Removal of One Private Tree - 10 Dinan Street

(August 15, 2007) Report from General Manager, Parks, Forestry and Recreation

Committee Recommendations

The North York Community Council recommends that City Council:

1. *approve the removal of one privately owned tree at 10 Dinan Street and deny the removal of four privately owned Siberian elms, subject to the applicant constructing a privacy fence to the maximum height allowed under the by-law.*

Financial Impact

There are no financial implications resulting from the adoption of this report.

Summary

The report requests Council's authority to deny the request for removal of one (1) privately-owned 41-centimetre diameter Colorado blue spruce (*Picea pungens*) tree located at the rear of 10 Dinan Street. The application has been made due to concerns expressed by the property owner that the tree is in poor condition.

The spruce tree is healthy and shows no symptoms of cytospora canker, as indicated in the independent Arborist Report submitted with the application. With proper care and maintenance, the tree should continue to provide benefits to the community for years to come. Urban Forestry cannot support removal of this tree.

Removal of One Private Tree - 607 Briar Hill Avenue

(August 15, 2007) Report from General Manager, Parks, Forestry and Recreation

Committee Recommendations**Decision Advice and Other Information**

The North York Community Council deferred consideration of the report (August 15, 2007) from the General Manager, Parks, Forestry and Recreation, to its next meeting on November 27, 2007.

Financial Impact

There are no financial implications resulting from the adoption of this report.

Summary

The report requests Council's authority to deny the request for removal of one (1) privately owned 87.5 centimetre diameter black walnut tree (*Juglans nigra*) located at the rear of 607 Briar Hill Avenue. The application has been made due to concerns expressed by the property owner that the falling walnuts are a hazard to the children.

The tree is a healthy and viable specimen. With proper care and maintenance, the tree should continue to provide benefits to the community for years to come. All trees have some level of maintenance associated with their placement in the landscape. The increased maintenance associated with the fruit from black walnut trees does not justify their removal.

Financial Impact

There is no financial impact anticipated in this report

Summary

This staff report is about a matter that the Community Council has delegated authority to make a final decision, provided that it is not amended so that it varies with City policy or by-laws.

The purpose of this report is to consider a request by the owner(s) of 52 Elmwood Avenue, to be exempted from Chapter 447 – Fences, section 447-2(B). This section states that the maximum height of a fence in the front yard not within 2.4 metres of the front property line can be 1.2 metres.

The subject of this exemption request is two-fold. The first is two existing hedges in the front yard beside the east property line. Note that in Chapter 447 – Fences, section 447-1, the definition of a fence also includes a hedge where it is used to screen or divide or mark the boundary between adjoining lands. The north section of the hedge is 2.4 metres long and approximately 2 metres in height. The south section is 3 metres in length and approximately 2 metres in height. The second part of the exemption request has not been constructed yet. It will be a wrought iron screen 2 metres in height that will link the two hedges at a length of approximately 2 metres.

Fence Exemption Request - 9 Legacy Court

(October 15, 2007) Report from District Manager, Municipal Licensing and Standards, North York District

Decision Advice and Other Information

The North York Community Council deferred consideration of the report (October 15, 2007) from the District Manager, Municipal Licensing and Standards, North York District, to its next meeting on November 27, 2007.

Financial Impact

There is no financial impact anticipated in this report.

Summary

This staff report is about a matter that the Community Council has delegated authority to make a final decision, provided that it is not amended so that it varies with City policy or by-laws.

The purpose of this report is to consider a request by the owner(s) of 9 Legacy Court, to be exempted from Chapter 447 – Fences, section 447-2(B). This section states that the maximum height of a fence in the front yard not within 2.4 metres of the front lot line can be 1.2 metres. Within 2.4 metres of the front lot line the maximum height can be 1.2 metres provided it is open mesh chain link or an equivalent that does not restrict sight lines otherwise the maximum height of the fence can be 1 metre. This section further states that the maximum height for any other fence is 2 metres.

