**Approval of Alterations - 151 Front Street, 20 York Street, 7 Station Street in the Union Station Heritage Conservation District**

(September 24, 2007) Report from Director, Policy and Research, City Planning Division

**Recommendations**

The City Planning Division recommends that;

1. The alterations to the heritage buildings 151 Front Street West, the Sky Walk, and 20 York Street be approved substantially in accordance with the plans by Tampold Architects on file with the Manager of Heritage Preservation Services, subject to the owner,
  - a. prior to final site plan approval;
    - providing a detailed Conservation Plan for the restoration of the heritage buildings located at 20 York Street, and 151 Front Street, satisfactory to the Manager, Heritage Preservation Services;
    - providing plans for interpretive panels or other interpretive materials to communicate the development history of the property: the research, design, and location of the interpretive materials will be to the satisfaction of the Manager of Heritage Preservation Services;
    - providing a landscape plan for the subject property, satisfactory to the Manager, Heritage Preservation Services;
    - providing a lighting plan for the subject property, satisfactory to the Manager, Heritage Preservation Services;
  - b. prior to the issuance of any building permit for the heritage buildings 151 Front Street West, the Sky Walk and 20 York Street, including a permit for the demolition, excavation, and/or shoring of the subject property;
    - providing a letter of credit, in a form and an amount satisfactory to the Chief Planner and Executive Director, City Planning Division, to secure all work included in the Conservation Plan and plan for interpretive materials;

- c. prior to release of the Letter of Credit;

completing the heritage conservation work satisfactory to the Manager, Preservation Services;

providing and implementing an Interpretation Program for the heritage buildings 151 Front Street, the Sky Walk and 20 York Street satisfactory to the Manager of Heritage Preservation Services.

## Summary

This report recommends approval of alterations to designated heritage buildings in the Union Station Heritage Conservation District (HCD) including; 151 Front Street West, 20 York Street and the Sky Walk.

The proposed alterations are part of a development application for an Official Plan Amendment and Site Plan Approval for 151 Front Street West, 7 Station Street, and 20 York Street. The proposed development includes the construction of a new 36 storey office tower located immediately south of 151 Front Street West. The heritage buildings will have conservation work undertaken as part of the development project.

## **Inclusion of 14 Properties on Heritage Inventory - Lonsdale Road Apartments**

(August 15, 2007) Report from Director, Policy and Research, City Planning Division

### **Recommendations**

The City Planning Division recommends that:

1. City Council includes the following 14 properties on the City of Toronto Inventory of Heritage Properties:
  - i. 306 Lonsdale Road (apartment building);
  - ii. 308 Lonsdale Road (apartment building);
  - iii. 310 Lonsdale Road (Russell Hill Apartments);
  - iv. 311 Lonsdale Road (apartment building);
  - v. 312 Lonsdale Road (Lonsdale Manor Apartments);
  - vi. 313 Lonsdale Road (Manor Court Apartments);
  - vii. 314 Lonsdale Road (Forest Hill Apartments);
  - viii. 315 Lonsdale Road (Manor Court Apartments);
  - ix. 316 Lonsdale Road (Forest Hill Apartments);
  - x. 317 Lonsdale Road (apartment building);
  - xi. 319 Lonsdale Road (apartment building);
  - xii. 320 Lonsdale Road (320 Lonsdale Road Apartments);
  - xiii. 321 Lonsdale Road (Killarney Mansions Apartments); and
  - xiv. 323 Lonsdale Road (Dunvegan Court Apartments).

### **Summary**

This report recommends that City Council include the 14 properties listed in Recommendation No. 1 on the City of Toronto Inventory of Heritage Properties. Located on Lonsdale Road, east of Spadina Road, the cohesive group of 14 early 20th century apartment houses contribute to the character of the Forest Hill neighbourhood.

Because some of the apartment buildings are being converted to residential condominiums, the inclusion of the 14 properties on the City's heritage inventory would enable staff to monitor any changes to the sites and encourage the retention of their heritage attributes.

### **Intention to Designate, Part IV, Ontario Heritage Act - 305 George Street**

(August 2, 2007) Report from Director, Policy and Research, City Planning Division

### **Recommendations**

The City Planning Division recommends that:

1. City Council state its intention to designate the property at 305 George Street (Thomas Meredith House) under Part IV of the *Ontario Heritage Act*;
2. if there are no objections to the designation in accordance with Section 29(6) of the *Ontario Heritage Act*, the solicitor be authorized to introduce the Bills in Council designating the property under Part IV of the *Ontario Heritage Act*; and
3. if there are objections in accordance with Section 29(7) of the *Ontario Heritage Act*, the Clerk be directed to refer the proposed designation to the Conservation Review Board.

### **Summary**

This report recommends that City Council state its intention to designate the property at 305 George Street (Thomas Meredith House) under Part IV of the Ontario Heritage Act. The property was listed on the City of Toronto Inventory of Heritage Properties in 2005.

