**New Municipal Code Chapter 19 - Business Improvement Areas****City Council Decision**

[City Council on June 11, 2007](#), adopted the following motions:

1. Council adopt a new City of Toronto Municipal Code, Chapter 19, “Business Improvement Areas” generally in accordance with Attachment No. 1, subject to:
  - i. amending Section 19-3 “Designation of a Business Improvement Area”, by:
    - a. **amending Section D to read as follows:**

**“D. to offer graffiti removal and poster removal services respecting building façades visible from the street, to all member property owners who provide written consent, upon approval of the program by the general membership of the business improvement area; and”;**
    - b. adding a new section F to read as follows:
 

**“F. to undertake strategic planning necessary to address business improvement area issues”;**
  - ii. amending Section 19-4, entitled “Limitations”; by deleting Clause F; and
  - iii. **Clause 19-4G of the proposed Municipal Code Chapter 19, Business Improvement Areas, remaining as presented in the report dated March 19, 2007, from the General Manager of Economic Development, Culture and Tourism.**
2. Council dissolve all existing Business Improvement Area Boards, as listed in Attachment No. 2, and re-establish them as City boards under Section 141 of the Act.
3. Council delegate to the appropriate Community Councils the authority to establish new BIA Boards following the designation of the BIA, unless the BIA is located within the boundaries of more than one Community Council, in which case new BIA Boards shall continue to be established by Council.
4. Municipal Code Chapter 27, Council Procedures, be amended to delegate to the

Community Councils the authority to establish new BIA Boards unless the BIA is located within the boundaries of more than one Community Council.

5. Authority be granted to the City Solicitor to submit any bills required to enact the new Municipal Code Chapter 19 and to amend Municipal Code Chapter 27, generally in accordance with the report recommendations and Attachment No. 1 of this report, subject to any necessary refinements, including stylistic, format and organization, as may be identified by the City Solicitor and City Clerk, and any other bills required to give effect to these recommendations.
6. **The matter of advocacy by the BIA Boards of Management be included in the report relating to limitations on BIAs to be submitted by the General Manager, Economic Development, Culture and Tourism.**
7. **The General Manager, Economic Development, Culture and Tourism, in consultation with the Chief Planner and Executive Director, City Planning, and the General Manager, Transportation Services, report to the Economic Development Committee on the implementation of the Emery Village Master Plan, such report to address how to implement the beautification plan under the existing by-law.**
8. **The following motion be referred to the Economic Development Committee, and the General Manager, Economic Development, Culture and Tourism, be requested to report on this motion, for consideration by Committee at its July 5, 2007 meeting and submission to City Council:**

Moved by Councillor Moscoe:

**“That:**

1. **In a manner similar to the graffiti provision enacted by City Council on February 16, 2005, ‘Municipal Code Chapter 485’, Council hereby declares that repairs that are ordered by the City through work orders issued by the City to the exterior of commercial properties are or could become or cause a public nuisance.**

**The benefit to the City of resisting the deterioration of a strip plaza far outweighs the benefit that any property owner might derive from the execution of a work order which being a public nuisance can adversely affect property values, business opportunities and the enjoyment of life.**

**The deterioration of the exterior elements of commercial and industrial properties has been shown to lead to ‘urban blight’ degrading the community and often resulting in an increase in crime.**

2. **Consistent with Sections 329 and 331 of The City of Toronto Act, 2006, (COTA) and Regulation 594/06, if approved by the general membership of the Business Improvement Area (BIA), execution of work orders to the exterior of BIA properties that are the collective responsibility of the BIA shall be treated in the same manner as graffiti removal.**
  
3. **The General Manager, Economic Development, Culture and Tourism, in consultation with the Chief Planner and Executive Director, City Planning, and the City Solicitor, be requested to report to the Licensing and Standards Committee on the feasibility of utilizing Sections 28 and 29 of the Planning Act for the rehabilitation of strip plazas and industrial corridors.**
  
4. **Section 19-4C of the new City of Toronto Municipal Code Chapter 19, ‘Business Improvement Areas’, be amended by adding the words ‘unless specifically authorized by Council’, so that the Section now reads as follows:**

**‘A board shall not...**

**C. borrow or lend money unless specifically authorized by Council;’.**
  
5. **Section 19-4G of the new City of Toronto Municipal Code Chapter 19, ‘Business Improvement Areas’ be amended by adding the words ‘unless specifically authorized by Council’, so that the Section now reads as follows:**

