RE: Recommendation that the Auditor General do a detailed audit on WRP site – Hainford Street and the Police Station

I would urge the Audit Committee to request the Auditor General to do a detailed audit on WRP site – Hainford Street and the Police Station. The community has expressed concern on a number of issues such as:

- Overland water flow
- Sewage capacity
- Unwarranted removal of trees
- Financial arrangement between the applicant and The City
- Overall environmental issues in the community (toxins are higher in the area, removal of trees would impact quality of air in this community)
- Supervision on site during construction to assure the best practices are applied on the site.

If you have any questions, please do not hesitate to contact my office at 416-392-1373.

Sincerely,

Ron Moeser,
Councillor Scarborough East – Ward 44