The property is in poor condition and there is concern about the future of the site. The designation of the property would enable City Council to control the demolition of this building and the potential redevelopment of the property.

## Intention to Designate, Part IV, Ontario Heritage Act - 306 Sherbourne Street

(August 22, 2007) Report from Director, Policy and Research, City Planning Division

## Recommendations

The City Planning Division recommends that

1. City Council state its intention to designate the property at 306 Sherbourne Street (Harriett Brown House) under Part IV of the Ontario Heritage Act;
2. If there are no objections to the designation in accordance with Section 29(6) of the Ontario Heritage Act, the solicitor be authorized to introduce the Bills in Council designating the property under Part IV of the Ontario Heritage Act; and
3. If there are objections in accordance with Section 29(7) of the Ontario Heritage Act, the Clerk be directed to refer the proposed designation for which there is an objection to the Conservation Review Board.

## Summary

This report recommends that City Council state its intention to designate the property at 306 Sherbourne Street (Harriett Brown House) under Part IV of the Ontario Heritage Act. The property was listed on the City of Toronto Inventory of Heritage Properties in 1976.

The property owner has requested the designation to qualify for the Toronto Heritage Grant Program.

#### **Intention to Designate, Part IV, Ontario Heritage Act - 6, 8, 10, 12, 14 and 16 Glen Road**

(July 30, 2007) Report from Director, Policy and Research, City Planning Division

##### **Recommendations**

The City Planning Division recommends that:

1. City Council state its intention to designate the following six properties under Part IV of the Ontario Heritage Act:
  - a. 6 Glen Road (1884 house form building) ;
  - b. 8 Glen Road (1884 house form building);
  - c. 10 Glen Road (1884 house form building)

2. If there are no objections to the designations in accordance with Section 29(6) of the Ontario Heritage Act, the solicitor be authorized to introduce the Bills in Council designating the properties under Part IV of the Ontario Heritage Act;
  3. If there are objections in accordance with Section 29(7) of the Ontario Heritage Act, the Clerk be directed to refer the proposed designations for which there are objections to the Conservation Review Board.

### Summary

This report recommends that City Council states its intention to designate the six properties at 6, 8, 10, 12, 14 and 16 Glen Road (Glen Road Houses) under Part IV of the Ontario Heritage Act. The properties were listed on the City of Toronto Inventory of Heritage Properties in 1974. The three pairs of semi-detached house form buildings are in a state of disrepair and there is concern about the future of the properties. To allow City Council to control the demolition of the buildings and the potential redevelopment of the sites, City Council must state its intention to designate the six properties by stating its intention to designate the six properties under Part IV of the Ontario Heritage Act.

## Sign Variance - 1 Dundas Street West

(October 10, 2007) Report from Director, Community Planning, Toronto and East York District

### Recommendations

The City Planning Division recommends that:

1. Toronto and East York Community Council approve the requested variances to permit, for identification purposes, a non-illuminated fascia sign # 4 “Ted Rogers School of Management / Ryerson University” located at the west portion of the north elevation of the building and the fascia Sign # 6 “Ted Rogers School of Management / Ryerson University” located at the southwest corner of the building along Bay Street at 1 Dundas Street West; and
2. Toronto and East York Community Council refuse the requested variances to permit, for identification purposes, a non-illuminated fascia sign # 1 “Ted Rogers School of Management / Ryerson University” located at the northeast corner of the building along

Dundas Street West, a non-illuminated fascia sign # 3 “Ted Rogers School of Management” located at the east portion of the north elevation and a non-illuminated fascia sign # 5 “Ted Rogers School of Management” located at the north corner of west elevation; and

3. Toronto and East York Community Council direct the City Clerk’s Office to advise the applicant, upon approval of variances for Sign # 4 and Sign # 6, of the requirement to obtain the necessary sign permits from the Chief Building Official.

### Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report reviews and makes recommendations on a request by Dominic Magnone, with Ryerson University, for approval of variances from Chapter 297, Signs, of the former City of Toronto Municipal Code to permit, for identification purposes, five non-illuminated fascia signs on the north, south, east and west elevations of the building at 1 Dundas Street West.

Staff recommends approval of Sign # 4 and Sign # 6 as shown on the attached graphics. The variances related to these signs are minor and within the general intent and purpose of the Municipal Code. Staff recommends refusal of Sign # 1, Sign # 3 and Sign # 5 as shown on the attached graphics. The variances related to these signs are major and not within the general intent and purpose of the Municipal Code.

