## **ISSUE BACKGROUND**

Transportation Services, North York District, was requested by Councillor Howard Moscoe, on behalf of the residents of Hillmount Avenue between Danesbury Avenue and Marlee Avenue, to review the feasibility of prohibiting stopping on both sides of the roadway between 8:00 a.m. and 9:00 a.m. and 3:00 p.m. and 4:00 p.m., Monday to Friday.

## **COMMENTS**

Currently, parking is prohibited on the north side of Hillmount Avenue from 8:00 a.m. to 4:00 p.m., Monday to Friday from the westerly limit of Marlee Avenue to the easterly limit of Danesbury Avenue and on the south side from 4:00 p.m. to 8:00 a.m., Monday to Friday.

Area residents have indicated that the parents of the students of St. Cosmos & Damian Catholic Elementary School are parking/stopping on both sides of the roadway in front of their homes and in doing so encroach over their driveways and restrict visibility for motorists exiting the driveways.

Our observations have confirmed that vehicles are parked daily on both sides of Hillmount Avenue, in the vicinity of the walkway leading to the school. Our review has also indicated that these vehicles are restricting access and egress to the residential driveways on this section of roadway.

Councillor Howard Moscoe has indicated his support to amend the existing regulations as indicated above.