**‘A board shall not...**

**G. make or fund improvements to private property, with the exception of graffiti and postering removal initiatives as per Section 19-3D, unless specifically authorized by Council.’**
  
6. **A copy of Item EX8.10 be forwarded to the Community Councils for information.”**

## Long-Term Employment Land Strategy

### City Council Decision

City Council on June 11, 2007, adopted the following motions:

1. The General Manager, Economic Development, Culture and Tourism, the Deputy City Manager and Chief Financial Officer, Chief Planner and Executive Director, City Planning, and the President and CEO of the Toronto Economic Development Corporation develop a financial incentive program for all of the Employment Districts to stimulate new investment and job growth, ensure Toronto's competitive position within the region, and encourage best environmental and green building practices.
2. Staff be requested to report back to the Economic Development Committee in September 2007, on the implementation of an incentive program, **the report to include comment on the efficacy of increased residential development charges in increasing the financial attractiveness to the landowner of maintaining land for employment purposes versus the alternative of residential development of that land.**
3. The General Manager, Economic Development, Culture and Tourism, report back on options as part of a strategy to better direct capital improvement programs giving consideration to the needs of Employment Districts by improving their functionality, increasing their attractiveness for new investment and stimulating reinvestment by existing firms.
4. The Chief Planner and Executive Director, City Planning, in consultation with the General Manager, Economic Development, Culture and Tourism, explore the potential for requiring a "no net loss" policy for employment space when Secondary Plans are developed which involve the potential re-designation of Employment Area lands outside of Employment Districts.
5. The General Manager, Economic Development, Culture and Tourism, and the Chief Planner and Executive Director, City Planning, in consultation with the Chief Building Official, examine the role of using demolition control for buildings in the

Employment Districts as a means of supporting the City's employment objectives and report back as needed.

6. City staff review an inventory of all municipal land holdings over one acre in size within the Employment Districts and use it as a basis for evaluating employment growth potential and/or further employment intensification with these areas.
7. The Toronto Economic Development Corporation (TEDCO) identify opportunities to build new industrial/commercial space within the Employment Districts and the resources required to implement an annual development program; and that TEDCO and City staff also explore examples from other Cities of policies or interventions that promote intensification of, and/or reinvestment in, industrial properties.
8. The Sterling Road Employment Area be included in the financial incentive program and that the General Manager, Economic Development, Culture and Tourism, and the Chief Planner and Executive Director, City Planning, be requested to assess the need for including other Employment Areas in the City.
9. The Chief Planner and Executive Director, City Planning, re-examine the interpretation of the Mixed Use designation and assess the need for replacement of all existing commercial/employment space, and in the absence thereof assign a minimum percentage of commercial/employment space to be built on the lands; **and further, the Chief Planner and Executive Director, City Planning, also review:**
  - a. **the feasibility of requiring that all applications to demolish and rebuild, for proposed residential use, on lands previously used for retail commercial purposes, provide that the previous total square footage of commercial retail space remain used only for commercial retail purposes; and**
  - b. **the feasibility of establishing a maximum residential portion for mixed use properties, with specific criteria, as well as the guidelines and rationale for those criteria;**

**these reviews to include consultation with interested Members of Council; and the Chief Planner and Executive Director, City Planning, report to the Planning and Growth Management Committee on the status of these reviews by the end of the third quarter of 2007.**
10. **The Chief Planner and Executive Director, City Planning, in consultation with the City Solicitor, be directed to submit a status report for the June 26, 2007 Toronto and East York Community Council meeting on all outstanding appeals to the Ontario Municipal Board for lands within the South of Eastern Area Study boundary areas, including a status report on any related studies.**
11. **The Chief Planner and Executive Director, City Planning, in consultation with the General Manager, Economic Development, Culture and Tourism, report to**

**the Planning and Growth Management Committee on a strategy and policy to include Arts and Cultural Districts (such as film, television, dance, theatre and the visual arts) as part of the Employment Lands Strategy and to consult with the Toronto Arts Council staff in the production of the report.**

12. **The City of Toronto’s policy respecting the disposal of surplus municipal property be amended to include a provision to determine whether the surplus land is suitable for use under the Long-Term Employment Land strategy.**
13. **The following motions be referred to the General Manager, Economic Development, Culture and Tourism, with a request that he address them as part of the report requested in Part 2 (above):**

