Toronto Civic Employees' Pension and Benefit Fund - Actuarial Report as at December 31, 2006

(May 25, 2007) report from Treasurer

Summary

This report will present the 2006 Actuarial Valuation Report on the Toronto Civic Employees' Pension & Benefit Fund along with information regarding the increase in benefits for pensioners payable as of January 1, 2007 under the cost-of-living provisions of the Fund's governing by-law, and staff comments.

The 2006 Actuarial Valuation results of the Toronto Civic Employee's Pension & Benefit Fund highlight the continued strong financial position of the Plan. The Fund's Excess Interest Indexing Provision provides for an increase in pensions by the full 2.04% increase in the Consumer Price Index effective January 1, 2007. This staff report along with the 2006 Actuarial Valuation is therefore being submitted for information.

Financial Impact

As of January 1, 2007, the pension plan had an actuarial surplus of \$156.6 million. This surplus will be used to fund the 2007 cost-of-living increase of 2.04% at a cost of \$5.84 million on a going-concern basis and \$6.77 million on a solvency basis.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact statement.

Metropolitan Toronto Pension Plan - Actuarial Report as at December 31, 2006

(May 25, 2007) report from Treasurer

Recommendations

The Treasurer recommends that:

1. The 2006 Actuarial Report for the Metropolitan Toronto Pension Plan be received.
2. An increase of 2.01% be granted on pensions, effective January 1, 2007 to pensioners on benefit for more than one year and a proportionate increase of 0.1675% for each month of pension payment made in 2006 be granted for pensioners who retired during 2006.
3. By-Law No. 15-92 of the former Metropolitan Corporation governing the Metropolitan Toronto Pension Plan as amended to date be further amended accordingly and authority be granted to introduce the necessary bill in Council.
4. The appropriate City officials be authorized to take the necessary action to give effect to the foregoing recommendations.

Financial Impact

The estimated cost of the increase is \$11.9 million and is payable from the Plan's Indexation Reserve Account. The balance of the indexation reserve account is currently \$114.5 million.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact statement.

Summary

This report will present the 2006 Actuarial Valuation on the Metropolitan Toronto Pension Plan along with a recommendation regarding an increase in payments to pensioners as of January 1, 2007.

The 2006 Actuarial Valuation results of the Metropolitan Toronto Pension Plan highlight the continued strong financial position of the Plan. The actuary has recommended that an increase of 2.01% be granted on pensions effective January 1, 2007. The cost of this increase is approximately \$11.9 million and is funded from the Plan's Indexation Reserve Account which has a current balance of \$114.5 million.

2a Metropolitan Toronto Pension Plan Report on the Actuarial Valuation for Funding Purposes as at December 31, 2006

(May 18, 2007) letter from Board of Trustees of the Metropolitan Toronto Pension Plan

Recommendations

The Board of Trustees of the Metropolitan Toronto Pension Plan recommends to the Government Management Committee that City Council adopt the following recommendation in the Recommendation Section of the report (April 2007) from Anil Narale, Principal, Mercer Human Resource Consulting:

“It is recommended that an increase of 2.01% be granted on pensions, effective January 1, 2007, to pensioners on benefit for more than one year and a proportionate increase of 0.168% for each month of pension payment made in 2006 be granted for pensioners who retired during 2006, for which the total estimated cost is \$11,137,000 on the going-concern basis, or \$11,926,000 on the solvency basis.”

Summary

The Board of Management of the Metropolitan Toronto Pension Plan on April 18, 2007, considered a communication (April 10, 2007) from Anil Narale, Mercer Human Resource Consulting, forwarding the Metropolitan Toronto Pension Plan Report on the Actuarial Valuation for Funding Purposes as at December 31, 2006 (April 2007).

The Corporation of the City of York Employee Pension Plan - Actuarial Report as at December 31, 2006

(May 25, 2007) report from Treasurer

Recommendations

The Treasurer recommends that:

1. The “Report on the Actuarial Valuation for Funding Purposes as at December 31, 2006” for the Corporation of the City of York Employee Pension Plan, be received.
2. The existing authorization for the City to make special annual payments of:

2007 - \$3,973,474	2012 - \$1,925,604
2008 - \$3,738,444	2013 - \$763,152
2009 - \$3,112,104	2014 - \$413,844
2010 - \$2,401,980	2015 - \$64,524
2011 - \$2,260,104	

to the Corporation of the City of York Employee Pension Plan to eliminate the Fund’s going-concern unfunded liability and solvency deficiency be modified by reducing the payments to:

2008 - \$3,348,596
2009 - \$2,972,736
2010 - \$2,120,736

The existing payment of \$3,973,476 for 2007 remains unchanged and the payments for the years 2011 to 2015 are to be eliminated, subject to discontinuation as Council may determine, if any subsequent actuarial valuation indicates the existence of sufficient excess assets in the Corporation of the city of York Employee Pension Plan;

3. This report be forwarded to the Executive Committee for consideration.
4. The appropriate City officials be authorized to take the necessary action to give effect to the foregoing recommendations.

Financial Impact

The City currently makes special payments of \$374,473 per month (\$4.494 million per year) with respect to existing solvency and going-concern deficiencies in the York Employee Pension

Plan as required under the Ontario Pension Benefits Act which as scheduled, dropped to \$331,123 per month (\$3.973 million per year) effective January 1, 2007.

The scheduled special payment of \$3.973 million for 2007 is provided in the 2007 Non-Program Budget. Therefore, there is no further budget impact in 2007. Funding for future years' payments will be included in the respective years' Non-Program Budget submission.

The chart below illustrates the revised funding required for the York Pension Plan as a result of this most recent valuation.

