Inclusion on the City of Toronto Inventory of Heritage Properties - 211 Laird Drive

(April 16, 2007) report from Director, Policy and Research, City Planning Division

Recommendations

The City Planning Division recommends that:

1. City Council include the property at 211 Laird Drive (Pease Foundry Company Building) on the City of Toronto Inventory of Heritage Properties; and
2. The appropriate City Officials be authorized and directed to take necessary action to give effect thereto.

Financial Impact

There are no financial implications resulting from the adoption of this report.

Summary

This report recommends that City Council include the property at 211 Laird Drive (Pease Foundry Company Building) on the City of Toronto Inventory of Heritage Properties.

The inclusion of the property on the City's heritage inventory would enable staff to monitor the site and encourage the retention of its heritage attributes in any proposed development.

Communications

Removal of Eleven (11) City Owned Trees - 2901 Bayview Avenue

(April 11, 2007) report from Brenda Librecz, General Manager, Parks, Forestry and Recreation

Recommendations

The General Manager of Parks, Forestry and Recreation recommends that Council approve the request for permission to remove eleven (11) City-owned boulevard trees fronting 2901 Bayview Avenue, conditional on:

- a. the applicant paying all applicable costs and complying with all other requirements as set out in City of Toronto Municipal Code, Chapter 813, Trees, Article II;
- b. the subject trees not being removed until permitted construction and/or demolition-related activities in accordance with the approved plans commence that warrant the destruction of the trees;
- c. the applicant planting eleven (11) 70-millimetre calliper replacement trees, with an automatic sprinkler system, to the satisfaction of the General Manager of Parks, Forestry and Recreation; and
- d. the applicant paying an additional fee of \$19,229.00 as cash-in-lieu at a 3 to 1 replacement tree ratio.

Financial Impact

There are no financial implications resulting from the adoption of this report.

Summary

To report on a request filed by the property owner for permission to remove eleven (11) City-owned boulevard trees, located on the Bayview Avenue frontage. Tree removal is required to accommodate the construction of an access route that will be used during construction. The route will provide access for overhead cranes, and the delivery of supplies during the construction of a 15-storey residential condominium that was approved by the Ontario Municipal Board (OMB).

The applicant has explored alternative access options including the usage of a neighbouring property and the closure of the Bayview Avenue northbound curb lane, with permission for both options being denied by the neighbour and Transportation Services respectively.

Removing and replacing the eleven (11) trees at the applicant's expense with cash-in-lieu being

provided for additional tree planting in the community will allow the OMB-approved development to proceed and improve the growing environment for City-owned trees on the site.

Communications

(April 24, 2007) letter from Neil Pattison, Manager of Development, Daniels HR Corporation on behalf of the applicant - NY5.2.1

Speakers

Mark Noskiewicz, Goodmans, on behalf of Daniels HR Corporation

Decision Advice and Other Information

On motion by Councillor Shiner, the North York Community Council deferred consideration of the report (April 11, 2007) from the General Manager, Parks, Forestry and Recreation, to allow the applicant to submit an alternative plan and such plan and report be dealt with by the North York Community Council at its meeting on September 10, 2007.

Sign Variance Request - 135 Fenelon Drive

(March 13, 2007) e-mail from Director of Building and Deputy Chief Building Official, North District

Recommendations

Toronto Building North York Division recommends that:

1. The request for variance be refused.

Financial Impact

There are no financial implications resulting from the adoption of this report.

Summary

This staff report is about a matter that the community council has delegated authority to make a final decision provided that it is not amended so that it varies with City policy or by-laws. The purpose of this report is to review and make recommendations on a request by Daniel Pitoscia of Strategic Media, on behalf of the property owner Beaux Properties, for approval of a variance from the former City of North York Sign By-law No. 30788, as amended, to permit the erection of a non-illuminated wall sign at the above noted location.