### Residential Demolition Application - 54 Harbord Street

(August 23, 2007) Report from Acting Director, Toronto Building, Toronto and East York District

### Recommendations

That Toronto and East York Community Council:

1. refuse the application to demolish the subject residential building because there is no building permit for a replacement building on the site; in the alternative,
2. approve the application to demolish the subject residential buildings without conditions; or,

3. approve the application to demolish the subject residential building with the following conditions:
  - a. any reasonable conditions which have regard to the nature of the residential property, including the preservation of significant natural features and requiring the erection and maintenance of structures and enclosures.

### Summary

In accordance with city-wide residential demolition control under Article II, Demolition Control, of Municipal Code Ch. 363, as amended by By-law No.1009-2006, enacted by the City Council on September 27, 2006 under the authority of section 33 of the Planning Act, I refer the demolition application for 54 Harbord Street to you, to whether to grant or refuse the application, including any conditions, if any, to be attached to the permit.

### Driveway Widening Appeal - 10 Glenayr Road

(August 17, 2007) Report from Manager, Right of Way Management, Transportation Services Toronto and East York District

### Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. deny the request for driveway widening at 10 Glenayr Road;
2. request that the owner:

- a. remove the excess brick paving and restore the boulevard to soft landscaping, as shown on Appendix 'D'; and
  - b. install a permanent physical barrier to separate the driveway and the walkway;
3. request that the owner pay \$406.44 for the removal of the unauthorized ramp and reinstate the proper curb.

### Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services has assessed an appeal from the owner of 10 Glenayr Road for driveway widening. We do not recommend approval of driveway widening at this location because it does not meet the requirements of the former City of Toronto Municipal Code. The owner will be given an opportunity to make a deputation before Community Council.

### Driveway Widening Appeal - 649 Merton Street

(October 11, 2007) Report from Manager, Right of Way Management, Transportation Services, Toronto and East York District

### Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. deny the request for angled driveway widening at 649 Merton Street;
2. approve the driveway widening perpendicular to the sidewalk at 649 Merton Street, as per the provisions of the former City of Toronto Municipal Code Chapter 248, Parking Licences, as shown on Appendix 'E'; and
3. request that the applicant disconnect the downspout at the front of the property in accordance with the requirements of the Downspout Disconnection Program.

## Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services has assessed an appeal from the owner of 649 Merton Street for angled driveway widening at this location. We do not recommend approval of angled driveway widening at this location because it does not meet the requirements of the former City of Toronto Municipal Code. The owner will be given an opportunity to make a deputation before Community Council.

## Request for a fence exemption - 55 Harbour Square

(September 17, 2007) Report from Municipal Licensing and Standards Division, Toronto and East York District

## Recommendations

Municipal Licensing & Standards recommends that Toronto and East York Community Council not grant the fence exemption.

## Summary

This staff report is about a matter for which the community council has delegated authority from City Council to make a final decision. The applicant, being the Landscape Architect for the condominium complex at 55 Harbour Square is seeking exemption to the provisions of the City of Toronto Municipal Code, Chapter 447 Fences, Section 447-2(B), to permit the construction of two, (2) pillars as an architectural treatment which will provide stability to a proposed fence construction. Both pillars, pillar 'A' on the on the west side of the driveway entrance and pillar 'B' on the east side of the driveway entrance are wrought iron of open construction as shown in attachments 1a, b & c & 2a, b & c. Attachment 3. provides photographs of the proposed site of the fence and pillars.

The Fence by-law provides that an open fence construction within 8 feet, (2.4 metres) of the front lot line not exceed a height of 4 feet, (1.2 metres). The proposed pillars are set back 6 feet 6 inches, (1.98 metres) from the front lot line which abuts the public sidewalk and exemption is being requested to permit them to be 6 feet, (1.83 metres) in height. The remainder of the proposed fence is in accordance with the by-law provisions.

## Request for a fence exemption - 561 Broadview Avenue

(October 15, 2007) Report from Municipal Licensing & Standards Division Toronto East York District

### Recommendations

Municipal Licensing & Standards Division, Investigation Services recommends that the fence exemption not be granted.

### Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision. The purpose of this report is to consider a request by the owner's Architect to be exempted from height restrictions of the Toronto Municipal Code Chapter 447 – Fences.

The City of Toronto Municipal Code Chapter 447 – Fences, Section 2, states that the maximum permitted height of a fence and swimming pool enclosure is 2.0 metres. In this report the applicant is seeking an exemption to permit the proposed fences as follows:

1. East side masonry fence measuring 4.26 metres in length and forming part of the

swimming pool enclosure is proposed to be 2.16 metres high; and

2. South side masonry fence measuring 9.60 metres in length and forming part of a swimming pool enclosure is proposed to be 2.17 metres high.

### Traffic Calming – Dixon Avenue, between Kingston Road and Woodbine Avenue

(October 12, 2007) Report from Director, Transportation Services Toronto and East York District

### Recommendations

Transportation Services recommends to Toronto and East York Community Council that traffic calming not be installed on Dixon Avenue, between Kingston Road and Woodbine Avenue.

