AUDITOR'S REPORT

To the Council of the Corporation of the City of Toronto and the Board of Management for the Lakeshore Village Business Improvement Area

I have audited the statement of financial position of the Board of Management for the Lakeshore Village Business Improvement Area as at December 31, 2006 and the statements of revenue, expenditure and operating surplus and changes in financial position for the year then ended. These financial statements are the responsibility of the Board's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly in all material respects, the financial position of the Board as at December 31, 2006 and the results of its operations and changes in financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

LAKESHORE VILLAGE BUSINESS IMPROVEMENT AREA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2006**

1. ESTABLISHMENT AND OPERATIONS

The Lakeshore Village Business Improvement Area (BIA) is established as a Business Improvement Area under the management and control of a Board of Management appointed by Council of the City of Toronto.

The Board is entrusted with the improvements, beautification and maintenance of municipally owned lands, buildings and structures in the area, together with the promotion of the area as a business or shopping area. Funding is provided by property owners of the BIA who are levied a special charge based on an annual operating budget prepared by the Board and approved by Council under Section 220(17) of the Municipal Act, as amended.

2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements are the representation of management and have been prepared in accordance with generally accepted accounting principles for local governments as prescribed by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants (CICA), the most significant of which are as follows:

- (a) Revenues and expenditures are recorded using the accrual basis of accounting.
- (b) Capital expenditures are charged to operations in the year of acquisition.
- (c) Services provided without charge by the City of Toronto and others are not recorded in these financial statements.

3. CAPITAL AND MAINTENANCE

In order to finance major capital expenses, the BIA annually budgets certain amounts and accumulates them as surplus. Once adequate funds have accumulated, the BIA undertakes cost-shared capital improvement projects with the City. For this reason the actual expenses in a given year could significantly differ from the amount budgeted for the year. The excess actual expenses are financed out of accumulated surplus.

	\$	\$
Total special charges outstanding	6,029	5,882
Less: allowance for uncollected special charges	<u>(3,500)</u>	<u>(1,200)</u>

5. COMMITMENTS

The Board, in co-operation with the City, has implemented cost-shared capital improvement projects on publicly owned property for several years. The projects are long-term in nature and are usually completed subsequent to the year of Council's approval. The Board is committed to capital improvement projects of which the Board's share of \$17,000 was outstanding as at December 31, 2006.

6. INSURANCE

The Board is required to deposit with the Treasurer, City of Toronto, insurance policies indemnifying the City against public liability and property damage in respect of the activities of the Board. Insurance coverage providing \$5,000,000 for each occurrence or accident has been obtained by the Board, through the City of Toronto.