Metropolitan Toronto Police Benefit Fund – Actuarial Report as at December 31, 2006

(May 25, 2007) report from Treasurer

Recommendations

The Treasurer recommends that:

1. The "Report on the Actuarial Valuation for Funding Purposes as at December 31, 2006" prepared by Mercer Human Resource Consulting with respect to the Metropolitan Toronto Police Benefit Fund, be received.
2. The existing authorization for the City to make special annual payments of \$4,903,200 until 2014, and \$4,677,600 in 2015 to the Police Benefit Fund, to eliminate the fund's going-concern liability be discontinued.
3. The existing authorization for the City to make special annual payments of \$11,400,000 in each of the years 2007 and 2008, \$10,708,800 in 2009 and \$5,768,400 in 2010 to the Police Benefit Fund to eliminate the fund's solvency deficiency determined as of December 31, 2005 be modified by reducing the payments to \$7,339,200 for each of the

years 2007 and 2008, \$6,648,000 in 2009, \$1,707,600 in 2010 and adding \$842,400 in 2011, subject to discontinuation as Council may determine, if any subsequent actuarial valuation indicates the existence of sufficient excess assets in the Police Benefit Fund.

4. The City reaffirm the designation of the \$7,354,800 excess special payments made in 2005 and 2006 to be a contribution credit to be applied equally against the 2007, 2008 and 2009 funding requirements.
5. This report be forwarded to the Executive Committee for consideration.
6. The appropriate City officials be authorized to take the necessary action to give effect to the foregoing recommendations.

Financial Impact

The City currently makes special payments of \$8,948,400 per year with respect to existing solvency and going-concern deficiencies in the Metropolitan Toronto Police Benefit Fund as required under the *Ontario Pension & Benefits Act*. In the 2006 Valuation, the going-concern deficiency has been eliminated and the solvency deficiency reduced. A credit of \$2,451,600 is to be applied to the payments for the years 2007 to 2009, resulting in special payments in the amount of \$4,887,600 for 2007. The chart below illustrates the revised funding required for the Metropolitan Toronto Police Benefit Fund until 2011 as a result of this most recent valuation.

Unsolicited Quotations or Proposals - Revised Policy

(May 15, 2007) report from Treasurer

Recommendations

The Treasurer recommends that:

1. The new Unsolicited Quotations or Proposal Policy attached as Appendix 1 to this report be approved.
2. The current Policy on Unsolicited Quotations and Proposals, Section 4.0 of the Procurement Processes Policy, be repealed.

Implementation Points

Upon approval, this policy will be communicated to all City Divisions and be posted on the City's public website.

Financial Impact

There are no financial impacts as a result of this report.

Summary

The purpose of this report is to revise the City's policy for responding to unsolicited quotations or proposals. Essentially, the City's current policy is not to consider unsolicited quotations or proposals, however, it does allow for exceptional cases where a division head wishes to accept an unsolicited quotation or proposal. The acceptance can be done with Council approval. Recent events and recent Council requests have spurred staff to bring forward a more comprehensive policy for Council's consideration and approval.

The new policy proposed will still limit the circumstances under which unsolicited quotations or proposals will be considered. They should not be used to undermine or supersede the City's commitment to open, transparent and competitive procurement. In circumstances when an unsolicited quotation or proposal could be considered, the policy outlines comprehensive information requirements that must be met within the quotation or proposal. In effect, the vendor would be asked for the same amount of information as if they were submitting the proposal or bid to a Request for Proposal (RFP), Request for Quotation (RFQ) or Tender Call issued by the City. This section of the policy will ensure that frivolous quotations or proposals are screened out and that staff resources spent on evaluating viable quotations or proposals are economized.

This report also addresses the issue of renewing leases for Parks Forestry and Recreation concessions and staff are not recommending any changes to current City policy other than what is recommended under the unsolicited quotation or proposal policy outlined in this report.

Consolidating Oracle Corporation Canada Inc. Contracts

(May 29, 2007) report from Chief Information Officer; and Director, Purchasing and Materials Management

Recommendations

The Chief Information Officer in the Information and Technology Division and the Director of Purchasing and Materials Management Division recommend that:

1. Council authorize staff in the Information & Technology Division and the City Solicitor's Office to negotiate and enter into a contract with Oracle Corporation Canada Inc. for the supply, delivery and maintenance and support of Oracle licences, and for professional service, such contract to have a term ending no later than December 31, 2012, in an amount not to exceed \$19,709,028.00 net of GST, and in a form satisfactory to the City Solicitor.
2. Council authorize staff to extend the Client Level Agreement under the Province of Ontario's Master Standing Agreement and Blanket Contract 47011278 with Oracle Corporation Canada Inc. to acquire licences in an amount not to exceed \$1,017,360.00 net of GST, until March 30, 2008 or until a new consolidated contract is executed, whichever is earlier.

Financial Impact

Licences and First Year Maintenance – under Provincial Agreement (47011278) to March 2008

It is expected that \$1,017,360.00 net of GST, of net new Oracle licences will be acquired between now and March 30, 2008. This will include an estimated 184 licences for approved capital programs such as Data Mart/CNS, Digital Audio Recording System for Court Services, 3-1-1, and Document Management. The estimated net cost to the City from the extension of the Client Level Agreement will include the cost of the licences of \$822,960.00 net of GST, and first year maintenance costs of \$194,400.00 net of GST for a total amount of \$1,017,360.00 net of GST.

The funding for additional licences and annual maintenance services required by City divisions is included in each division's respective operating or capital budgets every year.

Licences and First Year Maintenance – under Consolidated Agreement

It is anticipated that the City will spend \$1,620,000.00 per year net of GST between 2008 and 2012 for a total of \$8,100,000.00 net of GST over 5 years for net new licences required by City Divisions as new applications are developed.

Professional Services

It is anticipated that \$216,000.00 per year net of GST will be required in each year of the contract for professional services such as the installation and configuration of Oracle software, for a total of \$1,080,000.00 net of GST over five years. The funding for professional services required by City Divisions will be included in each division's respective operating or capital budgets every year.