The proposed wall sign, which has been erected without the benefit of a sign permit, measures 18.3 m high x 12.2 m wide (60'-0" by 40'- 0") and spans the top 7 storeys of the existing 19 storey apartment building. The sign is an off premise sign, for advertising purposes, located on the north wall of the building.

This off premise sign is prohibited under the former City of North York Sign By-law No. 30788, as amended.

Citizen Appointments to Gibson House / Zion Schoolhouse Community Museum Management Board

Confidential - Personal matters about an identifiable individual, including municipal or local board employees

(April 11, 2007) report from Donald G. Eastwood, General Manager Economic Development, Culture and Tourism

Recommendations

The General Manager of Economic Development, Culture and Tourism recommends:

1. North York Community Council authorizes the public release of the confidential information and recommendations in Attachment 1, upon adoption of this report.
2. The North York Community Council nominate the selected individuals listed in Attachment No. 1 to the Gibson House/Zion Schoolhouse Community Museum Management Board for a term expiring on or before November 30, 2010, or until a successor is appointed; and
3. The appropriate City official be authorized and directed to take the necessary action to give effect thereto.

Financial Impact

There are no financial implications resulting from the adoption of this report.

Summary

This staff report is about a matter for which the community council has delegated authority from City Council to make a final decision.

This report requests the North York Community Council's authority to appoint five citizen members, one member from the North York Historical Society and one member from the Toronto Region Conservation Authority to the Gibson House/Zion Schoolhouse Community Museum Management Board.

Terms of Board members are coincident with Council terms. In 2006, a recruitment process was initiated to appoint the five citizen members of the board. Applications were made available through existing boards and committees, community centres and libraries, were

advertised in the U of T Bulletin, on the City's website and on the websites of the Volunteer Centre of Toronto and Charity Village. The Multicultural History Society of Ontario was hired to recruit and submit the names of qualified candidates from the diverse communities across the city, and a public information session was held. Review panels were established for each board to consider applications, conduct interviews and make recommendations regarding the candidates best qualified to fill the vacancies.

Schedule A to Chapter 103, Heritage, Toronto Municipal Code, states that the Gibson House/Zion Schoolhouse Community Museums Management Board be comprised of five citizen members, one representative from the North York Historical Society, one representative from the Toronto Region Conservation Authority, one representative from the Toronto District School Board, one representative from the Toronto Catholic School Board and one to two members of City Council.

Committee Decision

The North York Community Council:

1. authorized the public release of the confidential information and recommendations in Attachment 1, upon adoption of the report (April 11, 2007) from the General Manager, Economic Development, Culture and Tourism;
2. nominated the selected individuals listed in confidential Attachment No. 1 to the report (April 11, 2007) from the General Manager, Economic Development, Culture and Tourism, to the Gibson House/Zion Schoolhouse Community Museum Management Board for a term expiring on or before November 30, 2010, or until a successor is appointed; and
3. authorized and directed the appropriate City official to take the necessary action to give effect thereto.

The confidential attachment to the report (April 11, 2007) from the General Manager, Economic Development, Culture and Tourism is now public and contains the names of the following individuals for appointment to the Gibson House/Zion Schoolhouse Community Museum Management Board:

1. Anne Showalter
2. Sylvia Douglas
3. Elise Dintsman
4. Dan Chrisante
5. Asif Moghal
6. John Laraway (representative from the North York Historical Society)
7. Wendy Rowney (representative from the Toronto Region Conservation Authority)

(January 29, 2007) report from City Solicitor

Recommendations

Financial Impact

There is no financial impact arising from the adoption of this report.

Summary

At its meeting of January 16, 2007, North York Community Council requested that a report be brought forward to its next meeting on February 13, 2007, concerning the official plan designation and zoning bylaw affecting this site at 102 – 134 Hucknall Road and recommend on how community input can be secured and incorporated into the final design of the development. This report responds to that request.

