

Foundation
 Concrete foundation filled to a minimum O.B.C. requirements and must ensure no voids.

Anchor Basket
 To be fitted with appropriate stainless steel hardware to allow for on site height adjustment.
 Appropriate anchor basket to be fabricated from threaded galvanized rods.

Notes.
 All fasteners to be stainless steel
 Install inorganic granular drainage material (brushed stone) around sign foundation connections
 Landscape finish to be done per coordinators instructions
 Specifications provided are for design intent purposes only. Shop drawings are to be reviewed and stamped by structural engineer.