### Financial Impact

The adoption of the above-noted recommendation will not result in any financial impact. If, however, Toronto and East York Community Council decides speed humps on Dixon Avenue would be beneficial, the following financial impact will result:

1. the estimated cost for installing four speed humps would be \$12,000.00. Funds in the amount of \$695,000.00 have been allocated in the Transportation Services 2007 Capital Budget for traffic calming initiatives. Installing speed humps on Dixon Avenue would be subject to competing priorities and funding availability.

### Summary

This staff report is about a matter which Community Council has been delegated authority from City Council to make a final decision. Transportation Services staff have investigated installing traffic calming to address residents' concerns with the speed of traffic on Dixon Avenue, between Kingston Road and Woodbine Avenue. Our assessment indicates the criteria as set out in the Traffic calming policy has not been met. Therefore, speed humps should not be installed on Dixon Avenue at this time.

**Preliminary Report - Zoning Application - 1145 Ossington Avenue**

(September 25, 2007) Report from Director, Community Planning, Toronto and East York District

**Recommendations**

The City Planning Division recommends that:

1. staff be directed to schedule a community consultation meeting together with the Ward Councillor;
2. notice for the community consultation meeting be given to landowners and residents within 120 metres of the site;
3. notice for the public meeting under the Planning Act be given according to the regulations under the Planning Act; and
4. staff be directed to work with the applicant to generate a proposal that complies with the Council approved Development Infrastructure Policy and Standards (DIPS).

**Summary**

This application was made after January 1, 2007 and is subject to the new provisions of the Planning Act and the City of Toronto Act, 2006.

This application proposes an infill development of 48 freehold townhome units at 1145 Ossington Avenue. Twelve units are proposed to front onto Ossington Avenue and the remaining 36 units are proposed to front onto a new private street, internal to the site, with access off of Ossington Avenue.

This report provides preliminary information on the above-noted application and seeks Community Council's directions on further processing of the application and on the community consultation process.

Planning staff have circulated this application to City departments and external agencies, where appropriate, for comment. Staff will schedule a community consultation meeting and review the proposed development against the relevant Official Plan policies for Neighbourhoods. A final report is targeted for the third quarter in 2008. This target date assumes that the applicant will provide all required information in a timely manner.

(October 9, 2007) Report from Director, Community Planning, Toronto and East York District

**Recommendations**

The City Planning Division recommends that:

1. Staff be directed to schedule a community consultation meeting together with the Ward Councillor;
2. Notice for the community consultation meeting be given to landowners and residents within 120 metres of the site; and
3. Notice for the public meeting under the Planning Act be given according to the regulations under the Planning Act.

**Summary**

This application was made after January 1, 2007 and is subject to the new provisions of the Planning Act and the City of Toronto Act, 2006.

This application proposes a 48-storey (183 metre) mixed use building with 23 storeys of office (lower floors) and 25 storeys of residential uses, and five storeys of underground parking, at the Richmond Adelaide Centre (RAC) block. The office building at 85 Richmond Street West and the seven storey parking garage at 22 Sheppard Street would be demolished. PATH and site improvements are proposed for the entire RAC block which consists of 100, 104, 120, 130 Adelaide Street West, 12, 22 Sheppard Street, 165 York Street, and 85, 111 Richmond Street West. The Concourse Building at 100 Adelaide Street West would be preserved and used for residential use. The office building at 111 Richmond Street West would be renovated.

The applicant has requested flexible zoning to permit an alternative all-office development of the tower at the same density but at a lower height (due to the larger floor plate for the upper floors of the tower). The height of this alternative tower would be 35 storeys or 150 metres.

This report provides preliminary information on the above-noted application and seeks Community Council's directions on further processing of the application and on the community consultation process.

The next step is to undertake a community engagement process, which will include an initial open house / information session enabling the public to review the applicant's submission, and ask questions of City staff and the applicant.

### **Sign Variance - 700 University Avenue**

(October 4, 2007) Report from Director, Community Planning, Toronto and East York District

#### **Recommendations**

The City Planning Division recommends that:

1. Toronto and East York Community Council approve the requested variances to permit, for identification purposes, an illuminated single face pedestal sign along the University

Avenue frontage of the property at 700 University Avenue and require that energy efficient lights be used; and

2. Toronto and East York Community Council direct the City Clerk's Office to advise the applicant, upon approval of variances, of the requirement to obtain the necessary sign permits from the Chief Building Official.

### Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision. This report reviews and makes recommendations on a request by Dominic Rotundo with Pattison Sign Group on behalf of ING Canada Inc., for approval of variances from Chapter 297, Signs, of the former City of Toronto Municipal Code to permit, for identification purposes, an illuminated single face pedestal sign along the University Avenue frontage of the property at 700 University Avenue. Staff recommends approval of the application. The variances are minor and within the general intent and purpose of the Municipal Code.

