Final Report - Zoning Amendment Application - 56 Blue Jays Way

Statutory - Planning Act, RSO 1990

(January 26, 2007) report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council amend Zoning By-law 438-86 for the former City of Toronto substantially in accordance with the draft Zoning By-law Amendment attached as Attachment No. 7;
2. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Zoning By-law Amendment as may be required;
3. On the Zoning By-law Amendment for 56 Blue Jays Way coming into effect, the applicant shall withdraw their appeal to Zoning By-law Amendment 922-2006 for the King-Spadina Plan area;
4. Before introducing the necessary Bills to City Council for enactment, require the owner to enter into a Section 37 Agreement pursuant to Section 37 of the Planning Act, to secure the following:
 - The amount of \$100,000 payable to the City of Toronto, prior to the issuance of the first building permit, to be used for improvements to Clarence Square Park;

- The amount of \$100,000 payable to the City of Toronto, prior to the issuance of the first building permit, to be allocated to restoration of the historic façade of the existing building on the site;
 - The provision and maintenance of public art works pursuant to a public programme, to be located on publicly accessible portions of the lot, in Clarence Square Park, or within publicly owned or publicly accessible locations in the King-Spadina Plan Area east of Spadina Avenue, of a value not less than one percent of the gross construction costs of all buildings and structures to be erected on the lot;
 - The incorporation, in the construction of the building, of exterior materials to the satisfaction of the Chief Planner and Executive Director, City Planning Division. This shall include, as part of the Section 37 Agreement, 1:50 scale drawings for the first three floors of the building along Blue Jays Way, including portions of the existing historic façade and portions of the new building, with building materials labelled and the drawings having a sufficient level of detail to illustrate how the building will be perceived by the pedestrian;
 - The introduction of measures to improve sound quality within residential units, as recommended by an acoustic consultant to be engaged by the applicant. Sound mitigation measures may include changing the thickness of glass sizes in double glazed window assemblies, increasing the solidity of the exterior walls on the lower floors, and/or refining podium setbacks. The sound mitigation measures shall be to the satisfaction of the Chief Planner and Executive Director, City Planning Division in consultation with the project architect;
 - Submission of a landscape plan to be secured in an Agreement pursuant to Section 41 of the *Planning Act*, such plan to address hard and soft materials and lighting for the front yard setback from Blue Jays Way, the side yard setback along the public lane, and the outdoor residential amenity space on the second floor to the satisfaction of the Chief Planner, City Planning Division;
 - Submission of a Pedestrian Level Wind Study to be secured in an Agreement pursuant to Section 41 of the *Planning Act*, such Agreement to specify that any required wind mitigation measures shall be subject to the satisfaction of the Chief Planner, City Planning Division;
 - the owner agrees to make revisions to the development or submit a Letter of Credit, if required, in accordance with the recommendations of a street lighting assessment; and,
 - the contributions for improvements to Clarence Square Park and the restoration of the historic façade shall be indexed to the Consumer Price Index from the date of execution of the first agreement under Section 37 of the *Planning Act*.
5. Before introducing the necessary Bills to City Council for enactment require the owner

to submit, to the satisfaction of the Manager of Heritage Preservation Services, the following:

- drawings that refine the elevations of the heritage façade and side addition facades to conserve existing heritage attributes;
 - information regarding exterior architectural details, design and materials for the heritage façade and side addition facades;
 - a Heritage Impact Statement/Conservation Plan for the conservation and restoration of 56 Blue Jays Way;
 - a record of the as-found condition of 56 Blue Jays Way; and
 - a Stage One Archaeological Assessment;
6. Prior to the issuance of any building permit for 56 Blue Jays Way, including a permit for demolition, excavation and/or shoring of the subject property, the owner shall provide a letter of credit in a form and in an amount satisfactory to the Manager, Heritage Preservation Services, to secure all work included in the Heritage Impact Statement/ Conservation Plan. Prior to the release of the Letter of Credit, the owner shall provide two copies of the as-built Heritage Easement photographs to the satisfaction of the Manager, Heritage Preservation Services;
 7. No demolition, construction, grading or other soil disturbances shall take place on the subject property prior to the City Planning Division and Ministry of Culture confirming in writing that all archaeological licensing and technical review requirements have been satisfied;
 8. Provide all parking spaces for this project with minimum dimensions of 2.7 metres in width and 5.7 metres in length save and except for 6 spaces which can have a minimum length of 5.2 metres;
 9. Individually designate all parking spaces on the plans with lengths of 5.2 metres as “Small Car” parking spaces;
 10. Provide all driveway aisles for this project with minimum widths of 6.0 metres;
 11. Comply with the ramp slope requirements of the general Zoning By-law;
 12. Require the owner, at their expense, to provide and maintain an irrigation system for any proposed trees within the public road allowance, including an automatic timers, designed to be water efficient by a Certified Landscape Irrigation Auditor (CLIA) and constructed with a back flow preventer to the satisfaction of the Executive Director, Technical Services, including requirement to maintain in good order and operation; and
 13. Require the owner, at their expense, to address any further conditions from Technical Services that may result from their review of the application.

Summary

An application has been submitted to permit an 18-storey residential building, with retail at-grade, and the restoration of the historic building façade, at 56 Blue Jays Way. Planning staff have reviewed the application and have circulated the proposal to all appropriate agencies and City Divisions. This report reviews and recommends approval of the application to amend the Zoning By-law.

