SUMMARY

This staff report is about a matter for which the community council has delegated authority from City Council to make a final decision.

The purpose of this report is to propose an amendment to the existing parking regulations on the west side of Boylen Street, between Ettrick Crescent and Pelmo Crescent based on the results of Transportation Services staff investigation. The implementation of a more restrictive regulation would prevent Humber Memorial Hospital visitors from parking for extended periods on Boylen Street.

RECOMMENDATIONS

Transportation Services recommends that Etobicoke York Community Council approve:

1. Rescinding the existing parking prohibition from 2:00 a.m. to 6:00 a.m., daily on the west side of Boylen Street, between Ettrick Crescent and Pelmo Crescent; and
2. Prohibiting parking from 7:00 a.m. to 7:00 p.m., Monday to Friday on the west side of Boylen Street, between Ettrick Crescent and Pelmo Crescent.

ISSUE BACKGROUND

Councillor Frances Nunziata, on behalf of area, requested Transportation staff to review resident concerns regarding the transient parking that occurs on this section of Boylen Street for extended periods while visiting Humber Memorial Hospital.

COMMENTS

Boylen Street, between Ettrick Crescent and Pelmo Crescent operates two-way on a pavement width of 7.3 metres with a maximum speed limit of 40 km/h. Parking is prohibited at all times on the east side of Boylen Street, between Ettrick Crescent and Pelmo Crescent. Parking is also prohibited from 2:00 a.m. to 6:00 a.m., daily, on the west side of Boylen Street, between Ettrick Crescent and Pelmo Crescent. Parking is allowed for a maximum period of three hours at all other times.

Introducing a stringent parking regulation to operate from 7:00 a.m. to 7:00 p.m., Monday to Friday, will dramatically reduce the amount of transient parking currently occurring on the west side of Boylen Street, between Ettrick Crescent and Pelmo Crescent, that impacts the adjacent residents.