## Sign Variance - Supplementary - 77 Elm Street

(October 16, 2007) Report from Director, Community Planning, Toronto and East York District

## Recommendations

The City Planning Division recommends that:

1. Toronto and East York Community Council approve additional variances # 4 and # 5 to permit, for third party advertising purposes, a non-illuminated fascia sign on the south elevation of the building at 77 Elm Street subject to the additional condition that:
  - a. the sign be permitted for a maximum period of ten years from the date of approval.

## Summary

This supplementary staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision. At its meeting held on March 27, 2007, the Toronto and East York Community Council granted the request by Leslie Abro of Abcon Media on behalf of The Hospital for Sick Children, for variances # 1, #2 and # 3 as listed in this report to permit, for third party advertising purposes, a non-illuminated fascia sign on the south elevation of the building at 77 Elm Street, on condition that:

1. the sign company submitting a written declaration to the Chief Building Official stating that all signs currently erected by the applicant within the City of Toronto have been legally installed; and
2. the written declaration be verified by the Chief Building Official prior to the erection of the sign at this location.

This supplementary report reviews and makes recommendations for approval of two additional variances identified and listed as # 4 and # 5 in this report. These additional variances were missed in the original staff report and the proposed sign is unchanged.

## Results of Speed Hump Poll - Hickson Street, between Brock Avenue and St. Clarens Avenue

(October 12, 2007) Report from Director, Transportation Services Toronto and East York District

### Recommendations

Transportation Services recommends to Toronto and East York Community Council that traffic calming (speed humps) not be installed on Hickson Street, between Brock Avenue and St. Clarens Avenue.

### Financial Impact

The adoption of the above-noted recommendation would not result in any financial impact. If, however, Toronto and East York Community Council decides to approve installing traffic calming (speed humps) on Hickson Street, the following financial impact will result:

1. the estimated cost of installing three speed humps on Hickson Street is \$9,000.00. The installation of these speed humps would be subject to competing priorities and funding availability in the Transportation Services 2008 Capital Budget for traffic calming initiatives.

### Summary

This staff report is about a matter which Community Council has been delegated authority from City Council to make a final decision.

This report summarizes the results of the traffic calming poll undertaken on Hickson Street, between Brock Avenue and St. Clarens Avenue. The poll results indicated a response rate of less than 50 percent plus one.

## **Traffic Calming - St. Clarens Avenue, between College Street and Bloor Street West**

(October 12, 2007) Report from Director, Transportation Services Toronto and East York District

### **Recommendations**

The Transportation Services Division recommends to Toronto and East York Community Council that traffic-calming devices not be installed on St. Clarens Avenue, between College Street and Bloor Street West.

### **Financial Impact**

The adoption of the above-noted recommendation will not result in any financial impact. If, however, Community Council decides to approve installing traffic-calming devices on St. Clarens Avenue, the following financial impact will result:

1. the estimated cost for installing nine speed humps would be \$27,000.00. The installation of these speed humps would be subject to competing priorities and funding availability in Transportation Services 2008 Capital Budget for traffic calming initiatives.

### **Summary**

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision. Transportation Services staff have investigated installing traffic calming devices to reduce the operating speed of St. Clarens Avenue, between College Street and Bloor Street West. The speed of vehicles on the street is already below a level which would benefit from installing traffic-calming devices. Therefore, Transportation Services staff should not install speed humps on St. Clarens Avenue.

### **All-Way Stop Control – Bernard Avenue and Madison Avenue**

(October 12, 2007) Report from Director, Transportation Services Toronto and East York District

#### **Recommendations**

Transportation Services recommends to Toronto and East York Community Council that an all-way “Stop” control not be installed at the intersection of Bernard Avenue and Madison Avenue.

#### **Financial Impact**

The adoption of the above-noted recommendation will not result in any financial impact. If, however, Toronto and East York Community Council decides to install an all-way stop control at the intersection of Bernard Avenue and Madison Avenue, the following financial impact will result:

1. The estimated cost for installing an all-way stop control would be \$200.00. Funds are available within Toronto Transportation Services 2007 Operating Budget.

#### **Summary**

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision. Transportation Services staff have reviewed the need for introducing an all-way stop control at the intersection of Bernard Avenue and Madison Avenue. Our assessment indicates that an all-way stop control at the intersection of Bernard Avenue and Madison Avenue is not technically warranted and should not be installed at this time.

### **Through and left turn prohibitions – Farnham Avenue and Yonge Street**

(October 12, 2007) Report from Director, Transportation Services Toronto and East York District

#### **Recommendations**

Transportation Services recommends that Toronto and East York Community Council:

1. prohibit eastbound left turns from Farnham Avenue onto Yonge Street, from 8:00 a.m. to 9:00 a.m., Monday to Friday;
2. prohibit through traffic from Farnham Avenue onto Jackes Avenue, from 8:00 a.m. to 9:00 a.m., Monday to Friday; and
3. prohibit eastbound left turns from Farnham Avenue into the first laneway located west of Yonge Street and operating from Farnham Avenue to Balmoral Avenue, from 8:00 a.m. to 9:00 a.m., Monday to Friday.

### Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget	\$600.00

### Summary

This staff report is about a matter that Community Council has delegated authority from City Council to make a final decision. Transportation Services is seeking authority to prohibit left turns and straight through movements from Farnham Avenue onto Yonge Street from 8:00 a.m. to 9:00 a.m., Monday to Friday; and to prohibit left turns from 8:00 a.m. to 9:00 a.m., Monday to Friday, into the first laneway located west of Yonge Street, operating between Farnham Avenue and Balmoral Avenue. The prohibition of the above-noted turn and through restrictions will alleviate traffic backups on Farnham Avenue in the vicinity of Yonge Street, during the weekday morning period when student pick-up/drop-off activities are taking place flanking the York School.

### Reduction of Speed Limit - O'Connor Drive

(October 16, 2007) Report from Director, Transportation Services Toronto and East York District

### Recommendations

Transportation Services recommends that City Council reduce the speed limit from 50 km/h to 40 km/h on O'Connor Drive, from Northline Road to Skopje Gate.

**Financial Impact**

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2007 operating budget	\$600

**Summary**

Transportation Services is requesting approval to lower the maximum speed limit from 50 km/h to 40 km/h on O'Connor Drive between Northline Road and Skopje Gate. Investigation indicated a significant amount of speeding occurs on this section of O'Connor Drive in proximity to O'Connor Drive Public School. Reducing the speed limit could promote lower operating speeds and enhance safety for school children.

**Extension of Overnight On-Street Permit Parking Hours - Pearson Avenue**

(October 12, 2007) Report from Manager, Right of Way Management, Transportation Services Toronto and East York District

**Recommendations**

Transportation Services recommends that Toronto and East York Community Council extend the overnight on-street permit parking hours of operation on Pearson Avenue, between Roncesvalles Avenue and Sorauren Avenue, from 12:01 a.m. to 7:00 a.m., 7 days a week, to 12:01 a.m. to 10:00 a.m., 7 days a week.

**Financial Impact**

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2007 operating budget	\$200

**Summary**

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision. Transportation Services is requesting approval from Toronto and East York Community Council to extend the overnight on-street permit parking hours on the south side of Pearson Avenue, between Roncesvalles Avenue and Sorauren Avenue, from

12:01 a.m. to 7:00 a.m., 7 days a week, to 12:01 a.m. to 10:00 a.m., 7 days a week. By extending the overnight on-street permit parking hours, the Toronto Police Service, Parking Enforcement Unit, can effectively control the long term parking of patrons visiting nearby businesses on Roncesvalles Avenue.

## Restore Parking Conditions – St. Clair Avenue West

(October 12, 2007) Report from Director, Transportation Services Toronto and East York District

### Recommendations

Transportation Services recommends that, in order to restore parking conditions on the south side of St. Clair Avenue West, from a point 30.5 metres west of Spadina Road to a point 30.5 metres east of Tweedsmuir Avenue, to those that existed prior to the completion of the streetcar right-of-way, City Council:

1. rescind the pay-and-display parking regulations on the south side of St. Clair Avenue West, from a point 30.5 metres west of Spadina Road to a point 30.5 metres east of Tweedsmuir Avenue that operate from 9:00 a.m. to 4:00 p.m. and 6:00 p.m. to 9:00 p.m. Monday to Friday; from 8:00 a.m. to 9:00 p.m., Saturday; and from 1:00 p.m. to 9:00 p.m., Sunday; and
2. prohibit parking at anytime on the south side of St. Clair Avenue West from a point 30.5 metres west of Spadina Road to a point 30.5 metres east of Tweedsmuir Avenue.

### Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2007 operating budget interim appropriations	\$1,500

### Summary

Transportation Services has evaluated a request to restore previous parking regulations on the south side of St. Clair Avenue West, from a point 30.5 metres west of Spadina Road to a point 30.5 metres east of Tweedsmuir Avenue. This would entail removing the pay-and-display machines that were recently installed in conjunction with the completion of the streetcar right-of-way through this area.

