#### 71 Jane Street - Amendments to Parking Regulations

(January 16, 2007) report from Director, Transportation Services and Etobicoke York District

#### Summary

The purpose of this report is to propose an amendment to the existing parking regulations on Jane Street, between Rivercrest Road and Weatherell Street based on the results of Transportation Services staff investigation. The implementation of less restrictive parking regulations would allow pick-up and drop-off activities to occur at this location which are required to service the school.