Recommendations

The City Planning Division recommends that City Council:

1. amend the new Official Plan of the City of Toronto substantially in accordance with Attachment No. 6;
2. amend Zoning By-law 438-86 and 168-93 for the former City of Toronto substantially in accordance with the draft Zoning By-law Amendment attached as Attachment No. 7;
3. authorize the City Solicitor to make such stylistic and technical changes to the draft Official Plan and draft Zoning By-law amendments as may be required;
4. authorize the City Solicitor to make changes to the Precinct B Precinct Agreement, other Railway Lands agreements (including, if appropriate, a further agreement pursuant to the City of Toronto Act, 1971, S.O. 1971, c. 130, as amended), service agreements, and easement agreements as required to secure the matters set out in this report;
5. require the owner, before introducing the necessary Bills to City Council for enactment, to submit to the Executive Director, Technical Services, documentation and/or revised drawings for review and acceptance:
 - (a) final approved drawings of the development with sufficient horizontal and vertical dimensions of the exterior walls of the proposed buildings to enable the preparation of building envelope plans, such plans should be submitted at least

three weeks prior to the introduction of Bills in Council;

6. require the owner, before introducing the necessary Bills to City Council for enactment, to execute one or more agreements pursuant to the City of Toronto Act, 1971, S.O. 1971, c. 130, as amended satisfactory to the Chief Planner and Executive Director, City Planning Division, and the City Solicitor, such agreement(s) to be registered against the title of the lands for the development to secure the following facilities, services, and matters:
 - (a) City's right to use the pedestrian walkway in perpetuity through the building(s);
 - (b) provide and maintain within the site a publicly accessible walkway (Galleria) connecting the SkyWalk to Front Street West generally as shown on the Plans prepared by Tampold Architects, dated December 7, 2006, which shall:
 - (i) remain open and accessible to the public between the hours of 6:00 a.m. to 2:00 a.m., 365 days a year; and
 - (ii) be satisfactorily illuminated;
 - (c) provide space within the development site for the construction of any transformer vaults, hydro vaults, Bell maintenance structures, sewer maintenance holes, exhaust and intake vents and stairwell and associated enclosure satisfactory to the Chief Planner and Executive Director, City Planning Division;
 - (d) provide the incorporation, in the construction of the building, of exterior materials to be shown for the podium along Simcoe Street, Front Street West and Station Street, pedestrian weather protection and landscaping materials satisfactory to the Chief Planner and Executive Director, City Planning Division;
 - (e) provide and maintain an irrigation system for any proposed trees within the public road allowance, including an automatic timer, designed to be water efficient by a Certified Landscape Irrigation Auditor (CLIA) and constructed with a back flow preventer irrigation system for all new trees in the public rights-of-ways, satisfactory to the Executive Director, Technical Services and General Manager, Parks, Forestry and Recreation;
 - (f) provide and maintain the following to permit the installation and mature growth of all proposed plant material, in particular, large growing shade trees to the satisfaction of the Director of Urban Forestry:
 - (i) sandy loam soil (comprising 50 to 60 percent sand, 20 to 40 percent silt, 6 to 10 percent clay, 2 to 5 percent organic, with pH of 7.5 or less) to a sufficient depth of not less than 1 metre;
 - (ii) an engineered draining system which prevents soil saturation; and

- (iii) a continuous tree trench, in accordance with the Continuous Tree Pit details outlined in the Construction Details Section of the City of Toronto Streetscape Manual.
 - (g) before site plan approval, require the owner to provide an architectural plan and/or renderings of the roof of the podium, to include a green roof, or a combination of an appropriately landscaped roof and other architectural design treatment and exterior materials, to the satisfaction of the Chief Planner and Executive Director, City Planning Division;
 - (h) provision of knock-out panels to accommodate a potential future connection to the PATH system, satisfactory to the Chief Planner and Executive Director, City Planning Division, and the General Manager of Economic Development; and enter into the Wayfinding Agreement, and to be detailed in an agreement pursuant to Section 41 of the *Planning Act*;
 - (i) make all necessary improvements to the PATH system as required in the Wayfinding Agreement and Site Plan Agreement to the satisfaction of the City Solicitor, Transportation Services, City Planning and Economic Development and Culture;
 - (j) revisions, if any, to the development to address the recommendations of a Pedestrian Level Wind Study;
 - (k) revisions to the development, or a Letter of Credit, in accordance with the recommendations of a Street Lighting Assessment;
 - (l) comply with any other condition to ensure the orderly development and phasing of the lands as required by the Chief Planner and Executive Director, City Planning Division, acting reasonably;
7. require the applicant to enter into a Site Plan Agreement under Section 41 of the Planning Act;
8. require the following in the Zoning By-law amendment:
- (a) reconstruct the intersection of Station Street and Simcoe Street with minimum curb radii of 12 metres at the southeast corner of the intersection;
 - (b) enter into agreements satisfactory to City Legal, in consultation with Transportation Services, City Planning and GO Transit, to secure the proposed pedestrian access through the building, and the proposed pedestrian arcade on the Simcoe Street frontage of the site, as well as the pedestrian facilities on Station Street;
 - (c) provide and maintain a minimum of 301 non-residential parking spaces and a maximum of 315 parking spaces within the proposed parking garage for this

development;

- (d) provide and maintain 3 Type B, 3 Type C loading spaces and one additional loading space with minimum dimensions of 2.6 metres by six metres by three vertical;
- (e) submit, for review and acceptance prior to site plan approval, a Transportation Demand Management Plan to the General Manager of Transportation Services, including measures to reduce automobile use;
- (f) have a qualified Transportation Engineer/Planner certify, in writing, to the General Manager of Transportation Services that the development has been designed and constructed in accordance with the Transportation Demand Management Plan approved by the General Manager, Transportation Services;
- (g) provide, maintain and operate the Transportation Demand Management measures, facilities and strategies stipulated in the Transportation Demand Management Plan approved by the General Manager, Transportation Services;
- (h) provide, prior to Site Plan Approval, for any improvements to the municipal infrastructure should it be determined that upgrades to the infrastructure are required to support this development, according to the site servicing review accepted by the Executive Director of Technical Services;
- (i) submit a traffic monitoring report within six months of occupancy of the office building to identify vehicular trip distribution patterns associated with the project and identify mitigating measures to address any poor levels of service experienced at Front Street West/Simcoe Street, Station Street/York Street, Station Street/Simcoe Street, York Street/University Street/Front Street West and York Street/Bremner Boulevard intersections, for the review and approval of the General Manager of Transportation Services;
- (j) provide a Letter of Credit in the amount of \$50,000 to cover the costs associated with the following measures, as deemed appropriate by the General Manager of Transportation Services:
 - (i) implementing mitigating measures such as changes to traffic regulations and installation of regulatory signage; and
 - (ii) implementing the approved signal timing modification and signal phasing adjustments identified at the Front Street West/Simcoe Street, Station Street/York Street, Station Street/Simcoe Street, York Street/University Street/Front Street West and York Street/Bremner Boulevard intersections, which are attributable, in part, to this development, if any;
- (k) prior to Site Plan Approval the owner shall:

- (i) submit revised drawings that further refine the design of the transition between the SkyWalk atrium and the new internal corridor to the satisfaction of the Manager of Heritage Preservation Services;
 - (ii) submit revised 1:50 scale drawings of the elevations of the front facades of 20 York Street and 151 Front Street West to the satisfaction of the Manager of Heritage Preservation Services;
 - (iii) submit a detailed landscape plan for the subject property, to the satisfaction of the Manager, Heritage Preservation Services;
 - (iv) provide plans for interpretive panels or other interpretive materials to communicate the development history of the property: the research, design, and location of the interpretive materials will be to the satisfaction of the Manager of Heritage Preservation Services;
 - (v) provide a Letter of Credit in a form and in an amount satisfactory to the Manager, Heritage Preservation Services to secure all work for the research, production and installation of interpretive materials referred to in condition (iv);
- (l) prior to the release of the Letter of Credit the owner shall obtain final approval for the interpretive materials erected on the property from the Manager, Heritage Preservation Services.
9. before introducing the necessary Bills to City Council for enactment, authorize the appropriate City officials and require the owner to execute one or more agreements pursuant to Section 37 of the *Planning Act* satisfactory to the Chief Planner and Executive Director, City Planning Division, and the City Solicitor, such agreements to be registered on title to the lands in a manner satisfactory to the City Solicitor, to secure the following facilities, services and matters:
- (a) a contribution of \$1.5 million, prior to the issuance of an above grade building permit for any development, for the following local community improvement initiatives:
 - (i) \$150,000 for the capital improvement of affordable housing in Ward 20;
 - (ii) exclusive of the frontages of the subject lands, \$1,000,000 for streetscaping improvements on Front Street West between University Avenue and Spadina Avenue, Simcoe Street between the railway corridor and Queen Street West including bicycle lanes, and University Avenue between Front Street West and King Street West;
 - (iii) \$350,000 for weather protection and improvements to the four at-grade TCC stairways at St. Andrew subway station;
 - (b) provide a public art contribution in accordance with the City of Toronto's Percent for Public Art Program for a value not less than one percent of the gross

construction cost, indexed annually, of all buildings and structures on the lands to be paid at time of first building permit;

- (c) provide the City of documentation as to LEED certification of the development and the marketing materials that will include information on LEED certification as follows:
 - 1. in conjunction with the construction and marketing of the Development, the Owner shall provide to the Chief Planner such documentation as the Chief Planner shall request with respect to LEED Certification of the Development and the marketing materials that will include information on LEED Certification;
 - 2. the owner shall:
 - (a) use reasonable commercial efforts to obtain LEED Certification of the buildings;
 - (b) prior to receiving Site Plan Approval, register the development with the CaGBC (the “LEED Registration”) and provide written confirmation of the LEED Registration to the Chief Planner;
 - (c) prior to the occupancy of the building, to make the LEED Application and provide to the Chief Planner a copy of the LEED Application together with written confirmation that it has been submitted and, if requested by the Chief Planner, copies of all documentation submitted with the LEED Application to the CaGBC;
 - (d) upon the receipt of a CaGBC Report provide, if requested to the Chief Planner, a copy of such CaGBC Report;
 - (e) provide a response to the CaGBC regarding any CaGBC Report, provide if requested to the Chief Planner a copy of any documentation submitted to the CaGBC by the owner in response to such CaGBC Report;
 - (f) upon the owner receiving notification of the CaGBC’s decision as to whether LEED Certification of the Building has been granted, to provide if requested to the Chief Planner a copy of such notification; and
 - (g) provide, if requested by the Chief Planner, a copy of the owner’s marketing materials for the Development that contain information regarding LEED and LEED Certification;
10. authorize City officials to take all necessary steps, including the execution of agreements and documents, to give effect to the above-noted recommendations.

Summary

An application has been submitted to permit conversion of an apartment building consisting of 33 co-ownership units at 480 Oriole Parkway to condominium. This report reviews and recommends approval of the applications for an amendment to the Official Plan policies and for Draft Plan of Condominium, subject to a number of conditions being met. The applications have been appealed to the Ontario Municipal Board. A pre-hearing to consider the appeal has been scheduled for February 1, 2007.

Final Report - Official Plan Amendment and Draft Plan of Condominium Applications - 480 Oriole Parkway and Intention to Designate, Part IV, Ontario Heritage Act

(January 29, 2007) report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council direct the City Solicitor to advise the Ontario Municipal Board (the "OMB") that the City of Toronto requests the OMB to approve the application for Official Plan Amendment No. 05 116292 STE 22 OZ, substantially in accordance with Attachment No.4, and authorize Draft Approval of the Plans of Condominium Application No. 05 116296 STE 22 CD for 480 Oriole Parkway date stamped as received on May 2, 2005 subject to recommendation 2;
2. City Council require the owner to fulfill the conditions of Draft Approval of the Plan of Condominium as set out in Attachment 5, including the execution and satisfactory registration of any condominium agreements deemed necessary by the City Solicitor, prior to the City's consent for final registration and authorize the City Solicitor to prepare any necessary agreements, as the City Solicitor deems necessary;
3. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Official Plan Amendment and Draft Plan of Condominium Approval as may be required; and
4. City Officials be authorized and directed to take necessary actions to give effect thereto.