(October 3, 2007) Report from Director, Transportation Services Toronto and East York District

#### **Recommendations**

Transportation Services recommends that Toronto and East York Community Council:

1. amend the parking regulations on Gledhill Avenue as follows to enable installation of a “School Bus Loading Zone” and “Student Pick-up and Drop-off Area”:
  - a. rescind the “No Parking Anytime” regulation on the east side of Gledhill Avenue, from Lumsden Avenue to Cosburn Avenue;
  - b. prohibit parking at all times on the east side of Gledhill Avenue, from Lumsden Avenue to a point 65 metres north;
  - c. prohibit parking at all times on the east side of Gledhill Avenue, from a point 28 metres north of Barker Avenue to Cosburn Avenue;
  - d. implement a “School Bus Loading Zone”, on the east side of Gledhill Avenue, from a point 65 metres north of Lumsden Avenue to Barker Avenue;
  - e. prohibit stopping, from 8:00 a.m. to 5:00 p.m., Monday to Friday except Public Holidays, on the east side of Gledhill Avenue, from a point 65 metres north of Lumsden Avenue to Barker Avenue;
  - f. prohibit parking, from 5:00 p.m. to 8:00 a.m., Monday to Friday and anytime Saturday, Sunday, and Public Holidays, on the east side of Gledhill Avenue, from a point 65 metres north of Lumsden Avenue to Barker Avenue;
  - g. allow parking for a maximum period of ten minutes, from 8:30 a.m. to 9:00 a.m. and from 2:30 p.m. to 3:30 p.m., Monday to Friday, on the east side of Gledhill Avenue, from Barker Avenue to a point 28 metres north; and
  - h. prohibit parking, from 9:00 a.m. to 2:30 p.m., and from 3:30 p.m. to 8:30 a.m. Monday to Friday, and at all times Saturday, Sunday and Public Holidays, on the east side of Gledhill Avenue, from Barker Avenue to a point 28 metres north.

## Revised Disabled Person Loading Zone - 77 Main Street

(October 12, 2007) Report from Director, Transportation Services Toronto and East York

## Recommendations

Transportation Services recommends that City Council amend the existing "Disabled Person Loading Zone" regulation on the east side of Main Street, between a point 87.2 metres south of Swanwick Avenue and a point 5.5 metres further south, to between a point 81.7 metres south of Swanwick Avenue and a point 11 metres further south.

## Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget	\$200.00

## Summary

Transportation Services is seeking authority to lengthen the existing disabled person loading zone in front of Versa-Care Centre Ltd., located at No. 77 Main Street, from 5.5 metres to 11 metres. This is in order to accommodate ambulances destined for this long-term care facility which cannot maneuver into the existing loading zone. This will result in the loss of one parking space on the east side of Main Street and have a negligible effect on traffic operations.

## Implementing Stopping Prohibition - Sarah Ashbridge Avenue and Joseph Duggan Road

(October 12, 2007) Report from Director, Transportation Services Toronto and East York

### Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. rescind the “No Parking Anytime” regulation on the east side of Sarah Ashbridge Avenue, between Boardwalk Drive and a point 25 metres south;
2. implement a “No Stopping Anytime” regulation on the east side of Sarah Ashbridge Avenue, between Boardwalk Drive and the south end of Sarah Ashbridge Avenue;
3. amend the “No Parking Anytime” regulation on the west side of Sarah Ashbridge Avenue, between Boardwalk Drive and the south end of Sarah Ashbridge Avenue, to “No Stopping Anytime” regulation; and
4. amend the “No Parking Anytime” regulation on both sides of Joseph Duggan Road, between Boardwalk Drive and the south end of Joseph Duggan Road, to a “No Stopping Anytime” regulation.

### Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget	\$800.00

### Summary

This staff report is about a matter that Community Council has delegated authority from City Council to make a final decision.

Transportation Services is seeking authority to implement stopping prohibitions on both sides of Sarah Ashbridge Avenue and Joseph Duggan Road, between Boardwalk Drive and the south end of both roadways, just north of Lake Shore Boulevard. This is intended to discourage non-residents from stopping and parking on these roadways. This will result in the loss of three parking spaces on the east side of Sarah Ashbridge Avenue and have a negligible effect on traffic operations.

**Commercial Loading Zone - Prince Arthur Avenue**

(October 12, 2007) Report from Director, Transportation Services Toronto and East York District

**Recommendations**

Transportation Services recommends that Toronto and East York Community Council designate a commercial loading zone, on the south side of Prince Arthur Avenue, from a point 32 metres east of Bedford Road to a point 10 metres further east, to operate from 8:00 a.m. to 6:00 p.m., Monday to Saturday, for a maximum period of thirty minutes.

**Financial Impact**

All costs associated with the introduction of the commercial loading zone, including an annual fee, will be the responsibility of the restaurant owner.

**Summary**

This staff report is about a matter that Community Council has delegated authority from City Council to make a final decision. Transportation Services is seeking authority to establish a commercial loading zone to facilitate loading/unloading of goods on the south side of Prince Arthur Avenue at No. 37. The introduction of the commercial loading zone will provide for the loading/unloading of goods to the local businesses on Prince Arthur Avenue during day time hours. Parking will remain in the evening for patrons attending various restaurants, and overnight to parking permit holders.