The exemption request is for a fence located along the front property line. It is an iron fence with stone posts on the gated entrance. Most of the fence ranges in height from 1.55 to 2.1 metres. The stone posts are 2.1 metres in height and the gate rises to 2.9 metres. The total length of this fence is approximately 71 metres.

Sign Variance Request for a Projecting Sign - 2658 Yonge Street

(October 15, 2007) Report from Director of Building and Deputy Chief Building Official

Committee Decision

The North York Community Council:

1. approved the request to permit, for identification purposes, one (1) projecting sign on the east elevation of the building at 2658 Yonge Street;
2. directed that the applicant enter into an encroachment agreement with the City of Toronto to permit the erection of the sign which projects over the public road allowance; and
3. directed that the applicant be advised, upon approval of the variance, of the requirement to obtain the necessary sign permits from the Chief Building Official.

Financial Impact

There are no financial implications resulting from the adoption of this report.

Summary

This staff report is about a matter that the community council has delegated authority to make a final decision provided that it is not amended so that it varies with City policy or by-laws.

The purpose of this report is to review and make recommendations on a request by Sonja Yeomans of Argoes Signs, on behalf of Nike Canada, for an approval of a variance from former Metropolitan Toronto Sign By-law No. 118, as amended, to permit the erection of one (1) projecting illuminated sign, located on the ground floor of the two storey building on the east elevation at 2658 Yonge street.

Through Traffic Restriction/Lane Designations - Eglinton Avenue East and Brentcliffe Road

(October 10, 2007) Report from Director, Transportation Services Division, North York District

Committee Recommendations

The North York Community Council recommends that City Council:

1. prohibit northbound through traffic on Brentcliffe Road at Eglinton Avenue East from 7:00 a.m. to 9:00 a.m. and 4:00 p.m. to 6:00 p.m., Monday to Friday;
2. designate the southerly eastbound lane on Eglinton Avenue East, east of Brentcliffe Road for right-turning vehicles only, buses excepted, from the west limit of Brentcliffe Road to a point 100 metres west;
3. designate the easterly northbound lane on Brentcliffe Road south of Eglinton Avenue East for through and right-turning vehicles only, from the south limit of Eglinton Avenue East to a point 75 metres south;
4. designate the westerly northbound lane on Brentcliffe Road south of Eglinton Avenue East for left-turning vehicles only, from the south limit of Eglinton Avenue East to a point 75 metres south; and
5. authorize and direct the appropriate City officials to take whatever action is necessary to give affect to the foregoing, including the introduction in Council of any bills that are required.

Financial Impact

All costs associated with the northbound through restriction are included within the Transportation Services Division, North York District's 2007 Operating Budget.

Summary

To obtain approval to prohibit northbound through movements, to designate the southerly eastbound lane on Eglinton Avenue East for right-turns only and to designate the northbound lanes on Brentcliffe Road for left-turns and shared through/right-turn movements at the intersection of Brentcliffe Road and Eglinton Avenue East.

The northbound through restriction is required in order to reduce the delay during peak periods for northbound right-turning vehicles that will occupy the shared through and right-turn lane following the completion of intersection improvements at Brentcliffe Road and Eglinton Avenue East.

The designation of the southerly eastbound lane on Eglinton Avenue East for right-turns only will assist the flow of northbound right-turning vehicles. The designation of the northbound lanes will eliminate any right-of-way conflicts on Brentcliffe Road, north of Eglinton Avenue East.

Status Report - York Region Environmental Assessment for Bayview Avenue

(October 12, 2007) Report from Director, Transportation Infrastructure Management

Committee Recommendations

Decision Advice and Other Information

The North York Community Council received the report (October 12, 2007) from the Director, Transportation Infrastructure Management, for information.

Financial Impact

There is no financial impact resulting from the receipt of this report beyond what has already been approved in the Transportation Services Division's 2007 budget.

