SUMMARY

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision. Transportation Services has been asked to install a “Student Pick-up/Drop-off Area” on the east side of Clinton Street to provide an area for parents/guardians to park while accompanying their children to/from Clinton Street Junior Public School at 460 Manning Avenue.

RECOMMENDATIONS

Transportation Services recommends that Toronto and East York Community Council:

1. amend the existing “No Parking 8:30 a.m. to 5:00 p.m., Monday to Friday” regulation on the east side of Clinton Street from a point 107 metres north of College Street to a point 27.4 metres south of Jersey Avenue to operate from a point 107 metres north of College Street to a point 138.5 metres south of Jersey Avenue and from a point 94 metres south of Jersey Avenue to a point 27.4 metres south of Jersey Avenue;
2. establish a no parking regulation from 9:30 a.m. to 11:00 a.m. and from 1:00 p.m. to 3:30 p.m., Monday to Friday on the east side of Clinton Street, from a point 94.0 metres south of Jersey Avenue to a point 44.5 metres further south thereof; and
3. establish a fifteen minute maximum parking limit from 7:00 a.m. to 9:30 a.m., from 11:00 a.m. to 1:00 p.m. and from 3:30 p.m. to 5:00 p.m., Monday to Friday,

on the east side of Clinton Street, from a point 94.0 metres south of Jersey Avenue to a point 44.5 metres further south thereof.

ISSUE BACKGROUND

At the request of Deputy Mayor Joe Pantalone, on behalf of the principal of Clinton Street Junior Public School, Transportation Services reviewed the option of implementing short term parking for parents/guardians picking-up and dropping-off children attending the school.

COMMENTS

Clinton Street, between College Street and Jersey Avenue operates one-way northbound with a pavement width of 7.3 metres. Parking is prohibited at anytime on the west side. On the east side, parking is prohibited from 8:30 a.m. to 5:00 p.m., Monday to Friday and permit parking operates from 12:01 a.m. to 7:00 p.m., daily. There is currently no TTC service on the subject portion of Clinton Street.

Based on our assessment, a pick-up and drop-off area with a fifteen minute maximum parking limit can be introduced on the east side of Clinton Street. The pick-up and drop-off area would provide eight to nine parking spaces and the time limit will encourage parking turnover. This would provide enough time for parents/guardians to park while accompanying students to/from the Clinton Street Junior Public School. Permit parking will not be affected by this proposal.