Summary

The Auditor General recommended at its January 22, 2006 meeting, recommendation 11, that the Chief Corporate Officer review computer contracts to determine if consolidation opportunities exist.

The Information & Technology Division has identified three (3) contracts with Oracle Corporation Canada Inc., which will expire by December 31, 2007, that can be consolidated. The contracts are as follows:

- 47011278 for Oracle software licences.
- 47010429 for maintenance and support services for Oracle licenses
- 6021582 for Social Services (licenses, support and professional services).

The Information & Technology Division would like to negotiate and enter into a single contract for all of the above contracts with Oracle Corporation Canada Inc. for the supply, maintenance and support of Oracle licences and for related professional services.

Sole Source Contract for Proprietary Consumable Supplies, Operating Accessories and Service with Zoll Medical Canada Inc. for Monitor/Defibrillator Equipment

(May 16, 2007) report from Chief and General Manager, Toronto EMS and Director of Purchasing and Materials Management Division

Recommendations

The Chief and General Manager, Emergency Medical Services and the Director of Purchasing and Materials Management, recommend that:

1. City Council grant authority to:
 - (a) award a sole source contract to Zoll Medical Canada Inc. for proprietary cardiac monitor/defibrillator consumable supplies and operating accessories in the amount of \$2,132,000, net of GST, for the period July 29, 2007 to December 31, 2009; and
 - (b) award a sole source contract to Zoll Medical Canada Inc. for cardiac monitor/defibrillator maintenance service and repairs in the amount of \$214,000, net of GST, for the period July 29, 2007 to December 31, 2009.

Financial Impact

The total contract award identified in this report is \$2,476,333.33, including all applicable taxes and charges. The cost to the City net of GST is \$2,346,000. Funds are available in the Toronto Emergency Medical Services' 2007 Approved Operating Budget. Account No. B46700 includes \$782,000 for consumable supplies, operating accessories and maintenance and repair services. The balance of the contract of \$1,564,000 will be included in EMS' 2008 and 2009 operating budget submissions.

The consumable materials in the consumables contract will be purchased by the Materials Management Section of the Purchasing and Materials Management Division for EMS stores inventory purposes. The consumable material value will be held in an inventory holding Balance Sheet Account (160108) until EMS operations staff require the material to support their work programs at which time the material value will be charged to EMS' operating budget.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

Summary

The purpose of this report is to request Council authority to issue two sole source contracts to Zoll Medical Canada Inc. for (1) proprietary cardiac monitor/defibrillator consumable supplies and operating accessories, and (2) cardiac monitor/defibrillator maintenance service and repairs

for a total combined contracts amount of \$2,346,000, net of GST, for the period July 29, 2007 – December 31, 2009.

Cancellation, Reduction or Refund of Property Taxes - Hearing No. 3

Statutory - City of Toronto Act, 2006

(May 18, 2007) report from Treasurer

Recommendations

The Treasurer recommends that:

1. The individual tax appeal applications made pursuant to section 323 of the City of Toronto Act, 2006 resulting in tax adjustments totalling \$633,288.64, including reductions in Business Improvements Area charges and excluding phase-in/capping adjustments, as identified in Appendix A, be approved.
2. The individual tax appeal applications made pursuant section 325 of the City of Toronto Act, 2006 resulting in tax adjustments totalling \$274,114.72, excluding phase-in/capping adjustments, as identified in Appendix B, be approved.
3. The appropriate City Officials be authorized and directed to take the necessary action to give effect thereto.

Financial Impact

This report recommends that Council cancel, reduce or refund taxes in the amount of \$907,403.36 (including reductions in Business Improvement Area charges and excluding phase-in/capping adjustments) as summarized in appendices A and B, attached. The City's share of approximately \$487,691.79 will be funded from the 2007 Tax Deficiency Account (Non-Program Budget). The education portion totalling \$418,983.69 will be recovered from the province/school boards, and the Business Improvement Area (BIA) reductions totalling

\$727.88 will be funded from the respective BIA provision.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

Summary

This report deals with applications filed by taxpayers to the Treasurer under sections 357 and 358 of the Municipal Act, 2001 as continued under section 323 and 325 of the City of Toronto Act, 2006 (COTA). Section 323 permits Council to cancel, reduce or refund taxes in cases where, during the year, a property undergoes changes that may affect its taxes. Examples of such changes are when a property is destroyed by fire or demolished, or it becomes exempt from taxation, or is reclassified due to a change in use etc. Under section 325 of the COTA, taxpayers can request a cancellation, reduction or refund of taxes when an error in the assessment is detected which results in an overcharge.

The legislation requires Council to hold a public meeting where the applicants may make submissions. Council has delegated authority to hold such public meetings to the Government Management Committee.

Staff have mailed Notices of Hearing to affected taxpayers and recommend approval of the applications as listed in appendices A and B.

Establishing a Uniformed Criterion for Defining High Volume Water Accounts Across the City of Toronto

(May 22, 2007) report from Treasurer

Recommendations

The Treasurer recommends that:

1. Commencing September 1, 2007, authority be granted to the Director of Revenue Services to regularly review and update the classification of water accounts such that:
 - a. a water account will be deemed a “high volume” water account and billed on a monthly basis where:
 - (i) the water consumption in a calendar year for the account is greater than

6,000 cubic metres; or

- (ii) the water consumption is estimated by the City for the current calendar year, based on the water consumption for the account for the immediately preceding calendar year, to be greater than 6,000 cubic metres;
 - b. if a water account has previously been classified as “low volume” and the average annual water consumption for the account for two consecutive calendar years is greater than 6,000 cubic metres, the water account shall be re-classified as “high volume”;
 - c. if a water account has previously been classified as “high volume” and the water consumption for the account for the last calendar year is less than 4,500 cubic metres, the account shall be re-classified as “low volume”; and
 - d. if a water account has previously been classified as “high volume” and the average annual water consumption for the account for two consecutive calendar years is 4,500 cubic metres or greater but does not exceed 6,000 cubic metres, the account shall be re-classified to “low volume”.
2. That affected by-laws of the former municipalities (The Corporation of the City of Toronto Municipal Code, Chapter 340; The Corporation of the City of Etobicoke, Chapter 257; Scarborough Public Utilities Commission of the City of Scarborough, Bylaw Number 30; City of North York, By-Law Number 32789; The Corporation of the Borough of York, By-Law Number 1259-71; The Corporation of the Borough of East York, By-Law 11-90) be amended accordingly to reflect the foregoing.
3. The appropriate City officials be authorized to take the necessary action to give effect thereto.