**Moved by Councillor Carroll:**

**“That the General Manager, Economic Development, Culture and Tourism, be requested to report to the Economic Development Committee on an employment growth strategy for the Consumers Road Business Park to stimulate the creation of new high value jobs.”**

**Moved by Councillor Hall:**

**“That:**

1. **the General Manager, Economic Development, Culture and Tourism, be requested to report to the Economic Development Committee on an employment growth strategy for the Kelloggs Lands at Finch Avenue and Highway 27 to stimulate the creation of new high value jobs; and**
2. **the Chief Planner and Executive Director, City Planning, be requested to report to the Etobicoke York Community Council on establishing a Community Improvement Plan area to support the introduction of financial incentives to support the City’s employment intensification objectives.”**

**Moved by Councillor Moscoe:**

**“That, consistent with the strategies recommended in the Hemson report, specifically as they relate to local road improvements, the General Manager, Economic Development, Culture and Tourism, in co-operation with the Chief Planner and Executive Director, City Planning, and the General Manager, Transportation Services, report to the Planning and Growth Management Committee on the implications of the results of the Charette for the Dufferin/Keele South Employment District.”**

**Moved by Councillor Perruzza:**

**“That:**

1. **the General Manager, Economic Development, Culture and Tourism, be requested to report to the Economic Development Committee on an employment growth strategy for the Sheppard/Keele employment district to stimulate the creation of new high value jobs; and**
2. **the Chief Planner and Executive Director, City Planning, be requested to report to the North York Community Council on establishing a Community Improvement Plan area to support the introduction of financial incentives to support the City’s employment intensification objectives.”**

**Moved by Councillor Thompson:**

**“That the General Manager, Economic Development, Culture and Tourism, be requested to report to the Economic Development Committee on an employment growth strategy for Dorset Park and Midland Park to stimulate the creation of new high value jobs.”**

### **Parks Renaissance Strategy - Progress Report**

#### **City Council Decision**

[City Council on June 11, 2007, adopted the following motions:](#)

1. Council endorse, in principle, the preliminary list of the following eight action areas, and perspectives which were not included in the previous Parks Renaissance Strategy report, where future investments and activities should be concentrated in order to create a ‘Parks Renaissance’:
  - a. Improving the Overall Quality of Parks and Trails:
    - Expedite the construction of bike trails through the parks system and report back on the establishment of a standard for park bike trails in the City;
    - Create a “City waterfront park” linkage for the City through art and design;
  - b. Natural Areas: Education and Stewardship at the Forefront;
  - c. City-Wide Parks: Management Plans to Maintain a Diversity of Experiences:
    - Identify and recommend strategies for the growth of Arts and Culture taking place in our public parks with special consideration to the promotion of Arts and Culture through co-ordination and collaboration with community partners such as the Arts Council;
  - d. Local Parks: Create Hubs of Neighbourhood Activity:
    - Explore with School Boards development and use of sports fields;

- e. Trails: Build a Significant Trail System:  
  
Establish the Don Green Way as a significant waterfront natural linkage from the Lake to the mouth of the Don River;
  - f. Engage People: Better Communication and Involvement:  
  
Identify the role of the Parks, Forestry and Recreation web page and other internet related marketing opportunities as well as identify the opportunities for collaboration with Tourism Toronto on the promotion of Destination Parks;
  - g. Financing the Renaissance: Increased Funding and Partnership Opportunities; and
  - h. Integrating Toronto's Climate Change Operational:  
  
Identify the role of Parks, Forestry and Recreation in meeting the City's Tree Canopy goals including enhancement of current tree planting policies and practices;  
  
Stimulation and support for local food production and consumption initiatives such as community gardens and farmer's markets;  
  
Highlighting opportunities for renewable energy demonstration projects;  
  
Meeting the City's solid waste reduction goals; and
2. the General Manager, Parks, Forestry and Recreation:
- a. as part of the community consultation process, hold information meetings in specific wards to gain the perspective of park users' preferences; and
  - b. report to the Parks and Environment Committee on the Parks Renaissance Strategy, in time for the 2008 budget considerations, and include in the report strategies for engaging marginalized and low-income communities in advisory roles in parks management.
