FINANCIAL IMPACT

All costs associated with the amendment of the parking regulations are included within the Transportation Services Division, North York District's 2007 Operating Budget estimates.

ISSUE BACKGROUND

Transportation Services, North York District, was requested by Councillor Michael Feldman, on behalf of the residents on the north side of Findlay Boulevard between 41 and 51 Findlay Boulevard to review the feasibility of prohibiting parking from 8:00 a.m. to 6:00 p.m. Monday to Friday in front of their homes.

The residents have indicated that commuters using public transit are parking daily in front of their homes and in doing so encroach over their driveways and restrict visibility for motorists exiting the driveways.

COMMENTS

Currently, parking is prohibited on the north side of Findlay Boulevard from the easterly limit of Banting Avenue to a point 29 metres east thereof. Parking is also prohibited at anytime on the south and west sides of Findlay Boulevard from the easterly limit of Banting Avenue to the northerly limit of Reiner Road.

Our observations have confirmed that vehicles are parked daily on the north side of Findlay Boulevard, east of Banting Avenue. Our review has also indicated that these vehicles restrict visibility for motorists entering and exiting driveways on this section of Findlay Boulevard.

Councillor Michael Feldman has indicated his support to amend the existing parking regulations as indicated above.