Financial Impact

Adopting a consumption-based criteria of “greater than 6,000 cubic metres” of water usage per year, for the purpose of defining what constitutes a high volume water account for billing purposes, will redistribute the amount of water consumption read and billed on a monthly versus a tri-annual basis. Approximately \$11.9 million (based on 2006 consumption data) will shift from being read and billed on a tri-annual basis (as a low volume account) to a monthly basis (as a high volume account), generating additional monthly cash-flow of approximately \$990,000 per month or \$248,000 per week, thus allowing the City to earn additional investment income. The City of Toronto will not experience change in the total annual water revenue from the redistribution of cash-flows.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

Summary

This report recommends uniform criterion for defining what constitutes a high volume water account for billing purposes (i.e. determining which water accounts should be billed on a

monthly basis versus a tri-annual basis). The analysis shows that the re-categorization of the high volume customer base, using the recommended annual water consumption threshold level of greater than 6000 cubic metres, will incrementally accelerate the collection of water revenue on a monthly basis; and, will improve the overall cashflow management of the revenue stream for the Water and Wastewater Program.

Approval to Initiate and Participate in Assessment Appeals

(May 14, 2007) report from Treasurer

Recommendations

The Treasurer recommends that:

1. The assessment appeals initiated by Revenue Services staff, as identified in Appendix A of this report, be authorized by Council.
2. City participation in the assessment appeals initiated by the taxpayer, as identified in Appendix B to this report, be authorized by Council and actions taken to-date by Revenue and Legal Services staff in respect to these appeals be approved.
3. Authority be delegated to the Director of Revenue Services, in consultation with the City Solicitor, to take all steps appropriate to deal with the appeals identified in this report including authority to withdraw appeals filed by the City or end its participation or execute Minutes of Settlement or other settlement documentation.
4. The appropriate City staff be authorized and directed to take the necessary action to give effect thereto.

Financial Impact

The fees paid to the Minister of Finance for filing appeals with the ARB, as listed in Appendix A of this report, are estimated to be \$16,275 (105 at \$150.00 for each non-residential assessment appeal application, and 7 at \$75.00 for each residential appeal).

There are no fees required for those properties appealed by the property owner and where the City will become a full participant. However, costs could be incurred in disputing these assessments to retain specialized professional services (such as appraisers, planners, economists) to provide expert opinion/evidence at the ARB as required. Funds to cover the cost of retaining such professional services are included in the 2007 Approved Operating Budget, Non-Program account entitled "Assessment Function".

At this time, staff cannot estimate what the financial impact to the City will be from these appeals; however, we anticipate that the City's taxation revenue will increase as a result of the appeals initiated by the City.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

Summary

This report identifies those properties where, as a result of staff review and analysis, the Director of Revenue Services has launched assessment appeals at the Assessment Review Board (ARB) and is now seeking authorization to proceed with those appeals. The appeals are intended to correct assessment values that have been incorrectly classified, under-valued, or wrongly returned on the 2007 assessment roll. In addition, staff are requesting authorization to actively participate in taxpayer (owner) initiated appeals in order to protect the City's assessment base.

If the recommendations put forward in this report are adopted, Revenue Services and Legal Services staff will proceed to prepare the City's position on a case-by-case basis

Use of Collection Agencies to Collect 20 Year Old Parking Tickets....At What Point Does the Justice System Become Unjust?

(April 18, 2007) letter from Councillor Howard Moscoe, Chair, Licensing and Standards Committee

Recommendations

1. The city establish a statute of limitations of at least eight years on uncollected parking fines.
2. If necessary, the city approach the Minister of Municipal Affairs and Housing to amend the regulations to allow this to happen.
3. The questions raised by my comments on the March 16 briefing note from the manager of parking tag operations be referred to the Treasurer for a response and report back to the committee.
4. The city review its use of collection agencies, to collect parking tickets with a particular emphasis on:
 - a. a simple system that will permit customers to get specific information about their particular ticket;
 - b. an easily identifiable telephone number where a customer can file a complaint against a collection agency and a requirement that both of these telephone numbers be on all literature pertaining to the collection of a ticket by a collection agency used by the city;
 - c. a specific, made in Toronto, code of conduct that must be used by collection agencies employed by the City of Toronto; and
 - d. an evaluation of the specific tactics used by CBCL as outlined in the e-mail attached.
5. The Treasurer report back to committee on these matters within two months.

Outcome of Nathan Phillips Square Revitalization Design Competition and Award of Contract to Winner

(May 28, 2007) report from Chief Corporate Officer and Chief Planner and Executive Director, City Planning Division

Recommendations

The Chief Corporate Officer and the Chief Planner and Executive Director of City Planning recommend that:

1. City Council endorse the design for the revitalization of Nathan Phillips Square submitted by the team of Plant Architect Inc. and Shore Tilbe Irwin & Partners, which the Competition Jury selected as the winner of the Nathan Phillips Square Revitalization Design Competition.
2. The Executive Director of Facilities and Real Estate be authorized to enter into and execute a contract on behalf of the City with Plant Architect Inc. and Shore Tilbe Irwin & Partners to provide architectural and related design services for the revitalization of Nathan Phillips Square, in a form satisfactory to the City Solicitor and in an amount not to exceed \$4.1 million.
3. City Council authorize a future year commitment of \$2.707 million for 2008 for the Nathan Phillips Square project to provide a funding commitment totalling \$4.1 million to enable the award of the contract.