Summary

The Regional Municipality of York (York Region) is in the final stages of completing a Class Environmental Assessment Study (Class EA) for Bayview Avenue between John Street and Major Mackenzie Drive. At the time of the writing of this report, York Region staff were still in the process of preparing the Environmental Study Report. While the exact timing is still unknown, the earliest that York Region staff could file the report in the public record for a 30-day review period is November 2007.

The recommended design in the Class EA includes the widening of Bayview Avenue from four lanes to six lanes between John Street and Major Mackenzie Drive. The new curb lanes will be reserved for the use of buses, taxis and other vehicles carrying at least two people, during the weekday morning and afternoon peak periods. This proposal will neither improve nor degrade cross-boundary travel conditions between York Region and the City of Toronto. A coordinated approach is required to address cross-boundary travel issues. Transportation Services and City Planning staff are, and will continue, to work with York Region staff in this regard.

Designation of Fire Routes and Amendment to Chapter 880 – Fire Routes

(October 11, 2007) Report from Toronto Fire Services

Committee Recommendations

The North York Community Council recommends that City Council:

1. designate part or those parts of the private road or roads shown on the site plan filed with the Fire Chief in respect of the municipal addresses set out below as a fire route pursuant to Municipal Code Chapter 880 - Fire Routes – 5830 Bathurst Street and 1 Laird Drive; and
2. authorize the Fire Chief and City Solicitor to take the appropriate action to make a designated Fire Route.

Financial Impact

There are no financial implications associated with this report.

Summary

To obtain Council approval for the amendment of the Fire Route By-law to designate certain locations as a fire routes within the meaning of City of Toronto Municipal Code Chapter 880, as amended.

Fire Services uses designated fire routes as a key mechanism in regulating fire prevention, including the prevention of spreading of fires and the delivery of fire protection services.

Sale of Vacant Land Adjoining 260 Acton Avenue

(October 12, 2007) Report from Chief Corporate Officer

Committee Recommendations

The North York Community Council recommends that City Council:

1. accept the Offer to Purchase from Lily Stathis to purchase the parcel of vacant land adjoining 260 Acton Avenue, more particularly described as being Part of PIN 10176-0394 (LT) being Part of Lot 18 Plan 1899 Twp of York, City of Toronto, shown as Part 6 on Sketch No. PS-2006-028 (“Part 6”), in the amount of \$64,900.00 substantially on the terms and conditions outlined in Appendix “A” to the report (October 12, 2007) from the Chief Corporate Officer, and that each of the Chief Corporate Officer and the Director of Real Estate Services be authorized severally to accept the Offer to Purchase on behalf of the City;
2. grant authority to direct the net proceeds to the Land Acquisition Reserve Fund – Parks, Forestry and Recreation;
3. grant authority to direct a portion of the proceeds of closing to fund the outstanding expenses related to the property and the completion of the sale transaction; and
4. authorize the City Solicitor to complete the transaction on behalf of the City, including making payment of any necessary expenses and amending the closing and other dates to such earlier or later date(s) and on such terms and conditions as she may from time to time consider reasonable.

Financial Impact

We anticipate that revenue in the amount of \$64,900.00, (exclusive of GST), less closing costs and the usual adjustments will be generated by this sale.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

Summary

The purpose of this report is to authorize the sale of a parcel of City-owned vacant land

adjoining 260 Acton Avenue, more particularly described in the Recommendations below, and shown as Part 6 on Sketch No. PS-2006-028 attached as Appendix “B”.

Having completed negotiations with the adjoining land owner, Lily Stathis, we are recommending acceptance of the Offer to Purchase substantially on the terms and conditions outlined in the attached Appendix “A”.

The terms for completing the transaction, as set out herein, are considered to be fair, reasonable and reflective of market value.