Committee Recommendations

Decision Advice and Other Information

On motion by Councillor Peruzza, the North York Community Council:

1. deferred the report (January 29, 2007) from the City Solicitor, for a period of two months; and;
2. directed Planning staff to attend a community meeting to be hosted by the Ward Councillor.

Declared Interests (Committee)

Councillor Howard Moscoe - declared an interest in this matter because his principal residence is located in the neighbourhood of the subject property.

Public Art Plan - 5435 Yonge Street

(April 13, 2007) report from Robert Freedman, Director, Urban Design

Recommendations

The City Planning Division recommends that:

1. City Council approve the attached 5435 Yonge Street Public Art Plan.

Financial Impact

The recommendations in this report have no financial impact.

Summary

In compliance with the development approval provisions, the owners of 5435 Yonge Street have submitted a public art plan for approval by City Council. The full plan, which is Attachment 1, outlines the method by which the owner will commission the public art along the privately owned, publicly accessible pedestrian connection (breezeway) at the mid-block of the development. The plan provides an overview of the art site, public art objectives, estimated budget, art selection and the jury, and a project schedule. The owner will commence the selection of the art once the plan is approved. The resulting art installation will be owned and maintained by the 5435 Yonge Street condominium corporation.

The 5435 Yonge Street Public Art Plan provides a framework for the commissioning of art and

for the collaboration of artists with design teams to create a public art project that would integrate with the pedestrian connection (breezeway) and enhance the urban design objectives of this space. The attached plan meets the objectives of the City Planning Percent for Public Art Program and Guidelines, and is supported by the Toronto Public Art Commission.

Committee Recommendations

The North York Community Council recommended that City Council:

1. approve the 5435 Yonge Street Public Art Plan, outlined in Attachment 1 to the report (April 13, 2007) from the Director, Urban Design.

Technical Review and Report of Traffic Attenuation Measures for 1705, 1717, 1719, 1743 and 1745 Avenue Road

(May 1, 2007) Member Motion from Councillor Stintz, Ward 16 - Eglinton-Lawrence

Recommendations

The North York Community Council directed that:

- the Director of Transportation Services, North District review the traffic attenuation measures that are found in Clause 3.6 of the Minutes of Settlement between RioCan and AveFair and the local Resident Associations, and report back to the May 29th

Community Council.

Summary

On April 13, 2007, the City of Toronto received Minutes of Settlement between RioCan Real Estate Investment Trust and AveFair Holdings and local Ward 16 Ratepayer Associations, including the Bedford Park Residents Organization. The Minutes of Settlement include Clause 3.6 entitled “Traffic” which describes several traffic attenuation measures that RIOCAN and the Ratepayer Associations agreed would “be implemented subject to the agreement of appropriate persons at the City of Toronto.” Attached to the Minutes of Settlement as Attachments “3” and “4” are drawings of some of the proposed traffic attenuation measures. RioCan has also stated by their solicitor’s letter of April 12, 2007 to the City Solicitor that, “Consistent with Clause 3.6 of the Minutes, RioCan is requesting that the City approve the traffic attenuation measures, and we are hereby confirming that if the City approves such, RioCan will implement them at RioCan’s expense.”

These traffic matters are proposed for the City road allowance and as such are not part of the Site Plan drawings that have been appealed by RioCan to the Ontario Municipal Board. On April 26, 2007 the OMB adjourned the hearing of the RioCan appeals until June 6th in order, among other matters, to provide time for the City to make a decision with respect to these requested traffic attenuation measures.

It is therefore important that the City Transportation Department review the requested traffic attenuation measures and prepare a report to the appropriate Council before the OMB resumes the hearing on June 6th.

Decision Advice and Other Information

The North York Community Council requested the Director of Transportation Services, North York District, to review the traffic attenuation measures that are found in Clause 3.6 of the Minutes of Settlement between RioCan and AveFair and the local Resident Associations and report back to the North York Community Council for its meeting on May 29, 2007.
