Re: Request for Fence Exemption for 50 Gooderham Drive, Agenda Item SC7.7

I am the owner of 52 Gooderham Drive and I object to the consideration of the request for fence exemption for 50 Gooderham Drive.

I believe that this fence is an obstruction to my safety in that when pulling out of my driveway, I do not have clear view of oncoming traffic and therefore causes unnecessary stress and danger to myself and to my family.

I am further opposed to this fence as it impacts the appeal of the neighborhood. There are no other homes in the area with such a high fence in the front of the house. In order to maintain the appeal of this neighborhood and to ensure the 'curb appeal' of my property and the surrounding properties, it is my opinion that the City Council declines the request for this exemption.

Respectfully,