Implementation Points

The detailed design work for the project will commence in the third quarter of 2007. In order to minimize disruption to the numerous events and activities that take place on the Square each year, it is proposed that the construction activities will be implemented on the Square in phases, starting in the third quarter of 2008 and continuing until the end of 2010.

City staff will consult with internal and external stakeholders to provide input during the design development stage of the project and on scheduling the construction activities on the Square.

Financial Impact

Funding in the amount of \$16 million was approved by City Council in the 2006 Capital Budget and 2007-2010 Capital Plan. Funding in the amount of \$4.1 million is available in the 2007 Approved Capital Budget and the 2008 Capital Plan. Recommendation #3 provides the required commitment of funding in the 2008 Capital Plan in order to award the contract. The table below details the 2007-2011 cash flow and plan funding and the expenditures to date.

(\$000)	2007	2008	2009	2010	2011
Spent To Date	0.300				
Contract	1.393	2.707			
Future Year Plan		1.246	3.953	3.953	2.316
Total	1.693	3.953	3.953	3.953	2.316

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

Summary

This report seeks City Council’s endorsement of the design submission from the team led by Plant Architect Inc. and Shore Tilbe Irwin & Partners, which the Competition Jury selected as the winning design for the Nathan Phillips Square Revitalization Design Competition. The report seeks City Council approval to award a contract to the winning team to provide architectural services to implement the winning design for the Nathan Phillips Square (NPS) revitalization initiative.

The report advises that City Staff are currently working with the Nathan Phillips Square Revitalization Public Advisory Group to develop a work plan to study a variety of governance models for public spaces in order to recommend a preferred governance structure and sustainable funding model for the Square.

As well, the report indicates that City staff will develop and implement a fundraising strategy to seek the additional \$24 million in contributions from other levels of government, the private sector and the business community, which is needed in addition to the City’s \$16 million financial commitment for Nathan Phillips Square’s revitalization and restoration.

Proposed Acquisition of Part of 243 Alberta Avenue (Roseneath Gardens Parkette)

Confidential - A proposed or pending acquisition or sale of land for municipal or local board purposes (Attachment 1)

(May 17, 2007) report from Chief Corporate Officer and General Manager, Parks, Forestry & Recreation

Recommendations

The Chief Corporate Officer recommends that:

1. City Council adopt the confidential recommendations to staff in Attachment 1.
2. City Council authorize the public release of the confidential information and recommendations in Attachment 1, once City Council has approved the funding.
3. The 2007 Approved Capital Budget for Parks, Forestry and Recreation be amended by the addition of a project “Roseneath Garden Parkette Acquisition”, with funding from XR2045 York Local Parkland Acquisition Reserve, the XR2202 the West District Local Parkland Acquisition Reserve with the remaining coming from XR2210 the City-wide Local Parkland Acquisition Reserve.
4. The Offer to Sell from the Owner of the property known as the Roseneath Garden Parkette be accepted substantially on the terms outlined in Attachment 1 to this report, and that each of the Chief Corporate Officer and the Director of Real Estate Services be authorized severally to accept the Offer on behalf of the City.
5. The City Solicitor be authorized to complete these transactions on behalf of the City including making payment of any necessary expenses, and amending the closing date and other dates to such earlier or later date(s) and on such terms and conditions as she may from time to time consider reasonable.
6. The appropriate City Officials be authorized and directed to take the necessary action to give effect thereto.
7. This report be forwarded to the Budget Committee for consideration.

Financial Impact

Funding is currently available in the Parks, Forestry and Recreation’s Parkland Acquisition Reserve Funds.

The funding for this acquisition has not been included in the 2007 Approved Capital Budget for Parks, Forestry, and Recreation. City Council’s approval will be required to increase the 2007 Approved Capital Budget for Parks, Forestry, and Recreation with offsetting funds from XR2045 York Local Parkland Acquisition Reserve Fund, the XR2202 the West District Local Parkland Acquisition Reserve Fund with the remaining coming from XR2210 the City-wide Local Parkland Acquisition Fund.

As this Parkette has been in existence for approximately 10 years, no additional funding is required in the Capital Budget in order to develop this park site.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

Summary

The Roseneath Gardens Parkette is a privately held 0.23 ha (0.56 acre) site that is leased by the City for use as a public park. The purpose of this report is to secure Council approval to proceed with the acquisition of the northerly portion of 243 Alberta Avenue currently known as Roseneath Gardens Parkette for continued Parks purposes.

The former Corporation of the City of York entered into a lease for the property (shown on PS Sketch 2007-013, Appendix “B”) on December 31, 1997 and the term of the lease will expire on September 18, 2008. 1239085 Ontario Inc., the current owner (the “Owner”) is considering development opportunities for the property and staff would like to ensure that the property continues to be used for park purposes. Accordingly, the City would like to proceed with the acquisition.

Negotiations with the Owners have been on-going since the fall of 2006. The Owner has signed an irrevocable offer to sell (“Offer to Sell”) the property to the City. Appendix “A” to this report describes the salient terms of this proposed acquisition, which is considered fair and reasonable.

North York City Centre Service Road Acquisitions

(May 18, 2007) report from Chief Corporate Officer

Recommendations

The Chief Corporate Officer recommends that:

1. The Offer to Sell from Soonyong and Youngja Lee to the City the property municipally known as 51 Hounslow Avenue in the amount of \$605,000.00 be accepted substantially on the terms outlined in Appendix "A" to this report, and that each of the Chief Corporate Officer or the Director of Real Estate Services be authorized severally to accept this Offer on behalf of the City.
2. The Offer to Sell from the Trustees of the Congregation of the Willowdale Presbyterian Church to the City the properties municipally known as 70 Ellerslie Avenue and parts of 38 Ellerslie Avenue in the amount of \$2,590,000.00 (which amount includes \$65,000.00 on account of disturbance damages) be accepted substantially on the terms outlined in Appendix 'C' to this report, and that either the Chief Corporate Officer and the Director of Real Estate Services be authorized severally to accept this Offer on behalf of the City.

