1. The definition of Base Municipal CVA Taxes in By-law 1029-2017 is deleted and replaced by the following definition:

"Base Municipal CVA Taxes" means the amount calculated by multiplying the Current Value Assessment(s), ("CVA"), applicable for the taxation year in which the Financial Incentive Agreement between the City and the Owner is signed, by the municipal tax rate(s) applicable for the property upon which the eligible development is to be constructed, for that taxation year. The Base Municipal CVA Taxes shall be fixed in this manner for the purposes of determining the Municipal Tax Increment, subject to any adjustment arising from assessment appeals or changes to CVA made by the Municipal Property Assessment Corporation ("MPAC") and shall remain unchanged for the duration of the term of the Tax Assistance.

2. The property described as 40 Hanna Avenue in By-law 1029-2017 is now known municipally as 99 Atlantic Avenue.

Enacted and passed on February 1, 2018.