## **Prohibition of Construction of Fences and Hard Landscaping - East Side of Lansdowne Avenue, Between College Street and Bloor Street West**

(October 16, 2007) Report from Manager, Right of Way Management, Transportation Services Toronto and East York District

### **Recommendations**

Transportation Services recommends that Toronto and East York Community Council:

1. amend former City of Toronto Municipal Code Chapter 313, Streets and Sidewalks, to prohibit the construction and maintenance of fences, retaining, ornamental and toe walls and hard landscaping within the public right of way on the east side of Lansdowne Avenue, between College Street and Bloor Street West, measured 1.2 m from the rear edge of the City sidewalk;
2. allow only soft landscaping features to be installed within the public right of way on the east side of Lansdowne Avenue, between College Street and Bloor Street West, within the newly constructed boulevards, measured 1.2 m from the rear edge of the City sidewalk; and
3. direct Legal Services to amend § 313-33 and § 313-50 of the former City of Toronto Municipal Code Chapter 313, Streets and Sidewalks, to give effect to the foregoing.

### **Summary**

This staff report is about a matter that Community Council has delegated authority from City Council to make a final decision.

In response to a request from Councillor Adam Giambrone, Transportation Services has reviewed a request to prohibit the installation and maintenance of fences together with hard landscaping within the newly constructed boulevards on the east side of Lansdowne Avenue between College Street and Bloor Street West. This initiative is in keeping with the recent road alterations, streetscape and pedestrian environment improvements created on Lansdowne Avenue between College Street and Bloor Street West, and Transportation Services is in support of this request. This request will require amendments to the former City of Toronto Municipal Code Chapter 313, Streets and Sidewalks.

### **Lane Closure for Construction - 88 Spadina Road**

(October 12, 2007) Report from Director, Transportation Services Toronto and East York District

#### **Recommendations**

Transportation Services recommends that City Council approve the following actions:

1. close the sidewalk and curb lane on the west side of Spadina Road from a point 33 metres south of Bernard Avenue to a point about 97 metres further south from October 2007 to December 2008;
2. during this period, replace the existing parking regulations on the west side of Spadina Road from a point 33 metres south of Bernard Avenue to a point 97 metres further south with “No Stopping Anytime”; and
3. return Spadina Road to its pre-construction traffic and parking regulations when the project is completed.

#### **Financial Impact**

There is no financial impact on the City as 59 Project Management Incorporated will bear the costs.

#### **Summary**

59 Project Management Incorporated is building a 6-storey condominium at 88 Spadina Road. Transportation Services is requesting City Council authority to: (a) close the west curb lane and sidewalk for 15 months; and (b) make a temporary pedestrian walkway in the west curb lane on Spadina Road.

### **Lane Closure for Construction - Murray Street**

(October 12, 2007) Report from Director, Transportation Services Toronto and East York District

## Recommendations

Transportation Services recommends that Toronto and East York Community Council approve the following actions:

1. close the sidewalk and curb lane on the east side of Murray Street from a point 78 metres south of Orde Street to a point about 90 metres further south from October 2007 to March 2009;
2. during this period, replace the existing parking regulations on the west side of Murray Street from a point 48 metres south of Orde Street to a point 132 metres further south and on the east side of Murray Street from a point 62 metres south of Orde Street to a point 100 metres further south with "No Stopping Anytime"; and
3. return Murray Street to its pre-construction traffic and parking regulations when the project is completed.

## Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision. Vanbots Construction Corporation is building a 6-storey addition at 600 University Avenue (Mount Sinai Hospital). For this reason, Transportation Services is requesting authority to close a portion of the northbound curb lane and east side sidewalk on Murray Street at the rear of Mount Sinai Hospital lane for a period of 18 months.

## Recommended Candidates for the Toronto and East York Community Preservation Panel

**Confidential Attachment - Personal matters about an identifiable individual, including municipal or local board employees**

(October 2, 2007) Report from Director, Policy and Research, City Planning Division

## Recommendations

The City Planning Division recommends that:

1. Council nominate the candidates listed in the confidential Attachment 1 effective January 1, 2008 to the Toronto and East York Community Preservation Panel for a term coincident with Council or until their successors are appointed; and

2. Council authorize the release of the confidential Attachment 1 once it has dealt with this staff report.

### Summary

This report summarizes the process followed to recruit and evaluate candidates for the Toronto and East York Community Preservation Panel and recommends that Council nominate the individuals listed in confidential Attachment 1 to the Panel. The four Community Preservation Panels act as heritage advocates in their communities. The Panels report to the Toronto Preservation Board on local heritage matters and on issues relating to the Ontario Heritage Act. City planning staff received 45 applications from individuals volunteering to serve on the Panels. All of the eligible candidates were offered interviews. Candidates were scored by a selection committee on their ability to answer predetermined interview questions. Based on their interview scores the selection committee compiled a list of qualified candidates and recommends that Council nominate these candidates to serve on the Panel.