3. The City Solicitor be authorized to complete these transactions on behalf of the City, including making payment of any necessary expenses and amending the closing date and the commencement or other dates to such earlier or later date(s) and on such terms and conditions as she may from time to time consider reasonable.
4. The appropriate City Officials be authorized and directed to take the necessary action to give effect thereto.

Financial Impact

The total cost of these acquisitions, in the amount of approximately \$3,528,850.00 including all taxes and charges, will be funded from the 2007 Approved Capital Budget for Transportation Services, Capital Account CTP800-8 (North York Centre). A break down of the contemplated costs for the various properties can be found in Appendices “A” & “C”.

Payments to all Owners:	Purchase price (less GST)	\$3,130,000.00
	Total of all Owner Payments	\$3,130,000.00
City's Closing Costs:	Disturbance Damages	\$150,000.00
	Land Transfer Taxes – app.	\$56,850.00
	Registration Costs –app.	\$300.00
	Total Third Party Costs	\$207,150.00
Net Cost to City less GST		\$3,337,150.00

GST on Total Purchase Price of all Properties \$191,700.00

The Deputy City Manager and Chief Financial Officer have reviewed this report and agree with the financial impact information.

Summary

Real Estate Services seeks authority for the City to acquire the properties municipally known as 51 Hounslow Ave, 70 Ellerslie Ave and parts of 38 Ellerslie Ave. These properties are required to expand and complete the North York City Centre Service Road.

Negotiations with the owners of these properties have been ongoing since June of 2006. The owners have signed irrevocable Offers to Sell their respective properties to the City. Appendices “A” and “C” to this report describe the salient terms of these proposed acquisitions which are considered fair and reasonable.

Request to Initiate Expropriation Process – 915 Kipling Avenue

(May 23, 2007) report from Chief Corporate Officer

Recommendations

The Chief Corporate Officer recommends that:

1. City Council grant authority to initiate the expropriation process for 915 Kipling Avenue, legally described as Part of Lots 28, 29, 30 and 31 on Registered Plan 1890.
2. City Council grant authority to serve and publish Notices of Application for Approval to Expropriate 915 Kipling Avenue, to forward to the Chief Inquiry Officer any requests for hearing that are received, to attend the hearing to present the City's position and to report the Inquiry Officer's recommendations to City Council for its consideration.
3. The appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

Financial Impact

Funds for the acquisition of the subject property, either by way of negotiated settlement or expropriation, are available in the TTC 2007 approved Capital Budget. The detailed source and amount of funding will form part of a subsequent report to Committee and Council seeking authorization for the acquisition either through negotiation or, if required, by expropriation.

The Deputy City Manager and Chief Financial Officer has reviewed this report and concurs with the financial impact statement.

Summary

915 Kipling Avenue has been identified as suitable for the replacement of some of the existing TTC commuter parking spaces that will be lost through the redevelopment of that portion of the Bloor-Islington transit lands at 3326 Bloor Street West and 1226 Islington Avenue.

Negotiations with the owners have been on-going since 2005. Consensus has not yet been reached on terms and conditions of a purchase agreement. While discussions will continue with the owner to attempt to achieve a negotiated settlement, this report seeks authority to initiate the expropriation process to ensure that the subject property is in City ownership to meet the timelines for the construction of the TTC replacement parking spaces.

Extension of Closing Date for Section 30 Agreement between the City and 863880 Ontario Limited Concerning Lands on the west side of Strachan Avenue

(May 25, 2007) report from Chief Corporate Officer

Recommendations

The Chief Corporate Officer recommends that:

1. Pursuant to the existing agreement under section 30 of the Expropriations Act (the “Section 30 Agreement”) between the City and 863880 Ontario Limited (“863880”) for certain lands (the “Lands”) on the west side of Strachan Avenue, the City exercise its option to extend the closing date from October 31, 2007 to October 31, 2009, in a form satisfactory to the City Solicitor.
2. The appropriate City Officials be authorized and directed to take the necessary action to give effect thereto.

Financial Impact

Approval of this report will result in no immediate financial impact. If the City does not extend the closing date as recommended, the City will be required to close the transaction on October 31, 2007, at which time the City will be required to pay \$1.0 million compensation for the Lands, followed by the balance of the compensation that is payable once the amount has been determined by the OMB pursuant to the Expropriations Act. Funding for the expropriation of the Lands is included in the Waterfront Revitalization Initiative Capital Budget, beginning in 2010 (funded from Reserves and the other orders of government). Should the transaction close on October 31, 2007, the funding would need to be accelerated, through a separate report, with a net \$0 impact on the City’s 2007 Approved Capital Budget.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact.

Summary

In 2001, the City entered into a section 30 agreement with 863880 Ontario Limited, the owner of lands on the west side of Strachan Avenue, as required for the proposed Front Street Extension. This staff report is requesting authority to exercise the City’s option to extend the closing date for a further two-year period until October 31, 2009. If the City does not extend the closing date as recommended, the City is contractually required to close the transaction on October 31, 2007, at which time the City will be required to pay \$1 million compensation for the lands, followed by the balance of the compensation that is payable once the amount has been determined by the Ontario Municipal Board (“OMB”) pursuant to the Expropriations Act.

