SUMMARY

This staff report is about a matter that the Community Council has delegated authority to make a final decision, provided that it is not amended so that it varies with City policy or by-laws.

The purpose of this report is to consider a request by the owner(s) of 47 Country Lane, to be exempted from Chapter 447 – Fences, section 447-2(B). This section states that the maximum height of a fence in the front yard not within 2.4 metres of the front lot line can be 1.2 metres. Within 2.4 metres of the front lot line the maximum height is 1.2 metres provided it is open mesh chain link or an equivalent that does not restrict sight lines otherwise the maximum height of the fence can be 1 metre.

The exemption request is for an iron picket and stone post fence that will run along the front property line. The fence will be a maximum of approximately 2 metres in height and be approximately 43 metres in length.

RECOMMENDATIONS

- 1. Municipal Licensing and Standards recommends that the fence exemption not be granted.**

FINANCIAL IMPACT

There is no financial impact anticipated in this report

DECISION HISTORY

This matter is not a public complaint. It arose as an exemption request by the owner(s).

COMMENTS

The owner(s) are requesting this exemption for reasons of security, safety, privacy and aesthetics.

The fence may present a sight line obstruction.

Should the recommendation not be accepted and the request approved, a condition of approval should include that when the fence is replaced it should be constructed in compliance with Chapter 447 or its successor by-law.
