#### **Premier Ranked Tourist Destination Framework**

(January 8, 2007) report from General Manager, Economic Development, Culture and Tourism.

### Committee Recommendations

The Economic Development Committee recommends that Councillor Michael Thompson be nominated to participate with industry stakeholders on the Premier Ranked Tourist Destination Framework Steering Committee.

### Financial Impact

There are no financial implications resulting from the adoption of this report.

### Summary

The purpose of this report is to inform Council about a strategic planning initiative which will strengthen Toronto's tourism sector and appoint a member of the Economic Development Committee to the project's Steering Committee. The Premier Ranked Tourist Destination Framework (PRTDF) is a SWOT analysis of Toronto's amenities as a tourist destination and action plan for addressing opportunities and challenges in the future. It uses a templated process developed by the Ontario Ministry of Tourism which has proven effective in nine other Ontario destinations. Additional PRTDF projects are underway in eight other municipalities as well as in Toronto. The PRTDF engages industry stakeholders in shared learning, evaluation and planning for the future. About 100 people will participate on various sub-committees. It is recommended that the City of Toronto be represented on the project Steering Committee by a member of the Economic Development Committee. This will enhance the understanding of tourism issues and the role the City could play in strengthening the sector and the visitor experience in the future.

## Decision Advice and Other Information

The Economic Development Committee:

- a. referred the following Recommendation 1. in the communication from Councillor Ootes to the City Solicitor for a report to the appropriate Standing Committee:
  - “1. the appropriate staff report to the Economic Development Committee at its February 21, 2007, meeting on how the City of Toronto, working with the Toronto Police Service, can implement and enforce a by-law that would prohibit panhandling within the officially designated tourist areas;” and
- b. referred the following Recommendation 2. in the communication from Councillor Ootes to the General Manager, Parks, Forestry and Recreation for a report to the appropriate Standing Committee:
  - “2. the Deputy City Manager and the General Manager of Parks, Forestry and Recreation, working in conjunction with Tourism Toronto, be requested to prepare, as soon as possible, a report for Council that addresses how to attract RV tourism to Toronto, including the following specific issues:
    - potential sites near the downtown core that are easily accessible to public transit (e.g., Exhibition Place, Downsview Park);
    - assessment of properties that could accommodate RV campsites, providing access to utilities such as electricity, water and sewage disposal;
    - ideas on how to effectively promote Toronto as a prime camping destination for RV, trailer and motor home enthusiasts; and
    - consultation with relevant stakeholders to obtain input in this process (i.e., the Recreational Vehicle Industry Association, "Go RVing", etc.).”

3. the appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

### Financial Impact

No City funding is required since Business Improvement Area budgets are raised by a special levy on members which totals \$13,859,625 in this report.

All of the 2007 BIA operating budgets submitted for consideration are balanced budgets. The appeal provision surplus or appeal provision deficit for each individual BIA, as determined by the Revenue Services Division, has been addressed by each BIA and incorporated into their 2007 Operating Budget. The BIA budgets have provided for required capital cost-sharing contributions for those projects approved in 2006 or prior and carried forward into 2007, as well as new capital cost-share projects proposed in the 2007 Capital Budget for Economic Development, Culture and Tourism.

### Summary

This report brings forward Business Improvement Area (BIA) annual operating budgets for approval by Council as required by the City of Toronto Act, 2006. Council approval is required to permit the City to collect funds through the tax levy on behalf of the BIAs. Complete budgets and supporting documentation received by December 22, 2006, have been reviewed and are reported herein; BIA budgets received after this date will be brought forward in later reports. Of the 60 established BIAs, 52 BIA budgets are submitted for approval in this first report. The recommendations reflect 2007 approved budgets for BIAs and have been reviewed by staff to ensure BIA budgets reflect Council's approved policies and practices.
