## ISSUE BACKGROUND

Transportation Services received a request from the parents' committee and the principal of General Mercer Junior Public School, to have the existing school bus loading zone, fronting the school relocated and as a result, amend the current parking regulations to accommodate additional parking spaces for pick-up and drop-off activities at the school and to alleviate the amount of congestion created by motorists during peak drop-off and pick-up times.

## COMMENTS

Turnberry Avenue is a local road in the residential community located east of Old Weston Road and south of Rogers Road with a road width of approximately 7.3 metres and a posted speed limit of 40 km/h. There are sidewalks on both sides of this street.

Currently, parking is prohibited from 9:15 a.m. to 11:30 a.m., 1:00 p.m. to 3:00 p.m., and 4:00 p.m. to 6:30 p.m., Monday to Friday, on the north side of Turnberry Avenue. Parking is prohibited at all times on the south side of Turnberry Avenue, at points of 30.5 metres east and 30.5 metres west of Chambers Avenue.

A 10-Minute Time Limit parking regulation is also in effect from 8:30 a.m. to 9:15 a.m., 11:30 a.m. to 1:00 p.m., and 3:00 p.m. to 4:00 p.m., Monday To Friday on the north side of Turnberry Avenue. An existing school bus loading zone is located on the north side of the roadway located at the west limit of the school property.

A "No Stopping, 8:30 a.m. to 6:30 p.m., Monday to Friday" regulation exists on the north side of Turnberry Avenue fronting the school. Permit Parking is allowed on both sides of the street from Silverthorn Avenue to Old Weston Road.

General Mercer Junior Public School has reduced the number of school buses that service the school. As a result, the existing school bus loading zone on Turnberry Avenue needs to be reduced, and the parking regulations need to be amended in order accommodate the influx of vehicles dropping-off and picking-up students at General Mercer Junior Public School.
