71 Jane Street - Amendments to Parking Regulations

(January 16, 2007) Report from Director, Transportation Services and Etobicoke York District

Committee Recommendations

The Etobicoke York Community Council deferred this report to its October 2, 2007 meeting

Summary

The purpose of this report is to propose an amendment to the existing parking regulations on Jane Street, between Rivercrest Road and Weatherell Street based on the results of Transportation Services staff investigation. The implementation of less restrictive parking regulations would allow pick-up and drop-off activities to occur at this location which are required to service the school.

As Jane Street is a transit route, this matter requires the approval of City Council. Toronto Transit Commission (TTC) staff has been advised of the issue and have not objected to the recommendations.