Summary

An application has been submitted to permit conversion of an apartment building consisting of

33 co-ownership units at 480 Oriole Parkway to condominium. This report reviews and recommends approval of the applications for an amendment to the Official Plan policies and for Draft Plan of Condominium, subject to a number of conditions being met. 6a Intention to Designate, Part IV, Ontario Heritage Act - 480 Oriole Parkway

(January 29, 2007) report from Director, Policy and Research, City Planning Division

Recommendations

The City Planning Division recommends that

1. City Council state its intention to designate the property at 480 Oriole Parkway (Parkway Court Apartments) under Part IV of the *Ontario Heritage Act*;
2. If there are no objections to the designation in accordance with Section 26(6) of the *Ontario Heritage Act*, the City Solicitor be authorized to introduce the Bills in Council designating the property under Part IV of the *Ontario Heritage Act*;
3. If there are objections in accordance with Section 29(7) of the *Ontario Heritage Act*, the City Clerk be directed to refer the proposed designation to the Conservation Review Board; and
4. The appropriate City Officials be authorized and directed to take necessary action to give effect thereto.

Financial Impact

There are no financial implications resulting from the adoption of this report. The cost of publishing the notice of intention to designate in the daily newspaper is included in the 2007 Policy and Research budget.

Summary

This report recommends that, following consultation with the Toronto Preservation Board, City Council state its intention to designate the property at 480 Oriole Parkway under Part IV of the Ontario Heritage Act. The property was listed on the City of Toronto Inventory of Heritage Properties in 1995. The property contains an apartment complex, which is undergoing conversion to a residential condominium. The owners support the proposed designation, which will enable the property to qualify for a reduced parking requirement under the Zoning Bylaw.

Request for Direction - Official Plan, Zoning and Site Plan Applications – 450-452 Dawes Road

(January 26, 2007) report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council authorize the City Solicitor and necessary City staff to attend at the Ontario Municipal Board hearing in support of the appeals, subject to the resolution of all outstanding issues, including, but not limited to, issues that may relate to Urban Forestry, Urban Design, and Technical Services; and
2. City Council authorize the City Solicitor and necessary City staff take such necessary steps as to implement the foregoing.

Summary

The applicant has appealed the Official Plan and Zoning By-law amendment and Site Plan Control applications to the Ontario Municipal Board (OMB). The applications are to permit twenty 3-storey townhouse units, each with integral garages, and to permit two common element walkways and a common element laneway at 450-452 Dawes Road. Since the appeal, the applicant submitted a revised proposal which should reflect some of the comments received from City staff. Appropriate agencies and City Departments are currently evaluating the revised submission. City staff are continuing to work with the applicant in an effort to resolve any outstanding issues. The OMB has set a hearing date to hear the appeals for April 3, 2007. This report seeks Council's direction to staff to attend at the upcoming hearing in support of the appeal, if all outstanding issues are resolved with the applicant/appellant.

Inclusion on Heritage Inventory - 1006 Bloor Street West

(January 26, 2007) letter from Director, Policy and Research, City Planning Division

Recommendations

The City Planning Division recommends

1. that Clause 28 of Report 7 of the Toronto and East York Community Council, adopted as amended by City Council on September 25, 26 and 27, 2006, be amended by deleting Attachment 3 of the report (July 17, 2006) from the Director, Policy and Research, City Planning Division, and replacing it with Attachment 1 included in this report.

Financial Impact

There are no financial implications resulting from the adoption of this report.

Summary

At the last Council meeting cycle in 2006 the property at 1006 Bloor Street West (Paradise Theatre (1937)) was recommended for inclusion on the City of Toronto Inventory of Heritage Properties for its cultural heritage value or interest. At that time, the owner asked for deferral of consideration of the recommendation to allow additional time for consultation with staff. The owner provided an undertaking to not demolish the building. To ensure protection from demolition or alteration for the building, Council listed the building and asked staff to report, after consultation with the owner, on whether the listing should be continued. (TEYCC, Report 7, Clause 28) Staff met with the owners and their representatives and explained the implications of listing. Staff advises that the property meets the criteria for listing and should not be removed from the Inventory. However, as a result of the consultation, staff recommend that the Heritage Attributes detailed in Attachment 3 of the July 17, 2006 be amended.

Inclusion On Heritage Inventory – 109 Atlantic Avenue

(January 9, 2007) report from Director, Policy and Research, City Planning Division

Recommendations

It is recommended that:

1. City Council include the property at 109 Atlantic Avenue (Gowans, Kent and Company Warehouse) on the City of Toronto Inventory of Heritage Properties; and
2. The alterations to the heritage building be approved subject to the owner:
 - a. prior to final site plan approval:
 - (i) providing a Conservation Plan for the restoration of the Gowans, Kent and Company Warehouse;
 - (ii) providing a landscape plan for the subject property;
 - b. prior to the issuance of any building permit on the subject property:
 - (i) providing a Letter of Credit to secure all work included in the Conservation Plan;

- (ii) providing a record of the as-found condition;
 - (iii) providing final plans;
 - c. prior to the release of the Letter of Credit:
 - (i) providing and implementing an Interpretation Program; and
3. The appropriate City Officials be authorized and directed to take necessary action to give effect thereto.

Summary

This report recommends that City Council include the property at 109 Atlantic Avenue (Gowans, Kent and Company Warehouse) on the City of Toronto Inventory of Heritage Properties. The property owners have agreed to the proposed inclusion of the property on the City's heritage inventory. The owners plan to convert the existing early 20th century industrial building to commercial uses while retaining its heritage attributes. The proposed alterations do not negatively affect the heritage attributes of the heritage building.

Inclusion On Heritage Inventory - 6 Henry Street

(January 22, 2007) report from Director, Policy and Research, City Planning Division

Recommendations

It is recommended that:

1. City Council include the property at 6 Henry Street (Beverley Place) on the City of Toronto Inventory of Heritage Properties; and
2. The appropriate City Officials be authorized and directed to take necessary action to give effect thereto.

Summary

This report recommends that City Council include the property at 6 Henry Street (Beverley Place) on the City of Toronto Inventory of Heritage Properties. The property has cultural heritage value or interest as an important example of Modern architecture . Located on the west side of Henry Street and extending from Baldwin Street to Cecil Street, Beverley Place (1974) was commissioned by CityHome (the City of Toronto's non-profit housing company) and designed by the notable Toronto architect, A. J. Diamond. The inclusion of the property on the City's heritage inventory would enable the City to monitor any changes to the site and encourage the retention of the heritage attributes of the building.

