Decision Advice and Other Information

The Parks and Environment Committee requested the Chair of the Parks and Environment Committee to forward to the Executive Committee:

1. a summary of the submissions from the public speakers; and
2. the following motions placed at the Special Meeting on June 18, 2007:

Motion by Councillor Perks

That the report (June 13, 2007) from Deputy City Manager Butts and Deputy City Manager and Chief Financial Officer Pennachetti, entitled “Climate Change, Clean Air and Sustainable Energy Action Plan: Moving from Framework to Action” be amended as follows:

- amending Recommendation 4a. to read as follows:
 - “4. City Council help residents and building owners live more environmentally friendly lifestyles and that City Council:
 - a. direct the Director, Toronto Environment Office to establish in 2007 the Live Green Toronto program, to support residents’ groups, Business Improvement Areas and other neighbourhood agencies and community groups, to green their own neighbourhoods through a range of programs, and include a review of financial assistance and incentives, including revolving loan funds paid back from savings, to achieve overall energy reductions in the residential sector; and further, direct Deputy City Manager Richard Butts to report to the October 29, 2007 meeting of the Executive Committee on the feasibility of hiring ‘zone planners’ to assist neighbourhoods in implementing the following:
 - home energy retrofits;
 - green power generation, including rooftop solar and ground source heat pumps;
 - allotment/food gardens in parks and homes;
 - water conservation programs available through Toronto Water;
 - tree inventory and planting campaigns;
 - soft/green surface program;
 - identification of green roof projects;
 - promoting an efficient appliance purchase drive;
 - promoting incandescent free streets;
 - downspout disconnection drives; and
 - xeriscaping (low water needs ground cover to replace lawns);”.

Motion by Councillor Fletcher

1. That the report (June 13, 2007) from Deputy City Manager Butts and Deputy City Manager and Chief Financial Officer Pennachetti, entitled “Climate Change, Clean Air and Sustainable Energy Action Plan: Moving from Framework to Action” be amended as follows:
 1. Amending Recommendation 5d. by renumbering it as 5d.i. and by adding after the words “procurement policies” the words “and upcoming contracts” so that it now reads:
 - “i. establish in 2007 an Enviro-Food Working Group to develop and implement actions to promote local food production, review City procurement policies and upcoming contracts, increase

community gardens and identify ways to remove barriers to the expansion of local markets that sell locally produced food; and”;

- Adding Recommendation 5d.ii. as follows:
 - “ii. immediately review upcoming food service contracts with the intent of a minimum of 10% locally grown food purchase;”;
 - Adding Recommendation 5d.iii. as follows:
 - “iii. the Enviro-Food Working Group immediately begin to develop a plan with Children’s Services for including locally grown food in all City-owned daycare centres.”;
 - Adding the following Recommendation 10c.:
 - “10c. request the Director of Transportation and the General Manager of Parks, Forestry and Recreation to report to the Parks and Environment Committee on the potential of planting trees in the middle of roads in areas painted as no-go zones.”;
2. That City Council endorse a green energy strategy which eliminates the need for a third electricity transmission line into the City.

Motion by Councillor Moeser

That Deputy City Manager Butts and Deputy City Manager and Chief Financial Officer Pennachetti be requested to report on financial implications of the above motions.

1a Framework for an Integrated Climate Change and Clean Air Action Plan

(March 26, 2007) Letter from the Executive Committee.

Summary

The Executive Committee on March 26, 2007, forwarded a copy of the report (March 22, 2007) from Deputy City Manager Richard Butts, to the Parks and Environment Committee for consultation with interested stakeholders and the hearing of depositions, with a request that the Deputy City Manager report thereon to the Executive Committee.

1d Green Roof Incentive Pilot Program

(May 30, 2007) Letter from City Clerk

Summary

Advising that City Council on May 23, 24 and 25, 2007, adopted this Item, without amendment, and in so doing, has forwarded a copy to the Parks and Environment Committee, for consideration in establishing a permanent Green Roof Incentive Program, including a review of the level of financial incentives, other parties that should be contributing funding to the program in light of the issues raised in this report and various options to address regulatory matters, all in support of the City's Climate Change and Clean Air Action Plan.