Recommended Candidates for the North York Community Preservation Panel

Confidential Attachment - Attachment - Personal matters about an identifiable individual, including municipal or local board employees

(October 2, 2007) Report from Director of Policy And Research, City Planning Division

Committee Recommendations

The North York Community Council recommends that:

1. City Council nominate the candidates listed in the confidential Attachment 1 to the report (October 2, 2007) from the Director, Policy and Research, City Planning Division, effective January 1, 2008 to the North York Community Preservation Panel for a term coincident with Council or until their successors are appointed; and
2. City Council authorize the release of the confidential Attachment 1 once it has dealt with the staff report (October 2, 2007) from the Director, Policy and Research, City Planning Division.

Financial Impact

There are no financial implications resulting from the adoption of this report.

Summary

This report summarizes the process followed to recruit and evaluate candidates for the North York Community Preservation Panel and recommends that Council nominate the individuals listed in confidential Attachment 1 to the Panel. The four Community Preservation Panels act as heritage advocates in their communities. The Panels report to the Toronto Preservation Board on local heritage matters and on issues relating to the Ontario Heritage Act.

City planning staff received 45 applications from individuals volunteering to serve on the Panels. All of the eligible candidates were offered interviews. Candidates were scored by a selection committee on their ability to answer predetermined interview questions. Based on their interview scores the selection committee compiled a list of qualified candidates and recommends that Council nominate these candidates to serve on the Panel.

Final Report - Part Lot Control Exemption Application - 207 and 209 Randolph Road and 245-257 McRae Drive

(October 15, 2007) Report from Director, Community Planning, North York District

Committee Recommendations

The North York Community Council recommends that City Council:

1. enact a Part Lot Control Exemption By-law for Lots 536, 537 & 538 and Part of Lot 539 of Registered Plan 2120;
2. deem that the Part Lot Control Exemption By-law shall expire two (2) years from the date of its passing;
3. require proof of payment of all current property taxes for the subject site from the owner prior to the enactment of the Part Lot Control Exemption By-law;
4. authorize the City Solicitor to make such stylistic and technical changes to the Part Lot Control Exemption By-law as may be required;
5. authorize the City Solicitor to introduce the Part Lot Control Exemption By-law after the required sideyard setback variances to the zoning By-law for Units 1 and 12 are final and binding;
6. authorize the City Solicitor to introduce the Part Lot Control Exemption By-law in Council after the owner of the subject lands has registered a Section 118 Restriction

under the Land Titles Act, agreeing not to transfer or charge any part of the said lands without the prior written consent of the Director of Community Planning, North York District; and

7. authorize the City Solicitor to take the necessary steps to release the Section 118 restriction at such time as the Common Elements Condominium Plan has been registered.

Summary

An application has been submitted to exempt the site from Part Lot Control, thereby enabling separate conveyances for 12 properties (10 townhouses units and two semi-detached units) as freehold units and in order to create a common elements roadway.

Final Report – Zoning By-law Amendment Application – 221, 223, 225 Glen Park Avenue

Statutory - Planning Act, RSO 1990

(October 11, 2007) Report from Director, Community Planning, North York District

Committee Recommendations

The North York Community Council recommends that City Council:

1. amend the Zoning By-law for the subject site substantially in accordance with the draft Zoning By-law Amendment attached as Attachment No. 5 to the report (October 11, 2007) from the Director, Community Planning, North York District;
2. authorize the City Solicitor to make such stylistic and technical changes to the draft Zoning By-law Amendment as may be required; and
3. *in view of the proximity to the Glencairn Subway Station, require the applicant to provide at no cost to the purchasers of each residential unit, a one year transit pass.*

Decision Advice and Other Information

The North York Community Council held a statutory public meeting on October 30, 2007; and notice was given in accordance with the *Planning Act*.

Financial Impact

The recommendations in this report have no financial impact.

Summary

This application proposes to amend Zoning By-law 7625 to permit the development of one four-storey and one three-storey building on the properties located at 221, 223 and 225 Glen Park Avenue. The four-storey building is proposed to front Glen Park Avenue and contain seven townhouse dwelling units. The three-storey building is proposed to front Marlee Avenue and contain up to three live/work units or retail/service/commercial uses at grade and residential above. The applicant has proposed that each of the seven townhouses have an integrated single car garage at the rear to accommodate a vehicular parking space. For the Marlee Avenue building, six parking spaces are proposed for the residential units and live/work or commercial units and two spaces are to be shared between retail patrons and residential visitors. Vehicular access to the parking areas will be provided from Marlee Avenue via a common elements condominium driveway.

