

June 14, 2007

Ms. Ulli Watkiss
City Clerk
City of Toronto
Toronto City Hall
100 Queen Street West
Toronto, Ontario
M5H 2N2

Dear Ms. Watkiss:

At its meeting on Wednesday, June 13, 2007, the Commission considered the attached report entitled, "Green Roof Feasibility Report Roofing Rehabilitation Program."

The Commission approved the Recommendation contained in the report, as listed below:

"It is recommended that the Commission:

1. Endorse adoption of the City of Toronto report "Making Green Roofs Happen" to buildings owned by the Toronto Transit Commission.
2. Approve the staff recommendation to implement a green roof pilot project at the existing Victoria Park Subway Station, new Victoria Park Canopy, and the existing Wilson Carhouse (cool roof).
3. Authorize staff to seek approval of additional funds of \$3,200,000.00 (\$2,700,000.00 for Project 3.1 Finishes, Roofing Rehabilitation Program and \$500,000.00 for Project 3.9 Buildings and Structures Projects, Victoria Park Bus Terminal Replacement) in order to implement the green roof pilot project at the above locations as part of the 2008-2012 Capital Program, subject to City approval of the project and additional funding.
4. Forward this report to the Deputy City Manager and Chief Financial Officer, the City Manager and the City Budget Committee for consideration and confirmation of increased debt target financing and funding through the Green Municipal Funding Program."

The foregoing is forwarded to the City Budget Committee for information and necessary action, as noted above.

Sincerely,

Vincent Rodo
General Secretary
