MEMORANDUM

To: Civic Appointments Committee

From: Mayor David Miller

Re: Police Services Board Appointment

Recommendation:

That the Civic Appointments Committee consider recommending to Council that Alok K. Mukherjee be reappointed to the Toronto Police Services Board at the pleasure of Council for a term expiring November 30, 2010, and until his successor is appointed.

Comments:

Alok Mukherjee was appointed by Council in late 2004 and has not yet completed a full term on the Police Services Board. In October 2005, the Board elected Mr. Mukherjee as Chair.

The Board has greatly benefited from the contributions made by Mr. Mukherjee during his brief service on the Board, and it would be in the best interests of the City of Toronto and the Board if he were reappointed. His reappointment would allow Mr. Mukherjee the opportunity to build on his contributions and have a greater impact on the effective governance of the Police Services Board.

It would be appreciated if the Civic Appointments Committee would consider this matter as soon as possible in the new term, and that staff not proceed with any recruitment activity until directed to do so by the Committee.