This report reviews and recommends approval of the application to amend the Zoning By-law.

Final Report - Rezoning Application - 4155 Yonge Street

Statutory - Planning Act, RSO 1990

(October 2, 2007) Report from Director, Community Planning, North York District

Decision Advice and Other Information

The North York Community Council:

1. deferred consideration of the report (October 2, 2007) from the Director, Community Planning, North York District, to its next meeting on November 27, 2007;

2. requested a report from the City Solicitor, in consultation with Planning staff, regarding the legality of requiring the existing sign to be removed as a condition of approving the proposed zoning amendment; and
3. directed that the following Motion, moved by Councillor Moscoe, be considered at its meeting on November 27, 2007 when dealing with this item:

“That approval be conditional on the applicant obtaining the necessary licences to operate a commercial parking lot from Toronto Licensing and meet all of the requirements of the licensing by-law.”

The North York Community Council held a statutory public meeting on October 30, 2007; and notice was given in accordance with the *Planning Act*.

Financial Impact

The recommendations in this report have no financial impact.

Summary

This application proposes to amend the Zoning By-law to permit an existing temporary parking lot to operate as a permanent use at 4155 Yonge Street.

This report reviews and recommends approval of the application to amend the Zoning By-law. The temporary use of the lands for a parking lot was permitted through a series of temporary use By-laws, the first of which expired in 1995, and the latest on April 14, 2006. The proposal would not change the function of the property, but would allow the existing parking lot, operating for the past 12 years, to continue as a permanent use. The proposal does not conflict with the policies of the City of Toronto Official Plan.

Final Report - Rezoning Application – 20 Graydon Hall Dr

Statutory - Planning Act, RSO 1990

(October 16, 2007) Report from Director, Community Planning, North York District

Committee Recommendations

The North York Community Council recommends that City Council:

1. amend the Zoning By-law for the former City of North York substantially in accordance

with the draft Zoning By-law Amendment in Attachment No. 8 of the report (October 16, 2007) from the Director, Community Council, North York District;

2. authorize the City Solicitor to make such stylistic and technical changes to the draft Zoning By-law Amendment as may be required;
3. before introducing the necessary Bills to City Council for enactment, City Council require the owner to enter a Section 37 with the City, to the satisfaction of the City Solicitor, to provide or fund the following facilities, services and or matters:
 - i. *a cash contribution to the City in the amount of \$400,000.00 with:*
 - a. *\$200,000.00 to be directed for improvements to the O'Connor House, that is part of Senator O'Connor College School, with an appropriate agreement being executed with the Toronto Catholic District School Board and that these funds be dedicated to the capital improvement of the O'Connor House; and*
 - b. *\$200,000.00 to be directed towards parks improvements at Graydon Hall Park to the satisfaction of the General Manager of Parks, Forestry and Recreation, such contribution to be made prior to the issuance of any building permits for Buildings "B", "C" or "D";*
 - ii. provide and maintain a fully finished, furnished and equipped indoor amenity area either within, or as an addition to, Building "A" (existing rental apartment building) to the satisfaction of the Director, Community Planning, North York District, having a minimum floor area of 131m² (1,410 sq.ft.) with no pass through of related costs to the tenants. Such space shall be completed and operational prior to the issuance of any above-grade building permits for Buildings "B", "C" or "D";
 - iii. demolish the one-storey portion of the existing rental apartment building and construct, equip and maintain, generally in its place, an outdoor children's playground facility to the satisfaction of the Director, Community Planning, North York District. The playground facility shall have a minimum area of 385m² (4,144 sq.ft.) with no pass through of related costs to the tenants and be completed and operational prior to the issuance of draft plan of condominium approval for Building "B", "C" or "D";
 - iv. construct a new pedestrian sidewalk that connects the municipal sidewalk from Graydon Hall Drive to the main entrance of the existing rental apartment building to the satisfaction of the Director, Community Planning, North York District;
 - v. provide off-site tree plantings within the Graydon Hall Drive and Don Mills Road public road allowances adjacent to the property to the satisfaction of the Director, Community Planning, North York District;