Intention to Designate, Ontario Heritage Act - 334 Dundas Street West

(January 17, 2007) report from Director, Policy and Research, City Planning Division

Recommendations

It is recommended that:

1. City Council state its intention to designate the property at 334 Dundas Street West (Richard Chadd and Hugh McCaw Houses) under Part IV of the *Ontario Heritage Act*;
2. If there are no objections to the designation in accordance with Section 26(6) of the *Ontario Heritage Act*, the solicitor be authorized to introduce the Bills in Council designating the property under Part IV of the *Ontario Heritage Act*;
3. If there are objections in accordance with Section 29(7) of the *Ontario Heritage Act*, the Clerk be directed to refer the proposed designation to the Conservation Review Board; and
4. The appropriate City Officials be authorized and directed to take necessary action to give effect thereto.

Summary

This report recommends that City Council state its intention to designate the property at 334 Dundas Street West (Richard Chadd and Hugh McCaw Houses) under Part IV of the Ontario Heritage Act. As directed by the Toronto and East York Community Council, Planning Division staff have met with the property owners to explain the implications of the proposed designation. The property at 334 Dundas Street West forms an integral part of the intact group of house form buildings at 312-356 Dundas Street West, 10 of which City Council has stated its intention to designate under Part IV of the Ontario Heritage Act.

Residential Boulevard Parking Appeal for Two Vehicles - 540 Spadina Crescent

(January 23, 2007) report from Manager, Right of Way Management, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Council deny the request for residential boulevard parking for two vehicles at 540 Spadina Crescent.

Summary

This report considers an appeal for residential boulevard parking for two vehicles at 540 Spadina Crescent. Staff do not recommend parking for two vehicles parallel to the sidewalk at this location because it does not meet the requirements of the Code. The owner will be given an opportunity to make a deputation before Community Council.

Request for a fence exemption to Chapter 447-Fences of the Toronto Municipal Code at 32 Inglewood Drive

(January 19, 2007) report from Manager, Municipal Licensing and Standards Division Toronto East York District

Recommendations

Municipal Licensing and Standards Division recommends that the fence exemption not be granted.

Summary

The purpose of this report is to consider a request by the agent for the owner(s) of 32 Inglewood Drive to be exempted from Chapter 447 – Fences, Section 447-2(B). The City of Toronto Municipal Code, Chapter 447 - Fences, Section 2, provides that the maximum permitted height of a fence located in the rear yard cannot exceed 2 metres. This existing board and lattice fence measures approximately 2.53 metres (8 feet 4 inches) and separates the rear yard of 32 Inglewood Drive and the property to the west. The total length of the fence extends approximately 6 metres (19 feet, 6 inches).

Privacy Fence Appeal - 238 Rosedale Heights Drive

(January 25, 2007) report from Manager, Right of Way Management, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Council approve:

1. The maintenance of the privacy fence within portions of the public right of way fronting 238 Rosedale Heights Drive, subject to the owner entering into an encroachment agreement with the City of Toronto, agreeing to but not limited to the following:
 - a. indemnify the City from and against all actions, suits, claims or demands and

- from all loss, costs, damages and expenses that may result from such permission granted and providing of an insurance policy for such liability for the lifetime of the Agreement in a form as approved by the Deputy City Manager and Chief Financial Officer and in the amount not less than \$2,000,000 or such greater amount as the Deputy City Manager and Chief Financial Officer may require;
- b. maintain the privacy fence at his/her own expense in good repair and a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the encroachment beyond what is allowed under the terms of the Agreement;
 - c. obtain approval for associated work on private property from the Toronto Building Division;
 - d. remove the privacy fence upon receiving 90 days written notice to do so;
 - e. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City; and
2. in the event of sale or transfer of the property abutting the encroachment, Legal Services and/or the General Manager of Transportation Services extend the Encroachment Agreement to the new owner, subject to the approval of the General Manager of Transportation Services.

Summary

This report considers an appeal for the maintenance of a 1.7 m high privacy fence within portions of the public right of way fronting 238 Rosedale Heights Drive. Although the fence exceeds the allowable height under the Municipal Code, it does not impact negatively on the public right of way. Therefore, staff recommend the approval of the maintenance of the privacy fence at this location, subject to the property owner entering into an encroachment agreement with the City of Toronto. The owner will be given an opportunity to make a deputation before Community Council.

Proposed Traffic Island - Ernest Avenue and Perth Avenue

(January 26, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. the existing "No Parking 7:00 a.m. to 4:30 p.m., Monday to Friday and 7:30 a.m. to 12:00 p.m. on Saturday" prohibition on the north side of Ernest Avenue from a point 15 metres west of Perth Avenue to the west end of Ernest Avenue be amended to operate from a point 42 metres west of Perth Avenue to the west end of Ernest Avenue;
2. the existing "one hour maximum parking between 8:00 a.m. and 4:00 p.m., Saturday" regulation on the south side of Ernest Avenue between the westerly terminus of Ernest

Avenue and Symington Avenue be amended to operate between Symington Avenue and Perth Avenue and a point 42 metres west of Perth Avenue and the westerly terminus of Ernest Avenue;

3. the existing “No Parking 12:01 a.m. to 7:00 a.m., Except by Permit” regulation on the north side of Ernest Avenue between Perth Avenue and the west end of Ernest Avenue be amended to operate from a point 42 metres west of Perth Avenue to the west end of Ernest Avenue;
4. the existing “No Parking 12:01 a.m. to 7:00 a.m., Except by Permit” regulation on the south side of Ernest Avenue between Symington Avenue and the west end of Ernest Avenue be amended to operate from Symington Avenue to Perth Avenue and a point 42 metres west of Perth Avenue to the west end of Ernest Avenue;
5. a “No Stopping Anytime” regulation be introduced on the north and south sides of Ernest Avenue between Perth Avenue and a point 42 metres west thereof; and
6. approval be given to narrow Ernest Avenue, from a point 10 metres west of Perth Avenue to a point 10 metres further west thereof, from a width of 9.6 metres to a width of 7.6 metres, by the installation of a precast modular island, generally as shown on the attached print of Drawing No. 421F-8660, dated January, 2007.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2007 operating budget interim appropriations	\$2,500

Summary

Transportation Services is seeking authority to install a traffic island on Ernest Avenue, west of Perth Avenue to address safety issues created by backing maneuvers of heavy vehicles through the intersection of Ernest Avenue and Perth Avenue, to a local business. Creating a traffic island on Ernest Avenue, west of Perth Avenue, may deter heavy vehicles from carrying out unsafe backing manoeuvres. However, we cannot guarantee that this measure will control or eliminate the problem entirely. This action will also result in the loss of five parking spaces on Ernest Avenue.