Expropriation of Portions of 1051 and 1251 Tapscott Road

(May 17, 2007) report from Chief Corporate Officer

Recommendations

The Chief Corporate Officer recommends that:

1. City Council, as approving authority under the *Expropriations Act*, approve the expropriation of the following land and interest in land required for the McNicoll Avenue Extension Project, to facilitate construction and operation of the highway extension and for all works and uses ancillary thereto:
 - (i) Fee Simple in Part 2 on Reference Plan 66R-22872; and
 - (ii) a temporary working and right of way Easement for a period ending December 31, 2008, in Part 1 on Reference Plan 66R-22872.
2. City Council, as approving authority under the *Expropriations Act*, approve the expropriation of the Fee Simple Interest in Parts 6 and 8 on Reference Plan 66R-20197 required for the McNicoll Avenue Extension Project and for all works and uses ancillary thereto.
3. City Council, as expropriating authority under the *Expropriations Act*, authorize all necessary steps to proceed with the said expropriations in compliance with the *Expropriations Act*, including, but not limited to, preparation and registration of the Expropriation Plan(s) and the service of Notices of Expropriation, Notices of Election as to a Date for Compensation and Notices of Possession.
4. The Director of Real Estate or the Executive Director of Facilities & Real Estate be authorized to sign the Notices of Expropriation and the Notices of Possession on behalf of the City.
5. Authority be given to apply to Court for an Order permitting the City to take early possession of the expropriated property in order that the proposed highway works may be carried out in mild weather.
6. Leave be granted for introduction of the necessary Bill in Council to give effect thereto.

7. The appropriate City Officials be authorized and directed to take the necessary action to give effect thereon.

Financial Impact

There are no financial implications to the City's budgets as a result of these recommendations because the Morningside Heights Landowners Group ("MHLG") have agreed, as a term of the February 22, 2002 Core Servicing Agreement for the Morningside Neighbourhood, to pay all costs of the expropriations for this extension of McNicoll Avenue, Easterly of Tapscott Road.

The Chief Financial Officer and Treasurer has reviewed this report and concurs with the financial impact statement.

To Permanently Close and Declare Surplus a Portion of Oakburn Crescent, South of Avondale Avenue and the whole of Oakburn Place, branching off southerly from south side of Oakburn Crescent

(May 14, 2007) report from General Manager, Transportation Services & Chief Corporate Officer, addressed to the North York Community Council and the Government Management Committee.

Recommendations

The General Manager of Transportation Services and the Chief Corporate Officer recommend that:

1. The North York Community Council recommend to City Council, conditional upon the Government Management Committee recommending Recommendation 2 of this report, that City Council:
 - a. permanently close as public highways, on a phased basis, that portion of Oakburn Crescent, south of Avondale Avenue, shown as Part 1 on Sketch No. PS-2007-145b and the whole of Oakburn Place, branching off southerly from the south side of Oakburn Crescent, shown as Parts 2, 3 & 4 on Sketch No. PS-2007-145b (collectively "the Highways"), subject to compliance with the requirements of City of Toronto Municipal Code Chapter 162, and provided that

City Council subsequently approves a sale of the Highways;

- b. if City Council approves a sale of the Highways, direct Transportation Services staff to give notice to the public of a proposed by-law to permanently close the Highways in accordance with the requirements of Chapter 162 of the City of Toronto Municipal Code, with the North York Community Council hearing any member of the public who wishes to speak to this matter during consideration of the proposed by-law; and
 - c. following the closure of the Highways, easements be reserved by the City and/or granted to any affected utility companies, as may be necessary to protect the existing services and utilities in the Highways, or with the consent of the City and the said utility companies, the services and utilities be removed from the Highways and/or relocated, at the sole cost of the purchaser of the Highways.
2. The Government Management Committee recommend to City Council, conditional upon the North York Community Council recommending Recommendation 1 of this report, that:
- a. City Council declare the Highways surplus to the City's requirements and direct the Chief Corporate Officer to take all steps necessary to comply with Chapter 213 of the City of Toronto Municipal Code; and
 - b. authorize the Chief Corporate Officer to invite an offer(s) to purchase the Highways from the abutting landowners, K&G Oakburn Apartments I Limited and K&G Oakburn Apartments II Limited (collectively, "Oakburn"), on a phased basis.
3. City Council authorize and direct the appropriate City officials to take the necessary action to give effect to the above recommendations, including the introduction in City Council of any necessary bills.

Financial Impact

There are no financial implications associated with the adoption of this report.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

Summary

The purpose of this report is to permanently close and declare a portion of Oakburn Crescent, south of Avondale Avenue and the whole of Oakburn Place surplus to municipal requirements, and to authorize the Chief Corporate Officer to invite an offer(s) to purchase from the abutting landowners, K&G Oakburn Apartments I Limited and K&G Oakburn Apartments II Limited.

(May 25, 2007) report from Chief Corporate Officer

Recommendations

The Chief Corporate Officer recommends that:

1. The City enter into an Encroachment Agreement with CN, with CN paying a one time fee in the amount of \$66,000.00 plus applicable taxes for the construction of embankments on the City-owned properties shown as Parcel Nos. 1, 3, 4, 6, 7, 9, 10 and 12 on individual sketches attached herein, substantially on the terms and conditions outlined in Appendix “A” to this report, and that each of the Chief Corporate Officer and the Director of Real Estate Services be authorized severally to execute the Encroachment Agreement on behalf of the City.
2. The City Solicitor be authorized to complete the transaction on behalf of the City, including making payment of any necessary expenses and amending the Encroachment Agreement commencement date to such earlier or later date(s) and on such terms and conditions as she may from time to time consider reasonable.