- vii. provide cost estimates to the satisfaction of the Director, Community Planning, North York District, and financial securities in a form satisfactory to the Finance Division to ensure completion of these matters; and
 - viii. secure the rental tenure of the existing apartment building on site for a minimum of 15 years from the date any by-law to permit additional development comes into effect, and agreement by the owner that for a minimum period of 20 years from the date of the by-law no application to demolish the existing building will be made;
4. before introducing the necessary Bills to City Council for enactment, Notice of Site Plan Approval Conditions shall be issued by the Director, Community Planning, North York District;
 5. *require that facilities be provided in the new buildings to the satisfaction of the General Manager, Solid Waste Management Services, for in-suite recycling and include facilities for a diversion plan that will permit the City to reach its objective of 70% diversion in these buildings;*
 6. *require that there will be no charge for visitor parking in the rental building and this provision shall be registered on title; and*
 7. *require the developer to erect and maintain signs at points of access and egress of the development advising that students anticipated from the development shall have to be accommodated in facilities outside the area until adequate funding or space becomes available. A warning be included in all offers of purchase and sale of residential units to advise purchasers of the unavailability of local school accommodation to the satisfaction of the Director of Education, Toronto District School Board.*

Final Report - Zoning and Site Plan Applications – 5350 Yonge Street and 77 Canterbury Place - St. George's Church

Statutory - Planning Act, RSO 1990

(October 11, 2007) Report from Director, Community Planning, North York District

Committee Recommendations

The North York Community Council recommends that City Council:

1. amend Zoning By-law No. 7625 for the former municipality of North York substantially in accordance with the draft Zoning By-law Amendment attached as Attachment No. 10 to the report (October 11, 2007) from the Director, Community Planning, North York District;
2. authorize the City Solicitor to make such stylistic and technical changes to the Zoning By-law Amendment as may be required;
3. before introducing the necessary Bills to City Council for enactment, require the owner to enter into a Section 37 Agreement with the City, to the satisfaction of the City Solicitor, to provide the following facilities, services or matters:
 - i. a maximum of 1.50 m² per dwelling unit of indoor recreational amenity space in the residential building; and
 - ii. a place of worship of a maximum 2,134 square metres;

4. *approve in principle the site plan drawings and Site Plan Control Approval Conditions listed in Attachment 11 to the report (October 11, 2007) from the Director, Community Planning, North York District, subject to stylistic and technical changes; and subject to Condition 1 of Attachment 11: Site Plan Control Approval, outlined under the heading “City Planning”, being deleted and replaced with the following instead:*
 - “1. *The Owner shall submit 3 copies of revised landscape plans/site plan drawings detailing the location and species of trees on Yonge Street and extent of enhanced pavement treatment on Yonge Street, to the satisfaction of the Director, Community Planning, North York District, and in consultation with the local Councillor, as may be required.*”;
5. authorize the Chief Planner or his designate to give final approval to the Site Plan Control Application once the conditions to be satisfied prior to Site Plan Control Approval as set out in Attachment 11 to the report (October 11, 2007) from the Director, Community Planning, North York District, including entering into a satisfactory Site Plan Agreement, have been fulfilled;
6. *direct that the Edithvale Resident Association be afforded adequate opportunity to review the original source documentation to satisfy itself as to Official Plan conformity and technical correctness of any by-law that may be enacted;*
7. *require that facilities be provided in the new building to the satisfaction of the General Manager, Solid Waste Management Services, for in-suite recycling and include facilities for a diversion plan that will permit the City to reach its objective of 70% diversion in this building; and*
8. *in view of its location in the Yonge Street corridor and proximity to the subway, the applicant shall provide at no cost to the purchaser of each residential unit, a one year transit pass.*

Decision Advice and Other Information

The North York Community Council held a statutory public meeting on October 30, 2007; and notice was given in accordance with the *Planning Act*.