Pedestrian Link Intersection of King Street West and Shaw Street to King Liberty Area

(January 29, 2007) report from Director, Community Planning, Toronto and East York District Director, Transportation Services, Transportation Infrastructure Management

Recommendations

The City Planning Division and Transportation Services Division recommend that the General Manager of Transportation Services be directed to undertake an Environmental Assessment (EA) study for the pedestrian link to be completed in early 2008.

Financial Impact

Funds for the EA study are contained in the 2007 Transportation Services Division Engineering Studies Account CTP 807-02 and are prior approved.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact statement.

Summary

To report on the need for a pedestrian connection from approximately Shaw Street, south of King Street West, to the King Liberty area, along with the work plan for achieving this pedestrian link.

Traffic Control Signals - Dufferin Street and Saskatchewan Road

(January 26, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Council approve traffic control signals at the intersection of Dufferin Street and Saskatchewan Road and that the existing pedestrian crossover on Dufferin Street, approximately 75 metres north of Saskatchewan Road, be removed coincident with the installation.

Financial Impact

The adoption of the above-noted Recommendation will not result in any financial impact to Transportation Services. All costs associated with the proposal, in the estimated amount of \$160,000.00, are the responsibility of Exhibition Place.

Summary

Transportation Services has been requested by Exhibition Place to install traffic control signals at the intersection of Dufferin Street and Saskatchewan Road and to remove the pedestrian crossover (PXO) on Dufferin Street, approximately 75 metres north of Saskatchewan Road, near the Dufferin Gate. The installation of traffic control signals at Dufferin Street and Saskatchewan Road will provide safe and efficient access for pedestrians, cyclists and motorists wishing to cross Dufferin Street. This will result in the removal of the PXO, approximately 75 metres to the north, at the same time as the traffic signals are installed. All costs will be borne by Exhibition Place as both locations are within the grounds of Exhibition Place.

Sidewalk Construction - Barton Avenue

(January 25, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that approval be given to narrow the pavement width of Barton Avenue, from Christie Street to Pendrith Lane for the purpose of installing a 1.7 metre wide sidewalk, as follows:

1. “the narrowing of the roadway on Barton Avenue, between Christie Street and Pendrith Lane generally as shown in the attached print of Drawing No. 421F-8674, dated January, 2007.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within capital budget request	2007 Capital Budget New Sidewalk Installation Program	\$65,000.00

Summary

As a result of a request from Deputy Mayor Joe Pantalone, Transportation Services are requesting authority to narrow Barton Avenue on the north side, between Christie Street and Pendrith Lane for the purpose of constructing a sidewalk, in conjunction with planned capital work under the 2007 program. The installation of a 1.7 metre wide sidewalk on this section of Barton Avenue across from Christie Pits will provide a safe pedestrian refuge, linking the terminus of the existing sidewalk west of Pendrith Lane for children attending St. Raymond Catholic School.

Rescind Turn Prohibition - Strachan Avenue at Canada Boulevard/Fleet Street

(January 29, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that the existing “No-Right-Turn-On-Red” prohibition for southbound traffic on Strachan Avenue at Fleet Street/Manitoba Drive, be rescinded.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations	\$100.00

Summary

Deputy Mayor Joe Pantalone has requested Transportation Services to report on rescinding the southbound right turn on red prohibition on Strachan Avenue at Canada Boulevard/Fleet Street. This type of traffic control measure is considered when there are heavy conflicting traffic demands between pedestrians crossing and vehicles turning that risk public safety. Removing the southbound right-turn-on-red prohibition on Strachan Avenue at Canada Boulevard/Fleet Street will not jeopardize public safety, nor increase a risk to the TTC streetcar operation, as motorists are required under the Highway Traffic Act to stop on a red traffic signal and can only lawfully proceed when it is safe to make a right turn.

Northbound left turn prohibition - Hazelton Avenue and Davenport Road

(January 25, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Council prohibit northbound left turns from Hazelton Avenue onto Davenport Road from 7:30 a.m. to 9:30 a.m. and from 3:30 p.m. to 6:30 p.m., Monday to Friday.

Financial Impact

There is no financial impact on the City. All costs to implement the left turn prohibition will be paid by the developer.

Summary

This report requests Council's authority to prohibit left turns during rush hour periods by northbound traffic from Hazelton Avenue onto Davenport Road. This will comply with the stipulations of the Site Plan Undertaking (#32585001), issued on August 2, 2006 for the development of 116 Yorkville Avenue. Completion of the Hazelton Hotel & Residences (116 Yorkville Avenue) is anticipated shortly. Introducing the proposed turn prohibition will prevent the additional traffic generated by this development from increasing delays and traffic congestion on Hazelton Avenue.

Entry and Turn Prohibitions - 10 Delisle Avenue

(January 26, 2007) report from Director, Transportation Services Toronto and East York

District

Recommendations

Transportation Services recommends that:

1. Council approve a “No Entry” prohibition at the existing westerly portion of circular driveway serving No. 10 Delisle Avenue; and
2. Council prohibit southbound left-turns at any time onto Delisle Avenue from the westerly portion of circular driveway serving No. 10 Delisle Avenue.

Financial Impact

Type of funding	Source of funds	Amount
	There are no budget impacts arising from the adoption of these recommendations as all costs will be borne by the developer.	