Financial Impact

Revenue in the amount of \$66,000.00 plus GST if applicable, is anticipated.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

Summary

The purpose of this report is to obtain authority to enter into an Encroachment Agreement with the Canadian National Railway Company (“CN”) on City-owned properties abutting the southeast side of its railway tracks between Victoria Park Avenue and Birchmount Road; substantially on the terms and conditions outlined in Appendix “A” to this report. Leasing 1118 Finch Avenue West - 11,483 sq. ft. for Children's Services

(May 23, 2007) report from Chief Corporate Officer

Recommendations

The Chief Corporate Officer recommends that:

1. Council authorize the proposed lease for the premises at 1118 Finch Ave. W., being Units 3 to 7, 9 & 11 to 13, with Century Standard Development Corporation (the "Landlord"), commencing on November 1, 2007 for a 5-year period: at a basic net rental rate per annum in the amount of \$10.00 per sq. ft. for years 1 and 2, \$11.00 per sq. ft. for year 3, and \$12.00 per sq. ft., for years 4 and 5; with additional rent estimated at \$11.59 per sq. ft. for 2007; and, with an option to renew for another 5 years at the end of the term, for the subject premises consisting of an area of approximately 11,483 sq. ft. and based substantially on the terms and conditions as set out in the attached Appendix "A" and in a form acceptable to the City Solicitor.
2. The Chief Corporate Officer be authorized to administer and manage the lease agreement including the provision of any consents, approvals, notices and notices of termination provided that the Chief Corporate Officer may, at any time, refer consideration of such matters (including their content) to City Council for its determination and direction;

Financial Impact

The total expenditure for the five (5) year term of the lease, commencing November 1, 2007, is estimated to be approximately \$2,073,000.00, including the leasehold improvements, plus G.S.T.

Funding for 2007, including basic rental rate, additional rent, and leasehold improvements, is estimated to be in the amount of approximately \$400,000, plus G.S.T. and is available in the 2007 Approved Operating Budget for Children's Services. Funding requirements for 2008-2012 will be included in the respective year's Children's Services Budget Submission and accommodated within approved operating budget targets.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

Summary

The purpose of this Report is to obtain Council's authority to lease the premises at 1118 Finch Ave. W., being Units 3 to 7, 9 & 11 to 13, having an area of approximately 11,483 sq. ft., for a term of five (5) years commencing November 1, 2007, for Children's Services. The proposed lease would be substantially on the terms and conditions outlined in Appendix "A" to this Report.

Children's Services' currently leased space at 5150 Yonge St. and 2363 Finch Ave. W. are insufficient to meet their requirements and to house the number of staff due to expansion. The premises at 1118 Finch Ave. W. will meet this Division's longer term requirements.

Remediation of a City-owned Property on the Waterfront - Western Gap

(May 16, 2007) letter from Councillor Vaughan

Recommendations

To this end, I respectfully ask that the members of the Government Management Committee consider:

1. Requesting a report from Executive Director of Facilities and Real Estate in consultation with City engineers detailing recommendations to repair existing damage and to prevent further erosion on this property. This report should indicate costs of remediation and how these funds can be made available from this year's budget funds.
2. Requesting that this report come back to the July 6th meeting of Government Management Committee to be voted on.
3. Requesting that the Executive Director of Facilities and Real Estate determine the ownership of the collapsed sea wall and to send the bill for all of the City's remediation costs to that owner and further to request restoration of the sea wall.

Amendment to By-law No. 12-2007 (Bingo Licence Fees)

Public Notice

(May 22, 2007) report from City Clerk

Recommendations

The City Clerk's Office recommends that City Council:

1. Amend By-law 12-2007 to authorize the City Clerk to charge a \$165.00 fee per bingo licence issued to Class A and B pooling bingo halls as substantially set out in Appendix A.

2. Authorize and direct the appropriate City Officials to take whatever action is deemed necessary to implement the foregoing, including the introduction in Council of any bills.

Financial Impact

There will be no financial impact resulting from this report. The fee structure is revenue neutral.

Summary

The current Bingo Fees By-law authorizes the City Clerk's Office to charge three percent of the prize board per bingo licence (prize boards vary from \$1,800.00 to \$5,500.00). In order to comply with the Alcohol and Gaming Commission of Ontario's (AGCO) "New Bingo Revenue Model" and amendment is required to allow the City Clerk's Office to charge a \$165.00 flat fee per bingo licence regardless of the size of the prize board.

Centennial Park Mini-Indy - Amendment of Existing Lease

(May 22, 2007) report from General Manager, Parks, Forestry and Recreation Division

Recommendations

The General Manager of Parks, Forestry and Recreation recommends staff be authorized to negotiate and execute an amendment to the current Lease Agreement between Centennial Park Mini-Indy and the City, effective for 2007, in which the City accepts the portion of the Leased Premises containing two baseball diamonds in exchange for the determined value of \$360,000 to be settled through an offset against past rent owing of \$171,014 and 2007 – 2009 rent totalling \$188,986 as well as a rent reduction of \$20,000 per year for the remaining years of the lease, and in accordance with terms and conditions acceptable to the General Manager of Parks, Forestry and Recreation Division and the City Solicitor.

Financial Impact

The current \$360,000 determined acquisition value of the baseball diamonds will be offset by a prior year outstanding receivable from CPMI in the amount of \$171,014, and rent relief in the amount of \$188,986 in the years 2007, 2008 and 2009 (see Appendix A). The \$20,000 yearly rent reduction to CPMI will be offset by revenues from permits issued by the City for the rental of the two baseball diamonds. As a result of this settlement to acquire these baseball diamonds, in 2007 there will be unachieved budgeted revenue of \$110,000 arising from this agreement (less an estimate of \$20,000 in permit revenue). For 2008, unachieved revenue will be \$110,000 and \$28,986 in 2009. Starting in 2007, until the lease ends in 2020, it is estimated that \$20,000 of permit revenue will compensate for the ongoing \$20,000 reduction in the rental revenue from this lease.

Consultation with both internal and external maintenance and construction specialists determined that the current estimate to construct similar diamonds in 2007 dollars is \$459,000. Further, that to undertake necessary immediate repairs to the existing diamonds, including all fees and contingencies would cost \$55,000. With the inclusion of Depreciation of \$44,000, the current value of the diamonds is \$360,000.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

Summary

The purpose of this report is to request authority to amend the existing lease with Centennial Park Mini-Indy (CPMI). This amendment will allow CPMI to return the portion of the leased lands containing two baseball diamonds to the City in exchange for rent owed and an adjustment to the existing fee schedule to be paid.
