holder thereof or such holder's duly authorized attorney or legal personal representative, whereupon and upon registration of such transfer or exchange and cancellation of the Debenture or Debentures presented, the Mayor and the Chief Financial Officer shall issue and deliver a new Debenture or Debentures of an equal aggregate principal amount in any authorized denomination or denominations as directed by the transferor, in the case of a transfer or as directed by the registered holder in the case of an exchange.
11. The Mayor and the Chief Financial Officer shall issue and deliver new Debentures in exchange or substitution for Debentures outstanding on the registry with the same maturity date and of like form which have become mutilated, defaced, lost, subject to a mysterious or unexplainable disappearance, stolen, destroyed or dematerialized, provided that the applicant therefor shall have: (a) paid such costs as may have been incurred in connection therewith; (b) (in the case when a Debenture is mutilated, defaced, lost, mysteriously or unexplainably missing, stolen, destroyed or dematerialized) furnished the City of Toronto with such evidence (including evidence as to the certificate number of the Debenture in question) and indemnity in respect thereof satisfactory to the City of Toronto in its discretion; and (c) surrendered to the City of Toronto any mutilated or defaced Debenture in respect of which new Debentures are to be issued in substitution. In the case of the Global Debenture, a bond of indemnity as a condition of the issue of a replacement debenture certificate is waived.
12. The Debentures issued upon any registration of transfer or exchange or in substitution for any Debentures or part thereof shall carry all the rights to interest if any, accrued and unpaid which were carried by such Debentures or part thereof and shall be so dated and shall bear the same maturity date and, subject to the provisions of this By-law, shall be subject to the same terms and conditions as the Debentures in respect of which the transfer, exchange or substitution is effected.

13. The cost of all transfers and exchanges, including the printing of authorized denominations of the new Debentures, shall be borne by the City of Toronto. When any of the Debentures are surrendered for transfer or exchange the Chief Financial Officer of the City of Toronto shall: (a) in the case of an exchange, cancel and destroy the Debentures surrendered for exchange; (b) in the case of an exchange, certify the cancellation and destruction in the registry; (c) enter in the registry particulars of the new Debenture or Debentures issued in exchange; and (d) in the case of a transfer, enter in the registry the name of the registered holder as directed by the transferor.
14. Subject to an agreement that the City of Toronto may enter into to the contrary, reasonable fees may be imposed by the City of Toronto for the substitution of a new Debenture or new Debentures for any of the Debentures that are mutilated, defaced, lost, mysteriously or unexplainably missing, stolen, destroyed or dematerialized and for the replacement of any of the interest cheques that are mutilated, defaced, lost, mysteriously or unexplainably missing, stolen or destroyed. When new Debentures are issued in substitution in these circumstances the City of Toronto shall: (a) treat as cancelled and destroyed the Debentures in respect of which new Debentures will be issued in substitution; (b) certify the deemed cancellation and destruction in the registry; (c) enter in the registry particulars of the new Debentures issued in substitution; and (d) make a notation of any indemnities provided on the basis that the City of Toronto has waived a bond of indemnity as a condition of issuing a replacement global fully registered debenture certificate in respect of the Global Debenture.
15. Except as otherwise expressly provided herein, any notice required to be given to a registered holder of one or more of the Debentures will be sufficiently given if a copy of such notice is mailed or otherwise delivered to the registered address of such registered holder.
16.
  - (1) In accordance with the Agreement, the Mayor and the Chief Financial Officer are authorized to cause the Debentures to be issued, one or more of the Chief Financial Officer and the City Clerk are authorized to generally do all things and to execute all other documents and papers in the name of the City of Toronto in order to carry out the sale of the Debentures through CDS's book entry only system and the Chief Financial Officer is authorized to affix the seal of the City of Toronto to any of such documents and papers.
  - (2) The money received by the City of Toronto from the sale of the Debentures, including any premium, and any earnings derived from the investment of that money, after providing for the expenses related to their issue, if any, shall be apportioned and applied to the Capital Works, and to no other purpose except as permitted by the relevant authorities including the Act, the regulations made thereunder and the City Policy.
17. The City of Toronto reserves the right to issue additional sinking fund debentures of the same maturity, interest rate and terms and conditions.
18. Subject to the City of Toronto's investment policies and goals and the applicable legislation, the City of Toronto may, if not in default under the Debentures, at any time

purchase any of the Debentures in the open market or by tender or by private contract at any price and on such terms and conditions (including, without limitation, the manner by which any tender offer may be communicated or accepted and the persons to whom it may be addressed) as the City of Toronto may in its discretion determine.

LEGAL OPINION

We have examined the Debenture By-law of the Issuer authorizing the issue of additional sinking fund debentures in the principal amount of \$300,000,000.00 dated April 12, 2017 and maturing on June 24, 2046.