Summary

As a result of changes to the configuration of the access driveway to No. 10 Delisle Avenue, Transportation Services have reviewed prohibiting entry into and left-turns exiting the westerly portion of the circular driveway at No. 10 Delisle Avenue so that the subject driveway will operate in a one-way westbound direction. Implementation of these regulations will result in enhanced safety.

Lane Closure for Construction - Carlton Street

(January 29, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Council approve the following actions:

1. close the sidewalk and curb lane on the south side of Carlton Street between a point 89

metres east of Yonge Street and a 113 metres east of Yonge Street to traffic for 9 months, from March 7, 2007 to December 7, 2007;

2. during this period, replace the existing parking and stopping regulations on this portion the south side of Carlton Street with No Stopping Anytime; and
3. Carlton Street to its pre-construction traffic and parking regulations when the project is completed.

Financial Impact

There is no financial impact on the City. Edilcan Development Corporation will bear the costs.

Summary

Edilcan Development Corporation is building a 33-storey condominium on the south side of Carlton Street, east of Yonge Street. For this reason, Transportation Services must: - close the south sidewalk for 9 months, and - make a temporary pedestrian walkway in the south curb lane on Carlton Street for 9 months.

Amendments to Parking Regulations - Roncesvalles Avenue

(January 29, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. the existing “two hours from 9:00 a.m. to 6:00 p.m., Monday to Friday and 8:00 a.m. to 6:00 p.m. Saturday” maximum parking regulation on the west side of Roncesvalles Avenue, from The Queensway to Geoffrey Street be amended to operate between The Queensway and a point 38 metres south of Fern Avenue and from a point 29 metres south of Fern Avenue to Geoffrey Street;
2. the existing “three hours from 6:00 p.m. to 9:00 p.m., Monday to Saturday and 1:00 p.m. to 9:00 p.m. Sunday” maximum parking regulation on the west side of Roncesvalles Avenue, from The Queensway to Geoffrey Street be amended to operate between The Queensway and a point 38 metres south of Fern Avenue and from a point 29 metres south of Fern Avenue to Geoffrey Street;

3. the existing “one hour from 9:00 a.m. to 6:00 p.m., Monday to Friday and 8:00 a.m. to 6:00 p.m. Saturday” maximum parking regulation on the west side of Roncesvalles Avenue, from a point 21.3 metres south of Marmaduke Street to a point 91.4 metres north of Queen Street West, be rescinded;
4. the existing “No Parking 7:00 a.m. to 9:00 a.m., Except Saturdays, Sundays and Public Holidays” regulation on the west side of Roncesvalles Avenue, from a point 118 metres north of Queen Street West to Dundas Street West be amended to operate from a point 118 metres north of Queen Street West to a point 38 metres south of Fern Avenue and a point 29 metres south of Fern Avenue to Dundas Street West; and
5. a “No Parking Anytime” regulation be introduced on the west side of Roncesvalles Avenue from a point 29 metres south of Fern Avenue to a point 9 metres further south thereof.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2007 operating budget interim appropriations	\$600
Total financial impact		\$600

Summary

Transportation Services is seeking authority to install a “No Parking Anytime” regulation on Roncesvalles Avenue, from a point 29 metres south of Fern Avenue to a point 9 metres further south thereof to prevent vehicles from blocking the driveway of premises no. 195 Fern Avenue. Creating a “No Parking Anytime” area on Roncesvalles Avenue will prevent vehicles from parking illegally fronting the driveway of 195 Fern Avenue. Continued parking enforcement is required to augment this measure.

Planter Box Installation - McCaul Street, north of Queen Street West

(January 25, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that a bylaw be prepared to alter the west side of McCaul Street, north of Queen Street West, as described below:

“the placement of one 1.0 metre x 1.0 metre planter box on the west side of McCaul Street, approximately 20.5 metres north of Queen Street West, generally as shown in the attached print of Drawing No. 42IF-8677, dated January 2007”.

Summary

Staff of the Toronto Transit Commission (TTC) have requested that one planter box be installed on the west side of McCaul Street, north of Queen Street West, to prevent southbound right-turning motorists from travelling alongside a southbound left-turning TTC streetcar and being struck by the tail end of the streetcar as it completes its turn. Placing a planter box on the west side of McCaul Street, north of Queen Street West, will not adversely affect the safe and efficient operation of McCaul Street and will not result in the loss of any on-street parking spaces.

Summary

Transportation Services has been requested by Councillor Michael Walker to obtain authority to reduce the existing hours of Permit Parking from (12:01 a.m. to 10:00 a.m.), to operate from 12:01 a.m. to 8:00 a.m., to accommodate a 10-minute maximum “Student Pick-up/Drop-off Area”, to operate from 8:00 a.m. to 10:00 a.m., Monday to Friday, on the south side of Manor Road East, from Redpath Avenue to the west leg of Servington Crescent. This proposal will provide a sufficient area for parents/guardians to park while escorting their children to the e.p.i.c. School, located at 111 Manor Road East, without adversely affecting parking for those persons with parking permits.

Parking Regulations - Summerhill Avenue, between MacLennan Avenue and Jean Street

(January 29, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Council:

1. rescind the “One hour maximum parking, from 9:00 a.m. to 6:00 p.m., Monday to Saturday” on the north side of Summerhill Avenue between Jean Street and MacLennan

Avenue;

2. allow parking for a maximum period of one hour, from 9:00 a.m. to 6:00 p.m., Monday to Saturday on the north side of Summerhill Avenue from Jean Street to a point 120.7 metres west;
3. allow parking for a maximum period of one hour, from 9:00 a.m. to 6:00 p.m., Monday to Saturday on the north side of Summerhill Avenue from 148.2 metres west of Jean Street to MacLennan Avenue; and
4. prohibit parking at all times on the north side of Summerhill Avenue from 120.7 metres west of Jean Street to 27.5 metres further west.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations	\$600

Summary

Transportation Services is requesting Council's authority to prohibit parking on the north side of Summerhill Avenue at all times on either side of the driveway that leads to the Summerhill Marketplace (446 Summerhill Avenue) parking lot. Prohibiting parking on either side of the Summerhill Marketplace driveway should improve obstructed sight lines for motorists exiting the parking lot onto Summerhill Avenue.