Financial Impact

The recommendations in this report have no financial impact.

Summary

An application has been submitted to amend the zoning by-law to permit reconstruction of a new St. George’s Church on the Yonge Street frontage, and to allow for a 25 storey residential condominium on the Canterbury Place frontage, at 5350 Yonge Street and 77 Canterbury Place, on the northwest corner of Churchill Avenue and Yonge Street.

The application conforms to the policies of the North York Centre Secondary Plan. The residential development fulfills the maximum permitted density of 3.75 times the area of the lot, as the floor space associated with replacing the church is exempted from the calculation of

density.

The development is lower than the maximum permitted building height and implements the Secondary Plan's built form policies.

The mix of residential and institutional uses also enables St. George's Church to continue in its important role of contributing to the life of the community. For all the above reasons, this report reviews and recommends approval of the application to amend the Zoning By-law and approval in principle of the Site Plan Control Application.

Staff Representation at the Ontario Municipal Board Hearing - 102 Hendon Avenue

(October 30, 2007) Member Motion from Councillor Filion

Committee Recommendations

The North York Community Council recommends that City Council:

1. authorize the City Solicitor and City Planning Division staff to attend the Ontario Municipal Board hearing to uphold the Committee's decision with respect to the interior east and west side yard setbacks and to uphold the City's by-law with respect to below grade garages; and
2. *in light of the statutory time limits for appealing the Committee of Adjustment decision to the Ontario Municipal Board and the lack of a Council meeting within such appeal period to consider an appeal, Council endorse and adopt the Notice of Appeal dated October 16, 2007, as an appeal to the Ontario Municipal Board on behalf of the City of Toronto.*

Summary

Rajinder Sethi, the owner of 102 Hendon Avenue, made an application to the Committee of Adjustment, North York District for the division of a parcel of residential lands into two parts for the creation of a new residential building lot.

Minor Variance Applications were also made for the construction of a new two storey dwelling on each of the proposed lots. Variances were requested with respect to lot frontage and width, lot area, east and west side yard setbacks, lot coverage, below grade garages and finished first floor elevation.

The applications were considered by the Committee of Adjustment on September 26th, 2007, where it was the decision of the Committee to approve the severance. The Minor Variance applications were also approved with a modification to increase the interior east and west side yard setbacks.

Planning staff reported that below grade garages were not in keeping with the character of the surrounding area and that the property should be developed within the parameters granted for 104 and 104 A Hendon Avenue, with respect to the internal and external side yard setbacks of 1.2m (4') and the garage being located at grade, with no increase in the finished first floor elevation.

The two (2) Minor Variance Applications have been appealed to the Ontario Municipal Board.

The Ontario Municipal Board has not yet set a date for the hearing.

The Councillor is requesting that Legal and Planning Staff attend the Ontario Municipal Board

hearing.

33a Sign Variance Request - 24 Rean Drive

(October 12, 2007) Report from Director of Building and Deputy Chief Building Official

Financial Impact

There are no financial implications resulting from the adoption of this report.

Summary

This staff report is about a matter that the community council has delegated authority to make a final decision provided that it is not amended so that it varies from City policy or by-law.

The purpose of this report is to review and make recommendations on a request by Robert Manning of Sign Advice, on behalf of Daniels Corporation, for approval of a variance from the Former City of North York Sign By-law No. 30788, as amended, to permit an increase in the allowable sign area as well as to permit signage advertising an off-site development. The proposed signage will comprise of one ground sign and a total of eight wall signs on the sides of the building at 24 Rean Drive which is used as a presentation centre and a sales pavilion.

Off premise signs are prohibited under the former City of North York Sign By-law No. 30788, as amended.