The Debenture By-law has been properly passed and is within the legal powers of the Issuer. The additional sinking fund global fully registered debenture certificate issued under the Debenture By-law (the "Global Debenture") is a direct, general and unsubordinated obligation of the Issuer. The Global Debenture is enforceable against the Issuer subject to the special jurisdiction and powers of the Ontario Municipal Board over defaulting municipalities under the *Municipal Affairs Act*, as amended. This opinion is subject to and incorporates all the assumptions, qualifications and limitations set out in our opinion letter delivered on the date of the Global Debenture.

**CONDITIONS OF GLOBAL DEBENTURE****Form, Denomination, Ranking and Beneficial Interests in Global Debenture**

1. The additional sinking fund debentures issued pursuant to the Debenture By-law (individually a "Debenture", collectively the "Debentures") are issuable as fully registered Debentures without coupons in minimum denominations of \$1,000.00.
2. The Debentures are direct, general and unsubordinated obligations of the Issuer. The Debentures rank concurrently and equally in respect of payment of principal and interest with all other debentures of the Issuer except for the availability of money in a sinking or retirement fund for a particular issue of debentures. (The Debentures represent additional sinking fund debentures in the principal amount of \$100,000,000.00 issued in connection with the second re-opening of the 3.25% \$100,000,000.00 sinking fund debentures due June 24, 2046, issued on June 23, 2016 (the "Original Debentures") and initially re-opened in the amount of \$100,000,000.00 of additional sinking fund debentures on September 23, 2016 (the "Additional Debentures"). The Debentures together with the Original Debentures and with the Additional Debentures, constitute one series of sinking fund debentures in the aggregate principal amount of \$500,000,000.00).
3. This Debenture is a Global Debenture registered in the name of the nominee of CDS and held by CDS. Beneficial interests in this Global Debenture are represented through book entry accounts to be established and maintained by CDS on its records for CDS's participants (the "Participants") in accordance with its participant agreement and rules and procedures which are posted on CDS's website.
4. Except in the limited circumstances described herein, owners of beneficial interests in this Global Debenture will not be entitled to have Debentures registered in their names, will not receive or be entitled to receive physical delivery of Debentures and will not be considered registered holders of Debentures under the Conditions. The Issuer does not have any responsibility or liability for maintaining, supervising or reviewing any records of CDS or Participants relating to payments made or to be made by CDS or any Participant on account of beneficial ownership interests in this Global Debenture.

**Certificated Debentures**

5. This Global Debenture is exchangeable, in whole but not in part, for certificated Debentures in definitive form registered in the name of a person other than CDS or its nominee only upon the occurrence of any of the following events: (a) upon 30 days' notice by CDS to the Issuer, CDS may discontinue the eligibility of this Global Debenture on deposit, or cease to hold this Global Debenture in respect of the Debentures; or (b) if CDS ceases to be a recognized clearing agency under applicable Canadian or provincial securities legislation and a successor is not appointed; or (c) if the Issuer gives CDS appropriate notice that it is unable or unwilling to continue to have CDS hold this Global Debenture as a book entry only security or that it desires or has processed an entitlement requiring a withdrawal of this Global Debenture, and the Issuer has all right, power, capacity and authority to do so.
6. Debentures issued in exchange for this Global Debenture shall be issued as certificated Debentures in definitive form in authorized denominations, shall have the same benefits and be subject to the same terms and conditions as this Global Debenture (except insofar as they specifically relate to this Global Debenture as such), shall be registered in such names and in such denominations as CDS shall direct and shall be delivered as directed by the persons in whose names such definitive Debentures are to be registered.
7. Upon the exchange of certificated Debentures in definitive form for this Global Debenture, the Issuer shall receive and cancel this Global Debenture, shall reduce the holdings of CDS & CO. on the registry to nil and shall issue or cause to be issued in exchange for this Global Debenture certificated Debentures in definitive form in an aggregate principal amount equal to and in exchange for the Participants' proportionate interests in this Global Debenture as of the record date for such exchange, as directed by CDS. On or after any such exchange, but only to the extent reasonably practicable in the circumstances, the Issuer shall make all payments in respect of such certificated Debentures in definitive form to the registered holders thereof, notwithstanding such exchange occurred after the record date for any payment and prior to such payment date.

**Registration**

8. The Issuer will keep at its designated office in the City of Toronto a registry in which shall be entered the names and addresses of the registered holders of Debentures and particulars of the Debentures held by them respectively and in which transfers, exchanges and substitutions of Debentures may be registered.

**Title**

9. The Issuer shall not be bound to see to the execution of any trust affecting the ownership of any Debenture or be affected by notice of any equity that may be subsisting in respect thereof. The Issuer shall deem and treat registered holders of Debentures, including this Global Debenture, as the absolute owners thereof for all purposes whatsoever notwithstanding any notice to the contrary and all payments to or to the order of registered holders shall be valid and effectual to discharge the liability of the Issuer on the Debentures to the extent of the amount or amounts so paid.

**Payments of Principal and Interest**