Parking Regulations - Hagerman Street, between Elizabeth Street and Bay Street

(January 29, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Council:

1. rescind the "No Parking Anytime" prohibition on both sides of Hagerman Street, between Elizabeth Street and Bay Street; and

2. prohibit standing at all times on both sides of Hagerman Street, between Elizabeth Street and Bay Street.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations	\$600

Summary

We are requesting Council's authority to prohibit standing at all times on both sides of Hagerman Avenue, between Elizabeth Street and Bay Street. This parking regulation change would help maintain unobstructed traffic flow on this narrow street by eliminating the opportunity for commercial loading and unloading activities, and parking by people with a valid disabled parking permit.

Rosedale Valley Road, north of Aylmer Avenue - proposed sidewalk

(January 29, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Council:

1. approve narrowing the pavement of Rosedale Valley Road from Aylmer Avenue to the north end of the street for the purpose of installing a 1.6 metre wide sidewalk as follows:

“by narrowing ROSEDALE VALLEY ROAD, between ALYMER AVENUE and the NORTH END generally as shown in the attached print of Drawing Nos. 421P-0016, 421P-0010, 421P-0010a, 421P-0010b (dated October, 2006)”.
2. rescind the “No Parking, 8:00 a.m. to 10:00 p.m., Monday to Friday” regulation on the west side of Rosedale Valley Road (East Roadway, north from Severn Street);

3. rescind the “Two-hour maximum parking, from 8:00 a.m. to 6:00 p.m., Monday to Saturday” regulation on the west side of Rosedale Valley Road from Aylmer Avenue/Severn Street to Yorkville Park Drive;
4. rescind the “One-hour maximum parking, from 8:00 a.m. to 6:00 p.m., Monday to Friday” regulation on the west side of Rosedale Valley Road (east roadway) from Rosedale Valley Road to the north end of Rosedale Valley Road (east roadway);
5. rescind the regulation authorizing operation of parking meters on the west side of Rosedale Valley Road, from Aylmer Avenue/Severn Street to Yorkville Park Road for a maximum period of two hours from 8:00 a.m. to 6:00 p.m., Monday to Saturday at a rate of \$1.50 per hour;
6. rescind the regulation authorizing operation of parking meters on the west side of Rosedale Valley Road, from Aylmer Avenue/Severn Street to Yorkville Park Road for a maximum period of three hours, from 6:00 p.m. to 9:00 p.m., Monday to Saturday; and 1:00 p.m. to 9:00 p.m., Sunday at a rate of \$1.50 per hour; and
7. prohibit parking at all times on the west side of Rosedale Valley Road, from Aylmer Avenue/Severn Street to the north end of the street.

Financial Impact

The estimated cost of narrowing the west side of Rosedale Valley Road to construct a sidewalk, including adjustments to parking signs and removal of parking meters, is \$210,000.00.

Transportation Services has requested that the 2007 Capital Budget process allocate \$2,000,000.00 for the installation of sidewalks. The installation of a sidewalk on this section of Rosedale Valley Road is subject to competing priorities and funding availability.

Summary

Transportation Services is requesting Council’s authority to narrow a section along the east side of Rosedale Valley Road by 1.6 metres to construct a sidewalk. The narrowing will require us to prohibit parking on this section of the street. The installation of a sidewalk on the east side of Rosedale Valley Road will provide a safe pedestrian refuge, linking the existing sidewalk on Aylmer Avenue to the Rosedale Ravine Lands located at the end of this section of Rosedale Valley Road.

Provision of Taxicab Stand on Mill Street, east of Trinity Street

(December 27, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. the current two-hour maximum parking regulation from 8:00 a.m. to 6:00 p.m., Monday to Saturday on the south side of Mill Street, from a point 20.0 metres east of Trinity Street to Cherry Street, be amended to operate on the south side of Mill Street, from a point 36.5 metres east of Trinity Street to Cherry Street;
2. the current “No Parking Except by Permit, 12:01 a.m. to 7:00 a.m.” regulation on the south side of Mill Street, from a point 20.0 metres east of Trinity Street to Cherry Street, be amended to operate on the south side of Mill Street, from a point 36.5 metres east of Trinity Street to Cherry Street;
3. the current regulation authorizing the operation of parking machines on the south side of Mill Street, from a point 20.0 metres east of Trinity Street to Cherry Street, for a maximum period of 2 hours, from 8:00 a.m. to 6:00 p.m., Monday to Saturday, be amended to operate on the south side of Mill Street, from a point 36.5 metres east of Trinity Street to Cherry Street, for a maximum period of 2 hours, from 8:00 a.m. to 6:00 p.m., Monday to Saturday;
4. the current regulation authorizing the operation of parking machines on the south side of Mill Street, from a point 20.0 metres east of Trinity Street to Cherry Street, for a maximum period of 3 hours from 6:00 p.m. to 9:00 p.m., Monday to Saturday, and from 1:00 p.m. to 9:00 p.m., Sunday, be amended to operate on the south side of Mill Street, from a point 36.5 metres east of Trinity Street to Cherry Street, for a maximum period of 3 hours from 6:00 p.m. to 9:00 p.m., Monday to Saturday, and from 1:00 p.m. to 9:00 p.m., Sunday; and
5. a three-vehicle “Taxicab Stand” be delineated on the south side of Mill Street, from a point 20.0 metres east of Trinity Street to a point 16.5 metres further east thereof.

Summary

In September, 2006, Transportation Services reported to Community Council recommending a student pick up/drop off zone on the south side of Mill Street, just east of Trinity Street. We were then requested to further review conflicts between taxicabs and a transit stop at this same location. The placing of a three-vehicle taxicab stand on the south side of Mill Street adjacent to the new student pick up/drop off zone should resolve the conflicts with the existing nearside

transit stop. However, we would need to remove three spaces currently used for pay-and-display and permit parking.
